DIGITAL EDITION

Nr. 339 - Mai 2014

Scarlett Johansson

UNDER THE SKIN

editorial

Hallo Laserdisc- und DVD-Fans, liebe Filmfreunde!

Wenn Sie sich in den letzten Wochen gefragt haben, warum wir nur sehr eingeschränkt telefonisch erreichbar waren, dann finden Sie die Antwort auf dieser Seite. Nicht nur hielt uns die jährlich stattfindende FMX in Atem, sondern auch noch ein Filmmusik-Konzert der besonderen Art.

Doch zunächst zur FMX. Hierbei handelt es sich um einen Branchentreff der Visual Effects Industrie, der jedes Jahr renommierte VFX-Spezialisten in die schwäbische Hauptstadt holt. Diese Spezialisten präsentieren dort im Haus der Wirtschaft ihre neuesten Arbeiten und geben damit tiefe Einblicke in die Welt der visuellen Effekte. Ob **GRAVITY**, **THE GRAND BUDAPEST HOTEL**, **THE AMAZING SPIDER-MAN** oder **WHITE HOUSE DOWN** – keiner der großen VFX-Blockbuster wurde ausgelassen. Ein besonderer Höhepunkt war Andy Serkis' Präsentation des neuen **PLANET DER AFFEN** Films, die unter größten Sicherheitsbestimmungen abgehalten wurde. Ein Interview mit Andy Serkis, dem wohl bekanntesten Motion Capture Performer der Welt, klappte leider nicht. Doch dafür hatten wir jede Menge anderer, hochkarätiger Gesprächspartner: Jon Landau, Produzent von **TITANIC** und **AVATAR**, Chris DeFaria, der für die visuellen Effekte verantwortliche Produzent bei Warner Brothers, Max Solomon, Visual Effects Spezialist bei Framestore sowie Matthew Bristowe und Richard Baker von Prime Focus World, die für die 3D-Konvertierung von **GRAVITY** verantwortlich zeichnen. Alle VFX-Persönlichkeiten haben wir in einem neuen Video zusammengefasst, das Sie unter dem Titel **GRAVITY AND BEYOND** auf unserem Youtube-Kanal finden können.

Das nächste große Ereignis ließ gar nicht lange auf sich warten und beanspruchte uns fast eine ganze Woche lang. Filmmusikkomponist Don Davis kam nach Stuttgart, um seinen Score zu **MATRIX** mit den Stuttgarter Philharmonikern in einem Konzert live zum Film aufzuführen. Wir hatten das Vergnügen, nicht nur das Konzert zu erle-

ben, sondern auch den aufwändigen Proben beizuwohnen und uns ausführlich mit Don Davis zu unterhalten. Das gesamte Bild- und Tonmaterial, das dabei entstanden ist, hat eine Größe von über 100 Gbyte und wird in den nächsten Wochen in ein Video umgearbeitet, das nach Fertigstellung natürlich auf unserem Youtube-Kanal abrufbar sein wird.

Und da aller guten Dinge bekanntlich drei sind, haben wir die Gelegenheit genutzt, den deutschen Kameramann Alexander Sass bei seinem Kurzbesuch in Stuttgart vor unsere Kamera zu holen. Was er uns erzählte und auch den Zuschauern bei der Sondervorführung seines neuesten Films **FASCINATING INDIA 3D**, können Sie demnächst auf unserem Youtube-Kanal erfahren. Sie sehen: es bleibt spannend!

Zu guter Letzt freue wir uns sehr, dass unsere vielbeschäftigte Hollywood-Expertin Anna wieder einmal für uns in die Tasten gehauen hat und uns passend zu aktuellen Kinogeschehen ihr **GODZILLA**-Evangelium kundtut. Wir haben uns jedenfalls köstlich amüsiert.

Godzilla and God

Es gibt nichts Neues unter der Sonne des Bikini Atolls. Wieder einmal ist die berühmteste Echse der Welt in den Kinos unterwegs und macht auf ihrem Weg so einiges kaputt. Die Frage "Musste das sein?" stelle ich mir schon gar nicht mehr. Die Frage "Musste das *auf diese Art* gemacht werden?" allerdings schon.

Der original *Godzilla* von 1954 mag vielen von uns lächerlich erscheinen, zeigt er doch sehr offensichtliche Special Effects und das Watscheln der Dino-Echse, welches Comedy-Kultstatus genießt. Aber die Hintergründe auf denen dieser Film baut und das, was er für sein Publikum damals bedeutete, sind alles andere als närrisch. Der 1954-Godzilla steht sinnbildlich für das kriegsgebeutelte Japan, dessen Natur durch die amerikanischen Bomben vergewaltigt wurde. Er ist eine völlig neue Kreatur, so wie die Situation des Nachkriegsjapans eine historisch völlig neue war. Er hat tiefe Narben – die Narben einer Nation, die versucht wieder aufzuerstehen. Es gibt keinen Plan, wie man mit so etwas umgehen soll, aber es bleibt einem nichts anderes übrig, als sich dem Schicksalsschlag zu stellen. Das Happy End ist vorhanden, aber bedingt. Die Warnung ist offensichtlich: Wenn Atomwaffen weiterhin benutzt werden, wird dieser Godzilla nicht der letzte sein. Gott hatte hiermit nichts zu tun. Die Menschen und ihre Wissenschaft waren die Schuldigen.

Ins amerikanische Kino wurde Godzilla 1998 zum ersten Mal geholt, von keinem Geringeren als Roland Emmerich, dem Meister der Zerstörung. Dieser viel belächelte Film war eine bewusste Neuorientierung und ist längst nicht so schlecht, wie es viele gerne behaupten (bis auf Maria Pitillo, die eigentliche Katastrophe im Film). Emmerich machte kein Remake, sondern produzierte eine Eigeninterpretation. Er entschloss sich für das

Genre der Action-Komödie und würzte diese gekonnt mit Emotionen und Identifikationspotenzial der Atomechse gegenüber. Der Film zeigte sich ebenfalls besorgt über die menschliche Auffassung von Naturschutz, in einer Zeit, in der das Kyoto-Protokoll in aller Munde war und die USA ganz oben auf der Liste derer waren, die an das Unterschreiben nicht im Traum dachten. In diesem *Godzilla* fräst sich ein Tier durch unseren Lebensraum, das eigentlich nur eines will: Überleben. Seine genetische Bestimmung erfüllen und Neue seiner Art sicher in die Welt bringen. Und wieder sind wir schuld. Wir haben seinen Lebensraum mit Atomtests für immer verändert, wir ernten den Sturm, den wir säten.

Nun wird *Godzilla* wieder auf die – diesmal bemitleidenswerten – Kinobesucher losgelassen. Dieselben Versatzstücke und doch, ein völlig anderes Endergebnis. Der aktuelle *Godzilla* hakt brav jedes Kästchen auf der "Blockbuster Checklist" ab und doch ergibt dieser Film nicht mehr als die Summe seiner belanglosen Teile. Mein Problem mit diesem Film ist allerdings nicht, dass er grottenschlecht ist. Mein Problem ist, dass wir von der Wissenschaft zu Gott gerutscht sind. Von der Aufklärung zurück ins tiefste Mittelalter, in 123 Minuten.

Die göttliche Dimension in diesem *Godzilla* baut auf dem Glauben der amerikanischen Christen, meiner Meinung nach besonders auf dem der Fundamentalisten und Evolutionsverweigerer. *Godzilla* trifft auf zwei "MUTOs", Rieseninsekten mit einem unstillbaren Appetit auf radioaktives... Zeug. Die MUTOs fressen sich, einer von Osten, einer von Westen, durch sämtliche Atommülldeponien der Welt und (**VORSICHT, milder Spoiler**) werden dann vom auf einmal tollen *Godzilla* niedergemacht und schwupps di wupps ist die Erde sämtliche Atommüllsorgen los. Wenn das keine göttliche Intervention ist, dann weiß ich auch

nicht. Dieser *Godzilla* negiert komplett das Prinzip der Kausalität. Nix mit Geradestehen für unsere Umweltverbrechen. Wir beuten die Erde aus, wir betreiben Raubbau an der Natur, wir züchten uns Monster heran und dann behaupten wir, nichts für den Verfall des Planeten zu können. Nein, globale Erwärmung gibt es nicht. Nein, Atomenergie ist gar nicht schädlich. Die amerikanischen christlichen Fundamentalisten und die Republikaner (oft sind das ein und dieselben Leute) gehören zu der Brigade, die im Abstreiten von Umweltverantwortung ganz große Klasse sind. Wieso? Nun ja, der liebe Gott wird es schon richten. Und genau das tut Er in *Godzilla* dann auch. Ein bisschen Hinternversohlen in Form von zerstörten Städten und dann, das Wunder: Unser ganzer Atommüll von hässlichen Riesenkolibris aufgesaugt und tadaaaa! ein frischer Planet. Der Film sagt: "Macht was Ihr wollt mit der Erde, das göttliche Wunder wird am Ende alles wieder hinbiegen" und entzieht die Menschen dadurch ihrer Verantwortung.

2014: Putting the God in *Godzilla*.

Ordnung muss sein

Karfreitag und Regenwetter – dagegen hilft ein Screener vom Stapel.

VOM ORDNEN DER DINGE (1:1.85, 5.1)

Verleih: Movienet (24 Bilder)

Land/Jahr: Deutschland 2013

Regie: Jörg Haßengier, Jürgen Brügger

Kinostart: 29.05.2014

Vom Kosmos und vom Chaos ist die Rede in dieser unkommentierten Dokumentation von Jörg Haßengier und Jürgen Brügger. Die beiden Filmemacher beschäftigen sich mit etwas typisch Menschlichem – dem Ordnen. Und das in all seinen Ausprägungen. Selbst ein älterer Herr, bei dem das Ordnen schon zur Manie geworden ist und der alles statistisch exakt dokumentiert, findet in diesem Film seinen Platz. Über ihn darf geschmunzelt werden – und das ist durchaus positiv gemeint. Aber auch echten Forschern blicken die beiden Regisseure über die Schulter. Etwa beim Sortieren von toten Käfern oder beim Katalogisieren von Bakterien. Geordnet werden muss selbstverständlich auch das Land. So beobachtet Kameramann Sven O. Hill sozusagen als "Running Gag" einen kleinen Vermessungstrupp bei ihrer Arbeit querfeldein in Sachsen-Anhalt. Seine Bilder sind es, die diesen Film so besonders machen: präzise beobachtet, mal ganz nah, mal aus großer Distanz. Beeindruckend auch, wie aus vermeintlicher Unordnung Ordnung gemacht werden kann. Etwa durch Schallwellen, die ein Häufchen Sand in symmetrische Formen verwandelt. Oder ein Schwarm von Zugvögeln. Von Nahem vollkommen chaotisch, von der Ferne aber perfekte Figuren am Himmel zaubernd. Die Kamera sucht auch Ordnung, wo man eigentlich keine vermutet: in einem Waldstück stehen die Bäume sehr geordnet nebeneinander, am Himmel formieren sich Wolken. Passend dazu der Leitsatz aus dem Film **ENEMY**: "Chaos ist Ordnung, die darauf wartet, entschlüsselt zu werden". Wer selbst gerne Dinge ordnet und das Chaos meidet, der wird sich in **VOM ORDNEN DER DINGE** ganz gewiss wiederfinden.

Das Superhirn

Die erste von nur drei Pressevorführungen in dieser Woche war bestimmt schon die schlimmste!

TRANSCENDENCE (1:2.35, DD 5.1 + 7.1 + Atmos)

OT: Transcendence

Verleih: Tobis

Land/Jahr: USA 2014

Regie: Wally Pfister

Darsteller: Johnny Depp, Rebecca Hall, Paul Bettany, Morgan Freeman, Kate Mara

Kinostart: 24.04.2014

Bevor ein brillanter Computerwissenschaftler stirbt, lässt er sein Gehirn mit Hilfe seiner Frau in einen Highend-Computer hineinrechnen und lebt in ihm weiter. Als er erkennt, welche Macht er jetzt plötzlich besitzt, läuft er zur Hochform auf und beginnt eine private Armee aufzubauen... Es gehört schon erhebliches Talent dazu, zwei Stunden lang mit immer demselben Gesichtsausdruck zu spielen. Einem Darsteller wie Johnny Depp jedenfalls hätte man ein solches "Talent" nicht zugetraut. Da fragt man sich, warum der ganze Kerl nicht einfach computeranimiert wurde – das hätte der Produktion bestimmt eine Menge Geld gespart.

Und da wir gerade vom Sparen reden: den Film kann man sich getrost sparen. Außer natürlich, man hat einen Faible für Trash. Aber auch dann wird man vermutlich enttäuscht werden, denn richtigen Trash zum Lachen gibt Wally Pfisters Regiedebüt einfach nicht her. Dass ein Computerhirn die Weltmacht übernimmt ist in der Filmgeschichte wahrhaftig nichts Neues und wurde in der Vergangenheit schon weitaus spannender inszeniert als hier. Mit seiner Kameraarbeit für die Filme von Christopher Nolan hat sich Pfister einen Namen gemacht – und das zu recht. Leider scheint ihm das Regiefach ganz und gar nicht zu liegen. Von Schauspielerführung keine Spur. Besonders deutlich erkennbar an Kate Mara, die meist einfach nur herumsteht. Hin und wieder versucht Pfister Großartiges in Bildern auszudrücken, aber auch das schlägt fehl, weil es einfach zum falschen Zeitpunkt geschieht. In einem halben Jahr wird sich wohl niemand mehr an diesen Film erinnern. Und das ist auch gut so.

Donnerstag, 24. April 2014

Unerwiderte Liebe

Die Großen der Literatur hatten alle ihre ganz eigenen Probleme, wie in der heutigen Pressevorführung zu erfahren war.

VIOLETTE (1:1.85, DD 5.1)

OT: Violette

Verleih: Kool

Land/Jahr: Frankreich, Belgien 2013

Regie: Martin Provost

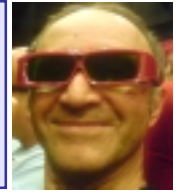

Darsteller: Emmanuelle Devos, Sandrine Kiberlain, Olivier Gourmet
Kinostart: 26.06.2014

Mit Schwarzmarktgeschäften hält sich Violette Leduc während des Zweiten Weltkriegs über Wasser. Schreiben aber ist ihre eigentlich Berufung. Der Mann, mit dem sie eine Scheinehe führt, unterstützt ihre Ambitionen aber nicht sonderlich. In dessen Dunstkreis aber lernt sie die erfolgreiche Schriftstellerin Simone de Beauvoir kennen, die ihr Talent erkennt und sie fördert. Violette verliebt sich unsterblich in die Autorin. Doch ihre Liebe wird nicht erwidert... "Ist eine Frau hässlich,

Wolfram Hannemanns

Film-Blog

kommt das einer Todsünde gleich. Ist man schön, dreht man sich nach dir um, weil du so schön bist. Ist man hässlich, dreht man sich nach dir um, weil du so hässlich bist." Mit diesem Zitat beginnt Martin Provosts Biopic über die Schriftstellerin Violette Leduc. Der Film konzentriert sich auf die vielschichtige Beziehung der Autorin zu ihrer Mentorin Simone de Beauvoir. In einem Zeitraum von etwa zehn Jahren präsentiert Provost den Werdegang von Violette, von ihrem ersten, erfolglosen Buch, bis hin zu ihrem großen Durchbruch "Die Bastardin" Anfang der 1960er Jahre. Dabei wird der Film von zwei großartigen Darstellerinnen getragen: Emmanuelle Devos als die sich nach Liebe und Zuneigung sehrende Violette und Sandrine Kiberlain als die unterkühlte Simone. Unterstützt werden die Darstellerinnen durch die atmosphärische Fotografie von Yves Cape.

Freitag, 25. April 2014

Von Deutschen und Türken

Die recht spärliche Pressewoche wurde mit einer deutschen Komödie beendet.

EINMAL HANS MIT SCHARFER

SOSSE (1:1.85, 5.1)

Verleih: NFP (Filmwelt)

Land/Jahr: Deutschland 2014

Regie: Buket Alakus

Darsteller: Idil Üner, Adnan Maral, Siir

Eloglu

Kinostart: 12.06.2014

Hatice ist eine junge, in Hamburg lebende Deutschtürkin mit gutem Job und modernem Lebensstil, die aber ihren Minirock gegen einen Maxirock tauscht, sobald sie ihre Eltern in Salzgitter besucht. Der sehr traditionsbewusste und sture Herr Papa besteht darauf, dass sie als seine älteste Tochter als Erste unter die Haube kommt. Als ihre jüngere Schwester schwanger wird und der Vater seinen Segen zur Hochzeit verweigert, weil die Älteste noch nicht verheiratet ist, beschließt Hatice, ihren Eltern einen Schwiegersohn vorzustellen – allerdings nur zum Schein. Doch woher bekommt die anspruchsvolle Hatice jetzt einen "Hans mit scharfer Sosse", also die perfekte Kreuzung zwischen einem Deutschen und einem Türken? - "Wieviele Bundesländer hat die Bundesrepublik Deutschland?" fragt die Mutter voller Stolz den deutschen Schwiegersohn in spe, der die richtige Antwort natürlich nicht kennt. "16" triumphiert Mama und ergänzt "Einbürgerungsunterricht!" - Komödien über Menschen in Deutschland mit Migrationshintergrund werden immer wieder gerne genommen. Ganz besonders dann, wenn es sich um Deutschtürken handelt. In diesem Sinne hat jetzt Buket Alakus den Bestseller von Hatice Akyün verfilmt. Tatsächlich bietet der Stoff auch richtig gute Ansätze, die vorhandenen Klischees ins Humoristische umzuwandeln. Doch die Komödie tut sich schwer damit, über die gesamte Lauflänge des Films zu unterhalten. Vielmehr tritt der Film irgendwann auf der Stelle und dreht sich im Kreise und erzeugt damit Langeweile. Da nützt dann auch das spielfreudige deutsch-türkische Ensemble nicht mehr viel. Oder liegt es vielleicht nur daran, dass man viele der in gebrochenem Deutsch vorgetragenen Dialoge einfach nicht verstehen kann?

Dienstag, 29. April 2014

Von Feen und Autofahrern

Mit den beiden heutigen Pressevorführungen habe ich bereits die Hälfte der Woche hinter mir

TINKERBELL UND DIE PIRATENFEE

(1:1.85, 3D, DD 5.1 + 7.1)

OT: The Pirate Fairy
Verleih: Walt Disney
Land/Jahr: USA 2014
Regie: Peggy Holmes
Kinostart: 12.06.2014

Eigentlich sollte die kleine Fee Zarina jeden Tag nur ganz brav Feenstaub herstellen. Doch Zarina ist verdammt neugierig und hinterfragt alles, was ihr unter die Finger kommt. Als sie mit blauem Feenstaub experimentiert und ihr Experiment außer Rand und Band gerät, wird sie ihrer Dienste enthoben. In ihrem Gram verlässt sie das Feenland. Ein Jahr später taucht sie während eines großen Fests plötzlich wieder auf, versetzt das gesamte Feenland in einen Dauerschlaf und entwendet den blauen Feenstaub. Tinkerbelle und ihre Feenfreundinnen heften sich an ihre Spuren und sind bass erstaunt, Zarina in der Rolle eines Piratenkapitäns wiederzufinden... Eines gleich vorweg: die Story dieses Films hat überhaupt keine Dynamik aufzuweisen! Wenn er spannend sein will, dann eben doch nicht richtig. Die Spannung wird sprichwörtlich in Schach gehalten, damit die Zielgruppe der Zuschauer – kleine Mädels bis etwa zehn Jahren – den Film relativ relaxed ansehen kann. Aber genau das könnte auch richtig schief gehen, denn moderne Kids erwarten heutzutage mehr von einem Kinonachmittag. Da darf es schon mal ordentlich zur Sache gehen und man möchte doch wenigstens ein bisschen mitfiebern dürfen. Die eindimensionale Story hält sich aber leider sehr bedeckt und wird dadurch selbst bei der kurzen Lauflänge von nur 78 Minuten (der 10-minütige Abspann bereits eingerechnet!) sehr schnell langweilig. Die Animationen sind sehr oberflächlich gehalten und 3D hat dem leider nichts mehr hinzuzufügen. Dass dem Film trotzdem eine Kinoauswertung zuteil wird, dürfte daran liegen, dass man dies bereits als Werbung für die DVD und Blu-ray, die sicher nicht lange auf sich warten lässt, werten muss.

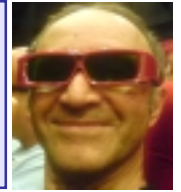

NO TURNING BACK – LOCKE (1:2.35, DD 5.1)

OT: Locke

Verleih: Studiocanal

Wolfram Hannemanns Film-Blog

Land/Jahr: Großbritannien, USA 2013
Regie: Steven Knight
Darsteller: Tom Hardy, Ruth Wilson, Andrew Scott
Kinostart: 19.06.2014

Nach Arbeitsende setzt sich Ivan Locke in sein Auto. Aber er fährt nicht nach Hause, sondern schlägt den Weg ins weit entfernte London ein, wo eine zufällige Begegnung sein Kind zur Welt bringt. Während der Fahrt in sein neues Leben muss sich Ivan per Telefon nicht nur mit seiner Frau aussprechen, seine beiden Söhne vertrösten und der werdenden Mutter gut zureden, sondern auch noch den wichtigsten Auftrag seines Lebens stemmen. Das Allerwichtigste jedoch: er muss die Stimme seines Vaters loswerden, der ihn als Kind hat sitzen lassen... Für einen Regisseur ist es immer eine Gratwanderung, ein Ein-Personen-Stück für die Leinwand umzusetzen. Dass es Steven Knight zumindest ein Stück weit gelingt, liegt an seinem Hauptdarsteller Tom Hardy. Der verkörpert die Figur des Ivan perfekt, auch wenn man sich hin und wieder mehr Emotionen von ihm wünschen würde. Der Schauplatz beschränkt sich auf den Innenraum seines Autos, die gesamte Geschichte ergibt sich aus den unzähligen Telefonaten, die er während seiner Fahrt nach London tätigt. Bemerkenswert die Kameraarbeit von Haris Zambarloukos,

der trotz dem engen Raum CinemaScope nutzt, um den Seelenzustand des Protagonisten zu visualisieren. Dass der Film nicht in Echtzeit abläuft erweist sich als ein kleiner Wermutstropfen. Ohne diesen wäre der Film wesentlich spannender geworden.

Mittwoch, 30. April 2014

Schmerzensgeld

Die beiden letzten Pressevorführungen in dieser Woche brachten jede Menge Action und auch viele Schläge unter die Gürtellinie

BRICK MANSIONS (1:2.35, DD 5.1)

OT: Brick Mansions
Verleih: Universum Film (Walt Disney)
Land/Jahr: Frankreich, Kanada 2014
Regie: Camille Delamarre
Darsteller: Paul Walker, Sal Longobardo, Robert Maillet, RZA, David Belle
Kinostart: 05.06.2014

Aufgrund einer Sperrfristvereinbarung gibt es die Kurzkritik erst ab 22.05.2014 auf www.wolframhannemann.de

BAD NEIGHBORS (1:2.35, DD 5.1)

OT: Neighbors
Verleih: Universal
Land/Jahr: USA 2014
Regie: Nicholas Stoller
Darsteller: Seth Rogen, Rose Byrne, Zac Efron
Kinostart: 08.05.2014

Mac und Kelly Radner lieben ihre kleine Tochter über alles und auch das kleine Häuschen, das sie ihr Zuhause nennen. Als jedoch eines Tages in das benachbarte Haus eine Studentenvereinigung einzieht, ist es vorbei mit Beschaulichkeit und Ruhe – jetzt ist Non-Stop Party angesagt! Anfangs versuchen es die Radners noch auf die sanfte Tour, die Lärmbelästigung durch die Studenten zu minimieren. Doch als die sich als unbelehrbar erweisen, ist Krieg angesagt... Hier ist also jener Film, den Sie im Frühjahr unbedingt verpassen sollten! Selten hat mich ein Film 90 Minuten derart gequält wie dieses Machwerk, das ständig darum bemüht ist, die Schläge immer tiefer unterhalb der Gürtellinie zu platzieren.

Von guter Unterhaltung kann hier leider nicht mehr gesprochen werden – dieser Film schreit geradezu nach Schmerzensgeld!

Dienstag, 06. Mai 2014

Enges Minikleid trifft auf Mary Poppins

Das heutige Filmdoppel lullte mich zunächst in den Schlaf, holte mich dann aber ganz schnell wieder in den Hellwachzustand

MÄDELSABEND (1:2.35, DD 5.1)

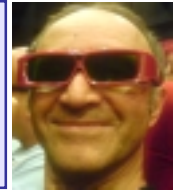

OT: Walk Of Shame
Verleih: Universum Film (Walt Disney)
Land/Jahr: USA 2014
Regie: Steven Brill
Darsteller: Gillian Jacobs, Elizabeth Banks, Sarah Wright
Kinostart: 26.06.2014

Meghan Miles hat es fast geschafft: sie gehört zur engeren Auswahl als Nachrichtensprecherin für einen großen TV-Sender. Dummerweise lässt sie sich am Vorabend der Entscheidung auf einen feucht-fröhlichen Mädelsabend ein. Als sie am nächsten Morgen im Bett ihres One Night Stands erwacht und nicht nur ihr Auto abgeschleppt wurde, sondern auch ihr Handy und Geldbeutel verschwunden sind und alles, was sie am Leibe trägt ein provokantes Minikleid ist, hat sie ein riesenproblem: wie kommt sie rechtzeitig zum Sender? So nimmt ein Abenteuertrip auf High Heels seinen verhängnisvollen Lauf... Erinnern Sie sich noch an den köstlich-witzigen **DIE NACHT DER ABENTEUER** mit der umwerfenden Elisabeth Shue? Denn der stand offensichtlich Pate bei dieser Möchtegern-Komödie, ebenfalls mit einer Elizabeth in der Hauptrolle. Leider aber entpuppt sich der **MÄDELSABEND** als ein trüges kleines Filmchen, das einfach zu sehr darum bemüht ist, seine Hauptdarstellerin in ein enges Minikleid zu zwingen und sie mit High Heels durch die abseits liegenden Locations von L.A. zu jagen. Elizabeth Banks freilich tut ihr Bestes, um die Zuschauer gut zu unterhalten, aber das Drehbuch gibt einfach nicht viel her, aus dem man hätte etwas machen können. Fazit: ein Mädel im engen gelben Minikleid macht noch keinen Film.

Wolfram Hannemanns

Film-Blog

FINDING VIVIAN MAIER (1:1.85, 5.1)

OT: Finding Vivian Maier

Verleih: NFP (Filmwelt)

Land/Jahr: USA 2014

Regie: John Maloof, Charlie Siskel

Darsteller: John Maloof, Mary Ellen

Mark, Phil Donahue

Kinostart: 26.06.2014

Zu Lebzeiten hatte niemand vom unglaublichen Talent der Vivian Maier etwas gewusst. Denn die als Kindermädchen arbeitende Frau mit französischem Akzent hatte immer und überall ihre Rolleiflex dabei und fotografierte alles, was ihr vor die Linse kam. Das Ergebnis sind Schwarzweißbilder, die sich mit denen der besten Fotografen messen können. Entdeckt wurden sie durch Zufall, als John Maloof auf einer Auktion eine verschlossene Kiste ersteinsteigerte. Zu seiner Überraschung beherbergte diese unzählige Fotografien der bis dahin unerkannten und vollkommen unbekanntes Künstlerin. Der junge Mann begann jetzt fieberhaft, alle weiteren Kisten aus dem Nachlass der Vivian Maier aufzustöbern. Eindrucksvoll schildert sein Dokumentarfilm, wie in detektivischer Kleinarbeit das Bild der Frau hinter den Bildern entstand. In seinem Film kommen Eltern zu Wort, die Vivian seinerzeit als Kindermädchen angeheuert hatten. Auch einige der von ihr betreuten Kinder, inzwischen natürlich längst schon erwachsen, stehen der Kamera Rede und Antwort. Im Laufe des Films zeichnet sich das Bild einer sehr ungewöhnlichen Frau ab, eine Art Mary Poppins oder Nanny McPhee, die alles hortete, was ihr in die Finger fiel. Aber diese sehr private Person, die zu Lebzeiten nichts von sich preisgab, hatte auch eine dunkle, fast morbide Seite, die ebenfalls im Film angesprochen wird. Den Regisseuren John Maloof und Charlie Siskel ist eine spannende Dokumentation gelungen, die großen Spaß bereitet und mit der sie einer der größten Street Fotografinnen der Welt, die nach wie vor von der snobistischen Kunstszene nicht als Künstlerin anerkannt wird, ihren Respekt zollen.

Mittwoch, 07. Mai 2014

Langzeitstudie

Zwölf Jahre lang bastelte der Regisseur an seinem Film, der uns heute gezeigt wurde.

BOYHOOD (1:1.85, 5.1)

OT: Boyhood

Verleih: Universal

Land/Jahr: USA 2014

Regie: Richard Linklater

Darsteller: Ellar Salmon, Patricia

Arquette, Ethan Hawke

Kinostart: 05.06.2014

Es sollte ein Experiment sein: über den Zeitraum von 12 Jahren beobachtet Regisseur Richard Linklater die Kindheit und Jugend von Mason. Dargestellt wird Mason über den gesamten Zeitraum von ein und demselben Darsteller, Ellar Salmon. Zu Beginn des Langzeitprojekts war er gerade sechs Jahre alt, am Ende des Films ist er knapp 20. Aber nicht nur er, auch die anderen Darsteller sind dieselben. Anhand ausgewählter Abschnitte und Stationen lässt Linklater so das Bild einer Patchwork-Familie mit all ihren Auf und Abs entstehen. Er präsentiert dieses Porträt sehr nüchtern und sachlich unter Verzicht auf eine Filmmusik. Musik gibt es im Film zwar, doch dienen die eingestreuten Songs lediglich zur zeitlichen Orientierung. Nach über 160 Minuten Spielzeit fragt man sich jedoch, was Linklater mit seinem Projekt bezweckt, da es nichts besonders Spektakuläres zu zeigen gibt. Ganz bestimmt wäre es wesentlich interessanter gewesen, das Ganze als echten Dokumentarfilm aufzuziehen.

DER HUNDERTJÄHRIGE, DERAUS DEM FENSTER STIEG UND VERSCHWAND (1:2.35, DD 5.1)

OT: Hundraåringen Som Klev Ut Genom Fönstret Och Försvann

Verleih: Concorde

Land/Jahr: Schweden 2014

Regie: Felix Herngren

Darsteller: Robert Gustafsson, Iwar

Wiklander, David Wiberg

Kinostart: 20.03.2014

Etwas in die Luft jagen ist seine große Leidenschaft: Allan Karlsson lebt in

einem Altersheim irgendwo in Schweden. Ausgerechnet an seinem 100. Geburtstag beschließt er still und heimlich zu verschwinden – und zwar mit samt seiner Hausschuhe aus dem Fenster! Auf einer Odyssee ohne Ziel ist er bald schon Besitzer eines mit Geld prall gefüllten Koffers, den ihm brutale Typen gerne wieder abjagen würden. Doch Julius, den er unterwegs kennenlernt, hilft ihm sich zu verstecken. So beginnt für die beiden alten Männer ein Roadtrip der skurrilen Art, auf dem Allan aus seinem bewegten Leben plaudert... Wer skurriles skandinavisches Kino mit kernigen Typen mag, der ist bei diesem Film richtig aufgehoben! Da geht es auch ziemlich zur Sache, aber immer auf schwarzhumorige Art. Ein bisschen ähnelt die Bestsellerverfilmung de amerikanischen **FORREST GUMP**, doch ist der schwedische Humor sehr viel feiner und skurriler. Die deutsche Synchronisation ist leider etwas gewöhnungsbedürftig. Trotzdem empfiehlt sich die Komödie als perfektes Kino-Date.

Donnerstag, 08. Mai 2014

Nabelschau

Von Einem, der sich selbst therapiert, und einem Anderen, der meint, schwul zu sein – das heutige Pressedoppel gestaltete sich sehr abwechslungsreich

MISTAKEN FOR STRANGERS (1:1.85, 5.1)

OT: Mistaken For Strangers

Verleih: Neue Visionen

Land/Jahr: USA 2013

Regie: Tom Berninger

Darsteller: Matt Berninger, Tom

Berninger, Aaron Dessner

Kinostart: 10.07.2014

Eigentlich hätte es eine Dokumentation über die amerikanische Indie-Rock-Gruppe "The National" werden sollen, die Tom Berninger machen wollte. Als ihn sein älterer Bruder Matt, seines Zeichens Lead-Sänger bei "The National", plötzlich anrief und ihn fragte, ob er als Roadie mit auf Tour kommen wollte, hatte der sich bislang nur als Regisseur von Underground-Horror-Filmen versuchte Tom die Idee, seine kleine Handycam mitzunehmen und ein

Wolfram Hannemanns Film-Blog

Porträt der Gruppe anzufertigen. Doch schon die mit Wackelkamera eingefangenen Versuche, ein Interview mit seinem Bruder zu führen, sind zum Scheitern verurteilt. Nicht etwa, weil Matt nichts sagen kann, sondern weil Filmemacher Tom keine Fragen formulieren kann! So entwickelt sich Toms Versuch einer Band-Doku immer mehr zu einem Film über das schwierige Verhältnis zu seinem Bruder, in dessen Schatten er ständig steht. Das Endprodukt erweist sich als Nabelschau, mit der sich der von Alkoholproblemen und Depressionen gequälte kleine Bruder selbst zu therapieren versucht. In seiner Hilfslosigkeit hat er dadurch jedoch einen Dokumentarfilm geschaffen, der großartig unterhält, weil er den Zuschauer extrem nahe an sich heranlässt und auch für ihn peinliche Szenen nicht vorenthält. Man kann seine Trauer durchaus nachvollziehen, wenn er als Einziger nicht beim Gruppenfoto mit Präsident Obama zugelassen wird oder sein Test-Screening aufgrund mangelhafter Digitalprojektion in einem Fiasko endet. Hut ab vor soviel Mut! Angereichert wird Toms Eigentherapie übrigens mit einigen grandiosen Konzertausschnitten, die während der Welttour entstanden sind.

MAMAN UND ICH (1:2.35, DD 5.1)

OT: Les Garçons Et Guillaume, A Table
Verleih: Concorde
Land/Jahr: Frankreich 2013
Regie: Guillaume Gallienne
Darsteller: Guillaume Gallienne, André Marcon, Françoise Fabian
Kinostart: 05.06.2014

Wenn Maman ihre Familie zum Essen ruft, dann spricht sie immer von den Jungs und Guillaume. Denn Guillaume ist anders als seine Brüder – er denkt, dass er ein Mädchen ist! Für alle Anderen ist klar: Guillaume ist homosexuell. Ganz besonders sein Vater tut sich schwer mit dem extrem femininen Verhalten seines Sohnes. Also ab mit ihm ins Internat. Für Guillaume geht ein Traum in Erfüllung: endlich als Mädchen unter Jungen! Doch gerade als er zu begreifen beginnt, dass er womöglich schwul ist, kommen ihm auch die ersten Zweifel an der genau jener sexu-

ellen Orientierung, in die ihn die gesamte Welt zu drängen scheint... Nicht genug damit, dass Guillaume selbst das Drehbuch für die Adaption seines eigenen Theaterstücks geschrieben hat und die Regie übernahm, er hat sich auch noch in einer Doppelrolle besetzt: als Guillaume und seine Mutter! So inszeniert er nun sein Coming Out als Heterosexueller als Theaterstück im Film. Immer wieder wechseln sich Szenen, in denen er in einer One-Man-Show vor Publikum auf der Bühne auftritt, mit Spielszenen, die seinen teils grotesken Werdegang in Rückblenden schildern. Als komisches Element lässt er seine Mutter urplötzlich in den skurrilsten Augenblicken in Erscheinung treten und visualisiert so seine Gedanken. Mit gleich fünf Césars wurde der Film in Frankreich ausgezeichnet, darunter für den "Besten Film" sowie den "Besten Erstlingsfilm". Witzig, komisch, leicht skurril und manchmal fast surreal – **MAMAN UND ICH** begeistert.

Freitag, 09. Mai 2014

Sterbebett und Salsa

Am letzten Pressetag der Woche gab es mal wieder ein Wechselbad der Gefühle.

OKTOBER NOVEMBER (1:1.85, DD

5.1)

Verleih: MFA (Filmagentinnen)
Land/Jahr: Österreich 2013
Regie: Götz Spielmann
Darsteller: Ursula Strauss, Nora von Waldstätten, Peter Simonischek, Sebastian Koch
Kinostart: 12.06.2014

Sonja und Verena sind zwei sehr unterschiedliche Schwestern. Während Sonja große Erfolge als Schauspielerin in Film und Fernsehen feiert und Affären nachgeht, kümmert sich Verena gemeinsam mit ihrem Mann um den kranken Vater und dessen Wirtshaus in den österreichischen Alpen, hat jedoch eine heimliche Affäre mit dem Arzt. Als der Vater im Sterben liegt, reist Sonja wieder zurück in die Heimat. Hier prallen nicht nur die beiden Schwestern ungebremst aufeinander, auch der Vater enthüllt ein streng gehütetes Familiengeheimnis... Für Regisseur Götz Spielmann war die zentrale Frage des Films die nach Identität. "Wer bin ich? Bin ich das, was ich sein will? Warum bin ich so wie ich bin? Bin ich das, was ich sein kann?" Diesen Kernfragen gehen seine Protagonisten in diesem kammerspielartigen Film nach. Schauspielerin Sonja (großartig gespielt von Nora von Waldstätten) spielt immer eine Rolle, auch wenn sie gar nicht am Film-Set ist, und erfährt im Laufe des Films, dass sie gar nicht die ist, die sie dachte zu sein. Ihre Schwester Verena führt ein Leben, das sie nie wollte, nur um ihren Vater glücklich zu machen. Die exzellente Kameraarbeit von Martin Gschlacht setzt die kalte, seelenlose Welt von Sonja in Kontrast zu der abgeschiedenen, einsamen (Berg)Welt von Verena. Spielmann konfrontiert sein grandioses Ensemble mit großen Fragen des Lebens, auf die er jedoch keine Antwort gibt. So bleibt der Film auch nach dem Kinobesuch noch lange im Gedächtnis und regt zur Auseinandersetzung mit dem komplexen Stoff an.

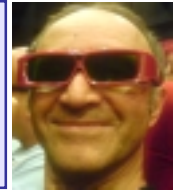

CUBAN FURY – ECHTE MÄNNER

TANZEN (1:2.35, DD 5.1)

OT: Cuban Fury
Verleih: Studiocanal
Land/Jahr: Großbritannien 2014
Regie: James Griffiths

Wolfram Hannemanns Film-Blog

Darsteller: Nick Frost, Rashida Jones,
Chris O'Dowd
Kinostart: 19.06.2014

Der Schönste war er noch nie, doch das Salsa-Fieber steckt in seinem korpulenten Körper: als Schüler nahm Bruce gemeinsam mit Schwesterchen Sam an jedem Salsa-Wettbewerb teil und sahnte jede Menge Trophäen ab. Bis zu jenem Abend, an dem er von ein paar Halbstarken auf übelste Weise gedemütigt wurde. Seither lautet Bruces Devise "Salsa ist etwas für Pussies" und seine Tanzschuhe wanderten in den Schrank. 25 Jahre sind vergangen und Bruce jobt als Maschinenkonstrukteur. An der Arbeit wird der Gutmütige immer wieder von seinem A-Loch-Kollegen Drew gemobbt, womit er sich längst abgefunden hat. Als jedoch eines Tages die attraktive Julia Chefin der Abteilung wird, ist es um Bruce geschehen. Und es kommt noch besser: Julia liebt Salsa! Bruce sieht seine große Chance. Doch Kollege Drew hat auch ein Auge auf die Chefin geworfen... Mögen Sie Salsa? Nach diesem Film ganz bestimmt! Denn die heißen Rhythmen auf der Tonspur des Films machen sich jedenfalls sofort in den Beinen bemerkbar. Alles andere hingegen läuft relativ harmlos ab und folgt (leider) bewährten Erzählmustern. Immerhin gibt es zwischen Anfang und Ende ein paar nette Gags, über die man gerne schmunzelt. Etwa wenn sich Bruce mit seinen beiden Golfpartnern zum wöchentlichen Training trifft und die drei Loser gegenseitig ihre neuesten Erfolge (oder besser: Misserfolge) bei der Frauenwelt abchecken. Oder ein Battle Dance zwischen Bruce und seinem Fieslings-Kollegen Drew auf dem Parkdeck der Firma. Hier gibt es dann sogar auch einen winzig kleinen Gastauftritt von Simon Pegg, Nick Frosts Buddy aus **SHAUN OF THE DEAD** und **HOT FUZZ**. Auch wenn man noch so sehr Sympathien für Nick Frosts Charakter Bruce aufbaut, wird man das Gefühl nicht los, dass er nur im Doppelpack mit Pegg zur echten Hochform auflaufen kann. **CUBAN FURY** ist gewiss keine schlechte Komödie, aber sie hätte gerne noch viel besser sein dürfen.

Todeskandidaten
Oder: der Tag der Taschentücher

DAS SCHICKSAL IST EIN MIESER VERRÄTER (1:1.85, DD 5.1)
OT: The Fault In Our Stars
Verleih: Fox
Land/Jahr: USA 2014
Regie: Josh Boone
Darsteller: Shailene Woodley, Ansel Elgort, Laura Dern, Willem Dafoe
Kinostart: 12.06.2014

Hazel und Gus lernen sich in einer Selbsthilfegruppe für Krebspatienten kennen und sind fasziniert voneinander. Mit seinem überschäumenden Temperament lockt Gus Hazel aus ihrer Depression heraus. Und es kommt noch besser: der junge Mann schafft es, einen E-Mail-Kontakt zu Peter van Houten herzustellen, dem Autor von Hazels absolutem Lieblingsbuch. Gemeinsam wollen sie van Houten in Amsterdam besuchen, eine Reise, die beide grundlegend verändern wird... Zugegeben: das Thema des Films wird uns in schöner Regelmäßigkeit von amerikanischen Filmemachern angeboten. Trotzdem empfiehlt es sich, bei diesem Kinobesuch Papiertaschentücher zur Hand zu haben. Grund dafür ist das ausgezeichnete Spiel der beiden Hauptdarsteller Shailene Woodley (sie erinnert an die frühe Winona Ryder) und Ansel Elgort, das die Zuschauer in seinen Bann ziehen wird und bei der höchst traurigen Geschichte mitleiden lassen wird. Sicherlich wird an der ein oder anderen Stelle auch etwas dick aufgetragen, doch geht das für diesen Film in Ordnung. Fazit: nichts bewegend Neues, dafür aber bewegend gespielt.

Dienstag, 13. Mai 2014
Von Klöstern und Urgiganten
Beim heutigen Pressedoppel gaben sich Filmkunst und Kommerzkinos die Klinke in die Hand.

METEORA (1:2.35, DD 5.1)
Verleih: Kairos
Land/Jahr: Deutschland, Griechenland 2012

Regie: Spiros Stathoulopoulos
Darsteller: Theo Alexander, Tamila Koulieva, Giorgos Karakantas
Kinostart: 12.06.2014

Theodoros ist Mönch, Urania ist Nonne. Und trotzdem lieben sie sich. Heimlich. Beide leben hoch oben in ihren Meteora-Klöstern in den Gebirgen Thessaliens. Die gegenseitige Sehnsucht wird immer stärker... Spiros Stathoulopoulos' Film spielt zwar in der Gegenwart, doch könnte er auch in jedem anderen Zeitalter angesiedelt sein. Denn sein Thema ist zeitlos: der Konflikt zwischen Geist und Körper. Bildgewaltig und mit altertümlicher Musik auf einer sehr präzisen Tonspur erzählt der Regisseur von einer verbotenen Liebe. Illustriert wird diese immer wieder durch eingeschobene Animationen im Stile mittelalterlicher Ikonenmalereien. Man könnte den Inszenierungsstil durchaus als sperrig bezeichnen, doch die beeindruckenden Bilder entschädigen dafür. Ein Wort der Warnung an allzu zart Besaitete: der Film wartet mit einer ziemlich derben Szene auf, die nichts für Vegetarier ist.

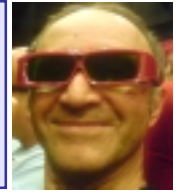

GODZILLA (1:2.35, 3D, DD 5.1 + 7.1 + Atmos)
OT: Godzilla
Verleih: Warner
Land/Jahr: USA 2014
Regie: Gareth Edwards
Darsteller: Aaron Taylor-Johnson, Ken Watanabe, Elizabeth Olsen, Juliette Binoche
Kinostart: 15.05.2014

Die Welt hält den Atem an, als in einem stillgelegten Atommeiler ein riesiges Urwesen zum Leben erwacht. Als sich das zerstörerische Untier auf den Weg in die USA macht, taucht plötzlich ein zweiter Gigant auf: Godzilla. Die Schlacht kann beginnen... Die japanische Monster-Ikone ist wieder zurück! Nachdem sich zuletzt Roland Emmerich recht langweilig an dem Giganten versucht hat, wagt es jetzt Gareth Edwards, der sich mit dem Film **MONSTERS** bereits erste Spuren mit riesigen Untieren verdient hatte. Doch irgendwie hat man das Gefühl, dass Edwards nichts Eigenes in den Film hin-

Wolfram Hannemanns

Film-Blog

einsteckt, sondern versucht, auf Spielberg zu machen. Das fängt bei ganz bestimmten Kameraeinstellungen an und endet mit Handlungssträngen, die auf die Tränendüse drücken sollen (keine Sorge: sie schaffen es nicht!). Abgesehen davon erweist sich der neue **GODZILLA** als ein richtiges Spektakel für Auge und Ohr. Selten hatten die Subwoofer soviel Arbeit zu leisten. Wer sich die richtige **GODZILLA**-Dröhnung geben möchte, der sollte ihn sich entweder in "Dolby Atmos" oder in einem IMAX-Kino anhören. Fazit: gutes Popcorn.Kino ohne Tiefgang, dafür aber viel Tiefbass.

Donnerstag, 15. Mai 2014

Die Mutanten sind los

Meine Frage des Tages: warum bleiben alle Medienvertreter ausgerechnet bei Marvel-Filmen bis zum bitteren Ende sitzen?

X-MEN - ZUKUNFT IST VERGANGENHEIT (1:2.35, 3D, DD 5.1 + 7.1 + Atmos)

OT: X-Men: Days Of Future Past

Verleih: Fox

Land/Jahr: USA 2014

Regie: Bryan Singer

Darsteller: Hugh Jackman, James McAvoy, Michael Fassbender, Sir Patrick Stewart, Sir Ian McKellen, Halle Berry, Anna Paquin, Ellen Page, Peter Dinklage, Nicholas Hoult, Omar Sy
Kinostart: 22.05.2014

Um ihrem tödlichen Schicksal in einer fernen Zukunft zu entgehen, schicken die Mutanten Wolverine zurück in die Vergangenheit. Dort soll er im Jahre 1973 mit Hilfe der jungen Mutanten einen Mord verhindern, den Raven/Mystique begeht und damit das Schicksal aller Mutanten besiegelt... Marvel schickt seine Mutanten wieder auf die große Leinwand und verspricht damit jede Menge Action und erstaunliche visuelle Effekte. Aber Obacht: wer sich in Marvels Universum nicht auskennt, dem wird sich der größte Teil der Geschichte leider nicht erschließen.

Daher der dringende Rat vor dem Kinobesuch: Hausaufgaben machen und die Filme der **X-MEN**-Reihe nacheinander anschauen. Wem jedoch die Story alles andere als wichtig ist, dem könnte Bryan Singers neuestes Update zum **X-MEN**-Franchise dennoch gefallen, liefert es doch wirklich alles, was für prikkelndes Popcorn-Kino benötigt wird: Action ohne Ende, visuelle Effekte soweit das Auge reicht, ein paar gut platzierte Gags und eine sehr körperbetonte Jennifer Lawrence.

Freitag, 16. Mai 2014

Überfall im Rollstuhl

Zum Abschluss der Pressewoche einmal mehr ein gemischtes Doppel

QISSA – DER GEIST IST EIN EINSAMER WANDERER (1:2.35, 5.1)

OT: Qissa: The Tale Of A Lonely Ghost

Verleih: Camino

Land/Jahr: Deutschland, Indien, Niederlande, Frankreich 2013

Regie: Anup Singh

Darsteller: Irrfan Khan, Tisca Chopra, Tillotama Shome

Kinostart: 10.07.2014

Mitte der 1940er-Jahre verliert der Sikh Umber Singh seine Heimat. Mit seiner Frau und den drei Töchtern flieht er von Pakistan nach Indien. Nichts wünscht er sich mehr als einen Stammhalter. Als seine Frau ihm jedoch eine vierte Tochter gebärt, weigert sich der Patriarch, dies zu akzeptieren. Er hält die wahre Identität der Tochter geheim und erzieht Kanwar wie einen Jungen. Als Kanwar jedoch mit dem Zigeunermädchen Neeli verheiratet werden soll, nimmt das Drama seinen Lauf... Was ein interessanter Film über das Thema lesbische Liebe hätte werden können, verkommt in der zweiten Hälfte des Films zu einer Art Märchen. Immerhin benennt der Film die Probleme, die in der patriarchalischen indischen Gesellschaftsform vorherrschen, in der Frauen offensichtlich nichts zählen. In den Hauptrollen gut gespielt und interes-

sant fotografiert, befriedigt der Film insgesamt nur eingeschränkt.

VIELEN DANK FÜR NICHTS (1:2.35, 5.1)

Verleih: Camino

Land/Jahr: Schweiz, Deutschland 2013

Regie: Oliver Paulus, Stefan Hillebrand

Darsteller: Joel Basman, Bastian

Wurbs, Nikki Rappel

Kinostart: 05.06.2014

Seit er nach einem Snowboard-Unfall an den Rollstuhl gefesselt ist, hat sich die Psyche des jungen Valentin gehörig verändert. Die ganze Wut über sein Schicksal lässt er an seiner Mutter aus. Um ihr eigenes Leben wieder in den Griff zu bekommen, verdonnert sie ihren Sohn zur Teilnahme an einem Theaterprojekt in einer Behinderteneinrichtung. Widerwillig lässt sich Valentin darauf ein. Alles ändert sich, als er sich mit zwei der anderen Rollstuhlfahrer anfreundet. Jetzt schmiedet er wieder Pläne: als Rollstuhlfahrer-Trio will er eine Tankstelle überfallen... Es ist immer etwas schwierig, einen Film über Behinderte zu machen. Oliver Paulus und Stefan Hillebrand sind in ihrem Film einen Schritt weiter gegangen und haben einige der Rollen mit echten Behinderten besetzt. Dadurch wirkt der Film zwar recht authentisch, doch gleichzeitig auch irgendwie amateurhaft – eine Mischung, die stört. Weit aus störender jedoch als diese Mischung ist die Story des Films. Wenn Valentin seine Betreuerin Mira anbaggert und die sich ziemlich schnell auf seine Avancen einlässt, dann ist so ein Verhalten leider alles andere als professionell und wird dadurch sofort als typisch kitschiges Filmklischee entlarvt.

Is This A Zombie?: The Complete Series (Blu-ray + DVD Combo Pack) (Blu-ray)

Some guys have no luck; He's got no pulse. That's life for poor unfortunate, undead Ayumu. First, he was murdered by a serial killer. Total lummer. Then he was resurrected as a zombie by a cute little Necromancer. That seemed pretty cool until she moved into his house, refused to speak, and forced his rotting carcass to do all the cooking. After that, a magical girl in a pretty pink dress used her matching chainsaw to chop his corpse in half. Luckily, the Necromancer's powers of resurrection trumped those of the chainsaw chick, so instead of dying (again), Ayumu became the world's first magical girl zombie. There's also a voluptuous vampire ninja who thinks zombie boy's a pervert - and a hideous crayfish demon who wants to devour him. Confused? All you gotta know is this: zombies, frilly dresses, demons, and moe chainsaws.

Action, Animation, Anime, Blu-ray, Comedy, Fantasy, Foreign, Japanese, Romance, Zombies 300min.

Mr. Magoo: The Theatrical Collection 1949-1959 / 1001

Arabian Nights (Double Feature)

Jim Backus

Since 1949, Mr. Magoo has bumbled his way to good fortune for more than six decades. His endearing misadventures in everyday life and his stubborn self-confidence have entertained generations. Voiced by the multitalented comedic actor Jim Backus, the nearsighted Mr. Magoo was an instant hit and went on to become a classic animated character starring in two Academy Award-winning theatrical shorts, three television series and two television specials. This special collector's edition brings together for the first time on DVD all 53 theatrical cartoons, including many in their original Cinemascope aspect ratio, plus the feature film 1001 Arabian Nights, all in one deluxe collection.

Animation, Boxed Sets, Classics, Comedy, Double Features, Family, Television 375min.

Tom And Jerry: Spotlight Collection Double Feature

Trends come and go; but the chase is eternal, just like the evergreen appeal of animation's supreme cat-and-mouse team! This second *Spotlight Collection* of *Tom and Jerry's* cartoon capers boasts 40 restored and remastered shorts (including their screen debut *Puss Gets the Boot*, in which Tom was called Japsér). This delicious assortment covers their golden years - including three Academy Award nominees* and six in their rarely seen widescreen CinemaScope - and includes spiffy, character-profiling *Special Features*. Get ready to duck, weave, jump and laugh and the hapless feline and the wily rodent take each other on. Tom may catch Jerry on occasion but no one really believes the adorable little mouse will come to harm. After all, it would have also meant the end to the most popular and beloved cat and mouse act in show business. This is the third and final *Spotlight Collection Volume* from the Hanna-Barbera era of theatrical shorts. It showcases 35 classic cartoons - 15 newly re-mastered in their original CinemaScope widescreen format. On any screen large or small, *Tom and Jerry* remain the friskiest animat

24 Exposures

Helen Rogers, Caroline White, Sophia Takal, Adam Wingard, Simon Barrett - Dir. Joe Swanberg
*When one of his models is brutally murdered, a fetish photographer finds himself suspected of the crime. But the involvement of an enigmatic homicide detective assigned to the case leads to a strange and disturbing bond between cop and criminal, as they discover they both share a love for the erotically violent. Before long each tries to ingratiate themselves into the other's life, but their mutual affection for the macabre and grisly may ultimately lead to horrific consequences for both. Starring the creators of *You're Next*, director Joe Swanberg's (*Drinking Buddies*) sexy thriller *24 Exposures* is an investigation of the thin lines separating reality from fiction, art from pornography, and life from death.* Crime, Drama, Movies, Thrillers 2013 78min.

300: Rise Of An Empire (Special Edition) (DVD + UltraViolet)

Callan Mulvey, Eva Green, Sullivan Stapleton, Andrew Tiernan, Rodrigo Santoro, David Wenham, Lena Headey, Hans Matheson - Dir. Noam Murro
After its victory over Leonidas' 300, the Persian Army under the command of Xerxes marches towards the major Greek city-states. The Democratic city of Athens, first on the path of Xerxes' army, bases its strength on its fleet, led by admiral Themistocles. Themistocles is forced to an unwilling alliance with the traditional rival of Athens, oligarchic Sparta whose might lies with its superior infantry troops. But Xerxes still reigns supreme in numbers over sea and land.

Apokalips X

Azwan Annuar, Vasantha Kumaran, Zoe Tan, Dazrin Kamarudin, Iqram Dinzly, Miera Leyana, Adam Af, Farid Kamil, Jehan Miskin, Pekin Ibrahim, Peter Davison - Dir. Mamat Khalid
Chemical warfare has destroyed the world leaving only a handful of teens and youngsters alive, struggling to carve out a place in society. Three clans control the territory, each with their own loyal followers. But within the clans themselves, there is conflict. Juniors begin blaming seniors for what has happened, causing an internal power struggle. Tensions run high when sisters and brothers come together in an explosive fight over a forbidden love and a clan member is severely injured. Will the clans abide by the treaty that has kept what's left of the world from the brink of chaos? Do those who remember the old world now have no choice but to fight? Or is the treaty strong enough to stop the Apokalips...

Bad Words

Kathryn Hahn, Jason Bateman, Allison Janney - Dir. Jason Bateman
Jason Bateman makes his feature directorial debut with the subversive comedy, Bad Words. Bateman stars as Guy Trilby, a 40-year-old who finds a loophole in the rules of The Golden Quill national spelling bee and decides to cause trouble by hijacking the competition. Contest officials, outraged parents, and overly ambitious 8th graders are no match for Guy, as he ruthlessly crushes their dreams of victory and fame. As a reporter (Kathryn Hahn) attempts to discover his true motivation, Guy finds himself forging an unlikely alliance with a competitor: awkward 10-year-old Chaitanya (Rohan Chand), who is completely unfazed by Guy's take-no-prisoners approach to life. Critics rave, Bad Words is „the funniest, smartest, most entertaining comedy in a long time!“ (Pete Hammond, Movieline)

The Best Offer

Sylvia Hoeks, Jim Sturgess, Dermot Crowley, Philip Jackson, Geoffrey Rush, Donald Sutherland - Dir. Giuseppe Tornatore

From the director of Cinema Paradiso comes a romantic thriller with a playful side that proves love is worth bidding on at any price. When a mysterious heiress asks famed but unscrupulous art appraiser and auctioneer Virgil Oldman (Academy Award winner Geoffrey Rush) to evaluate her late parents' collection yet remains forever unseen behind closed doors, it ignites a spark of curiosity in the normally austere Virgil that soon grows into an all-out obsession. Before long everything in Virgil's carefully constructed life threatens to come apart as he delves ever further into the world of intrigue surrounding his enigmatic employer. Co-starring Donald Sutherland (The Hunger Games) and Jim Sturgess (Cloud Atlas), director Giuseppe Tornatore's The Best Offer is a unique take on a seemingly doomed romance from one of cinema's greatest artists.

Bordertown: Seasons One And Two

Sophia Barjac, John H. Brennan, Richard Comar, Lionel Siegel

Relive all the moments of raucous action, edge-of-your-seat drama and comedic relief that the first two seasons of Bordertown have to offer. In 52 unforgettable episodes, this Western series promises the kind of entertainment any audience can appreciate. In 1880, Pemmican lay at the western edge of the Great Plains. Nearly a decade later, surveyors of the 49th parallel reached the small community to find it straddling the new Canadian-U.S. border. Now known as Bordertown, local law enforcement is dealt with on one side by Clive Bennett, a Mountie, and on the other by U.S. Marshal Jack Craddock. Not only are Clive and Jack forced to share a jurisdiction and an office, they also share a love for the same woman. Whether they're fighting for justice or fighting each other, there's plenty going on in Bordertown!

A Day Late And A Dollar Short

Anika Noni Rose, Kimberly Elise, Mekhi Phifer, Ving Rhames, Whoopi Goldberg
Based on Terry McMillan's best-selling novel, A Day Late And A Dollar Short, stars Academy Award, Golden Globe, Daytime Emmy, Grammy, and Tony Award winner Whoopi Goldberg as irascible matriarch Viola Price. When Viola learns that her next asthma attack is likely to kill her, she sets out to fix her fractured family before she sets foot anywhere near the grave. Proudly choosing to keep her health issues a secret, she contends with sibling rivalry, teen pregnancy, and prescription drug addiction and that's just one of her four kids. There's also a jailbird son to teach how to be a better father, a granddaughter in big trouble, and an estranged husband to rescue from his scheming young girlfriend. It's the kind of meddling the Price family hasn't experienced from Viola in decades, and she won't have an easy time bending her loved ones to her will.

A Farewell To Fools

Gheorghe Visu, Alexandru Bindea, Hubert Damen, Gabriella Baluta, Adina Cartianu, Bogdan Iancu, Laura Morante, Daniela Nane, Gerard Depardieu, Harvey Keitel - Dir. Bogdan Dreyer

Once upon a time, during WWII, somewhere in Nazi occupied Romania, a night of comic misadventures ensues when a boy discovers a dead soldier. The German authorities demand that the perpetrator must be identified or the town leaders will be shot the following morning. In their desperation, led by Father Johannis (Harvey Keitel), their salvation seems to lie in convincing the town „fool“, Ipu (Gerard Depardieu), to agree to confess, and save them all with his sacrifice. The comedy and darker sides of human nature race toward the deadline where one cannot help but wonder who, in fact, is the actual „fool“?

Flying Tigers

John Wayne, Anna Lee, John Carroll - Dir. David Miller

Prior to the Japanese attack on Pearl Harbor, a small and daring band of American mercenaries soared into battle against Japan in defense of China's freedom. The 'Flying Tigers' were heroic adventurers and America's hottest ace pilots. Possessing unmatched skill and bravery, Capt. Jim Gordon (John Wayne, The Fighting Kentuckian, Wyoming Outlaw), was the Tigers' leader and top gun. Gordon faces a battle on and off the ground when his good friend and ace pilot, Woody Jason (John Carroll, Hit Parade of 1943) is suspected of recklessly and selfishly endangering the lives of his fellow pilots. Gordon's fight to retain his respect for Woody while maintaining the solidarity of his pilots is an explosive battle of courage and heroism that lights up the sky with action. Directed by the great and underrated David Miller (Lonely Are The Brave, Sudden Fear) with a rousing score by Victor Young (My Favorite Spy, The quiet Man). Nominated for three Academy Awards in 1942.

Holy Ghost People

Emma Greenwell, Joe Egenger, Brendan McCarthy, Cameron Richardson, Roger Aaron Brown, Don Harvey - Dir. Mitchell Altieri

Buried deep in the Appalachian mountains, mysterious preacher man Brother Billy demands total loyalty from his congregation of snake-handling misfits, who risk death to get closer to God. When a young woman searching for her sister visits the church, she is drawn into Billy's dangerous game and must face her own dark past if she wants to uncover the truth behind the Church of One Accord. „Holy Ghost People“ is packed with visceral filmmaking that doesn't pull punches. Joe Egenger gives one of SXSW's stand-out performances.“ (Ryland Aldrich, Twitch).

Home Of The Brave (Blu-ray)

Douglas Dick, Steve Brodie, Jeff Corey, Frank Lovejoy, James Edwards, Lloyd Bridges - Dir. Mark Robson

Based on a play by Arthur Laurents (*Rope*), *Home Of The Brave* recounts the story of a young black soldier who has suffered a nervous breakdown and developed psychosomatic paralysis. Crippled by rage and trauma, his condition was induced by experiences encountered during a reconnaissance mission combined with a lifetime of racial discrimination. He may be able to walk again, but only if he can overcome his anger and frustrations. The film's theme revolves around a diverse group of men subjected to the horror of war and their individual struggles. *Home Of The Brave* was one of Hollywood's first bold statements regarding the issue of race. The cast includes Frank Lovejoy, Lloyd Bridges, Douglas Dick, James Edwards, Steve Brodie and Jeff Corey. Produced by Stanley Kramer (*On The Beach*) and directed by Mark Robson (*Champion*) with a screenplay by Carl Foreman (*High Noon*).

Drama, War, World War II 1949 86min.

Jarhead 2: Field Of Fire

Ralitsa Paskaleva, Jesse Garcia, Ronny Jhutti, Josh Kelly, Esai Morales, Cole Hauser, Stephen Lang, Bokeem Woodbine - Dir. Don Michael Paul

Battle-scarred and disillusioned by the war, Corporal Chris Merriman is put in charge of a unit whose next mission is to resupply a remote outpost on the edge of Taliban-controlled territory. While driving through the hostile Helmand province, a Navy Seal flags down their convoy and enlists the unit on an operation of international importance: they must help an Afghan woman famous for her defiance of the Taliban escape the country. Without tanks or air support, Merriman and his team will need all the courage and firepower they can muster to fight their way across the war-torn country and shepherd the woman to safety. Intense and action-packed, *Jarhead 2: Field Of Fire* stars Stephen Lang (*Avatar*), Esai Morales (*Criminal Minds*), Cole Hauser (*Olympus Has Fallen*), and Bokeem Woodbine (*Riddick*).

L.A. Law: Season Two

Susan Ruttan, Jill Eikenberry, Michele Greene, Richard A. Dysart, Harry Hamlin, Susan Dey, Michael Tucker, Corbin Bernsen, Jimmy Smits, Alan Rachins

All rise! L.A. Law: Season Two is now in session! The ambitious legal eagles from the firm of McKenzie, Brackman, Chaney and Kuzak return for another Emmy-nominated docket of cases loaded with both emotion and irreverence. In Season Two, the high-powered legal team (an outstanding ensemble cast including Harry Hamlin, Susan Dey, Corbin Bernsen, Jill Eikenberry, Alan Rachins, Michelle Greene, Susan Ruttan, Michael Tucker, Jimmy Smits, and Richard Dysart) adds some new faces to its ranks: the charismatic young associate Jonathan Rollins (Blair Underwood) and Benny Stulwicz (Larry Drake), a developmentally disabled clerk. Together, they tackle some of the City of Angels' toughest trials - both in the courtroom and in their personal lives. Created by Emmy Award-winning show-runner Steven Bochco and Louise Fisher, all 20 episodes from Season Two showcase the quality writing and acting that has made L.A. Law one of television's all-time favorite dramas.

Mr. Jones (Blu-ray)

Mark Steger, Sarah Jones, Jon Foster, David Clennon - Dir. Karl Mueller
Scott (Jon Foster of Stay Alive) and Penny (Sarah Jones Of Sons Of Anarchy) just moved to a remote cabin to escape the pressures of the world and breathe new life into their art. They will soon discover they are not alone: an infamously reclusive artist - known only as 'Mr. Jones' - lives nearby. He doesn't like to be disturbed, and only comes out at night when he drags his strange, sinister sculptures deep into the woods. But when Scott and Penny's curiosity leads them to venture too close for Mr. Jones' comfort, he plunges the young couple into a nightmare world of mayhem, madness and mind-bending terror. Diane Neal (Law & Order: SVU) and David Clennon (John Carpenter's The Thing) co-star in this startling tale from debut director Karl Mueller (writer of The Divide) and from the producer of the Sundance Film Festival hit The Pact.

Newhart: The Complete Third Season

Peter Scolari, Tom Poston, John Voldstad, Mary Frann, Julia Duffy, Bob Newhart, William Sanderson

Bob Newhart and company invite you to check in to the Stratford Inn for Newhart: Season 3, a delightful collection of some of the 1980s' finest television comedy. Dick Loudon (Newhart) and his wife Joanna (Mary Frann) have their hands full running their quaint colonial inn. In addition to the seemingly never-ending parade of unusual guests, they must contend with the quirky antics of their employees and friends: the spoiled maid Stephanie (Julia Duffy), dim-bulb handyman George (Tom Poston), and the back(wards) woodsmen Larry, Darryl, and Darryl (William Sanderson, Tony Papenfuss, and John Voldstad.) And to top it off, Dick has become the host of the small-time talk show „Vermont Today," produced by the upwardly-mobile Michael (Peter Scolari). All 22 episodes from the Emmy-nominated third season are here to deliver the off-kilter, character-based comedy that endeared Newhart to critics and audiences alike.

No God, No Master

Alessandro Mario, Sam Witwer, Edoardo Ballerini, Ray Wise, James Madio, David Strathairn - Dir. Terry Green

When a series of package bombs show up on the doorsteps of prominent politicians and businessmen in the summer of 1919, U.S. Bureau of Investigation agent William Flynn (Strathairn) is assigned the task of finding those responsible. He becomes immersed in an investigation that uncovers an anarchist plot to destroy democracy. Inspired by true events of the 20's, the film sets the stage for a timely thriller with resoundingly similar parallels to the contemporary war on terrorism and the role government plays to defeat it.

No Vacancy (DVD + UltraViolet)

Denyce Lawton, Kristen Quintrall, Christopher Jones

When their car breaks down, seven friends on a road trip to Las Vegas are forced to stop at a roadside motel for help. With no other option, the friends are convinced to spend the night but soon realize they are trapped, then are tortured and killed off one at a time. Now, they'll need to work together and fight to survive the seemingly helpful group of people who have turned their overnight stay into a dreadful, gory nightmare.

Norman

Billy Lush, Dan Byrd, Emily Vancamp, Adam Goldberg, Richard Jenkins - Dir. Jonathan Segal

Norman (Dan Byrd) is a painfully self-conscious and darkly funny teen who's just trying to handle his daily high-school existence. In the wake of a grave family tragedy, Norman unintentionally gets caught in a lie that quickly spirals out of control. With love, humility and a heavy dose of truth, Norman emerges to face a burning set of conflicting emotions as he wrestles to define his relationship with his dying father (Richard Jenkins), his soul-stirring connection with his classmate Emily (Emily VanCamp), and ultimately who he will

Nosferatu: The Vampyre (Blu-ray)

Klaus Kinski, Bruno Ganz, Isabelle Adjani - Dir. Werner Herzog
It is 1850 in the beautiful, perfectly-kept town of Wismar. Jonathan Harker is about to leave on a long journey over the Carpathian Mountains to finalize real estate arrangements with a wealthy nobleman. His wife, Lucy, begs him not to go and is troubled by a strong premonition of danger. Despite her warnings, Jonathan arrives four weeks later at a large, gloomy castle. Out of the mist appears a pale, wraith-like figure with a shaven head and deep-sunken eyes who identifies himself as Count Dracula. The event that transpire slowly convince Harker that he is in the presence of a vampyre. What he doesn't know is the magnitude of danger he, his wife and his town are about to experience.

Pirates Of The Caribbean: At World's End (Blu-ray + DVD) (Blu-ray)

Orlando Bloom, Keira Knightley, Jack Davenport, Bill Nighy, Stellan Skarsgard, Jonathan Pryce, Johnny Depp, Geoffrey Rush - Dir. Gore Verbinski
Just when he's needed most, Captain Jack Sparrow (Johnny Depp), that witty and wily charmer of a pirate, is trapped on a sea of sand in Davy Jones' Locker. In an increasingly shaky alliance, Will Turner (Orlando Bloom), Elizabeth Swann (Keira Knightley) and Captain Barbossa (Geoffrey Rush) begin a desperate quest to find and rescue him. Captain Jack's the last of the nine Pirate Lords of the Brethren Court who must come together united in one last stand to preserve the freedom-loving pirates' way of life. From exotic Singapore to World's End and beyond, from Shipwreck Island to a titanic battle, this adventure's filled with over-the-edge action, irreverent humor and seafaring myth and magic. Everything has led to this twisting, turning, wild swashbuckling ride in this final chapter of the Pirates Of The Caribbean trilogy.

Power Rangers Turbo: Volume 2

The five Turbo Rangers use their new powers, weapons and high-tech supercharged vehicles to battle evil at faster speeds than ever before. The beautiful yet vicious space pirate Divatox follows the Power Rangers to Angel Grove to get revenge for ruining her planned wedding to the volcanic island deity Maligore. From her mobile Subcraft armed to the gills with torpedoes and explosives, and crewed by a motley bunch of monsters, she relentlessly pursues our heroes. But the Rangers are not alone in their fight, as they are aided by Dimitria, a wise sage and friend of Zordon; Alpha 6, and advanced robotic sidekick with a streetwise demeanor; the Blue Senturion, a robotic intergalactic traffic cop from the future; and the elusive Phantom Ranger, a one-man army whose very identity is a mystery. An all-new team of Rangers is armed and ready to carry on the Power Rangers legacy!

The Real Decameron

Christa Linder, Orchidea De Santis, Toni Ucci, Rosalba Neri - Dir. Mario Caiano

Unbeknownst to their husbands, a group of really mischievous girls just want to have fun even though the men from the clergy and their legitimate husbands as well might have something to object to their desires. Therefore these girls are forced to use all their astute ruses in order to escape those who want to interfere in their right to have a few healthy jumps in the sack. Hot on the trails of Pasolini's Decameron, the sleaze-meisters of Italo exploitation unleashed a flood of similarly themed erotic sex comedies that held the Italian box-office hostage with its titillating crude politically incorrect jokes and the breathtaking raunchy beauty of its primadonnas. The Real Decameron stars Rosalba Neri of Slaughter Hotel fame, Christa Linder (Jack Hill's Alien Terror) and Orchidea De Santis (Rino Di Silvestro's Red Light Girls) and is a must see for devout fans of euro exploitation. Also known as The Sexbury Tales, this naughty gem is a romper stomper of a steaming comedy!

RiffTrax: Ghosthouse

Bill Corbett, Michael Nelson, Kevin Murphy, Josh Gemma

Yes, Ghosthouse is a film about a dead little girl who has an evil clown doll that commands her to kill. That's all well and good. But it's the little things about Ghosthouse that really make you stand up and say „Wait, what?“ Teh star of Ghosthouse is a Ham Radio operator who, Hey, Get Back Here!!! Anyway, this Ham Radio operator one day asks a fellow Ham Radio operator „Who is more popular in Denver, Kim Basinger or Kelly LeBrock?“ This has nothing to do with the plot of Ghosthouse, but we just wanted to point out that this question was raised in an actual movie. So Ham Radio guy and his ambiguously European girlfriend eat some chili, debate Ham Radio ethics, then go to the Ghosthouse where they meet a guy named Jim Dalen. We learn a lot about Jim Dalen, who's staying inside in an RV with, among others, his sister Tina. That would be Tina Dalen. Jim Dalen's sister. Oh, and sooner or later, lots of people die. But in the meantime, spend some time with Jim Dalen, Tina Dalen, and Kelly LeBrock. Then come back when you're ready to discuss the film. We're gonna get some chili.

The Selfish Giant

Elliott Tittensor, Rhys McCoy, Rebecca Manley, Ian Burfield, Shaun Thomas, Conner Chapman, Steve Evets, Siobhan Finneran, Sean Gilder, Ralph Ineson, Lorraine Ashbourne - Dir. Clio Barnard

One of the most acclaimed films of the year, The Selfish Giant is the moving story of 13-year-old best friends for whom the joys of boyhood are almost nonexistent. Diminutive, hyperactive Arbor and shy Swifty stick together to battle bullies at school and poverty at home. One fateful night, the boys witness men trying to steal power cables - and manage to make off with the valuable wires themselves. They sell them to a shady scrap dealer, Kitten (Sean Gilder, Shameless), beginning a criminal arrangement in which the two boys trade whatever metals they can swipe for quick cash. But when the vindictive Kitten learns that Arbor has stolen from him, he sends the boys off on a dangerous mission, leading to a shattering climax. Echoing the unfettered depiction of British working class life of Ken Loach, The Selfish Giant is a contemporary take on the Oscar Wilde fable and a stunning debut feature from director Clio Barnard (The Arbor).

Ironside - Dir. Wiebke von Carolsfeld

A lushly romantic heartbreaker set on the Emerald Isle, Stay stars Taylor Schilling (Orange is the New Black) and Aidan Quinn (Legends Of The Fall) as Abbey and Dermot, a couple struggling to find their way in life. After retreating to the rugged expanse of the Irish countryside, the couple's happy existence is upended when Abbey (Taylor Schilling) discovers she's pregnant. Dermot (Aidan Quinn), much older and battling the ghosts of his past, has no interest in being a father. Abbey flees home to Montreal, seeking to understand the wreckage of her own family by visiting her alcoholic father (Michael Ironside). With their lives now at a crossroads, Abbey and Dermot's relationship hangs in the balance. They must both face the truth of who they are and which path in life they take that will finally lead them home.

Vampire Academy (Blu-ray + DVD + UltraViolet) (Blu-ray)

Dominic Sherwood, Danila Kozlovsky, Lucy Fry, Zoey Deutch, Sami Gayle, Sarah Hyland, Olga Kurylenko, Cameron Monaghan, Joely Richardson, Gabriel Byrne - Dir. Mark Waters

Based on the best-selling novel by Richelle Mead, Vampire Academy tells the story of two 17-year-old girls, Rose Hathaway (Zoey Deutch), a rebellious half-vampire/half-human who is training to be a guardian at St. Vladimir's Academy and her best friend, Princess Lissa Dragomir (Lucy Fry), a peaceful, mortal vampire. After ditching school and being on the run for a year, Rose and Lissa are caught and brought back to the Academy. Lissa struggles to reclaim her social status while Rose risks everything in an attempt to protect her best friend from the immortal, evil vampires that lurk just outside the walls of their school.

The Virginian: The Complete Season Eight

John Smith, Alan Hale Jr., David Hartman, Doug McClure, Desi Arnaz, Anne Baxter, Edgar Buchanan, James Drury, John McIntire, James Gregory, Burgess Meredith, Art Carney, Yvonne De Carlo, Jeanette Nolan, Neville Brand, Pete Duel

Owen Wister's 1902 western novel The Virginian was one of the first great novels of the American West. Set in the semi-mythical town of Medicine Bow, Wyoming in the 1890s, it chronicled the lives and relationships of the people who came west and settled the wild land. The Virginian was the first 90 minute television western, airing in prime time on NBC from 1962-1971. The eighth and final season of The Virginian was followed by a single season of The Men From Shiloh, a show featuring the same characters and setting but told in a new and different format. The stellar cast from Season Eight includes James Drury, Doug McClure, John McIntire, Jeanette Nolan and Sara Lane. They are joined by a distinguished array of guest stars, including Art Carney (The Honeymooners), Neville Brand (Laredo), Desi Arnaz (I Love Lucy), Edgar Buchanan (Petticoat Junction), Burgess Meredith (Rocky), Alan Hale, Jr. (Gilligan's Island) and many more!

The Virginian: The Complete Season Six

John Smith, Pete Duel, Jeanette Nolan, Yvonne De Carlo, David Hartman, Doug McClure, Anne Baxter, James Drury, John McIntire, James Gregory, Burgess Meredith

Owen Wister's 1902 western novel The Virginian was one of the first great novels of the American West. Set in the semi-mythical town of Medicine Bow, Wyoming in the 1890s, it chronicled the lives and relationships of the people who came west and settled the wild land. The Virginian was the first 90 minute television western, airing in prime time on NBC from 1962-1971. Season Six of The Virginian saw James Drury and Doug McClure continue their roles as The Virginian and Trampas, but as in the previous seasons, there were changes in Medicine Bow. The great Charles Bickford (John

Grainger) passed away mid-season, and was replaced by Wagon Train's John McIntire as the new proprietor of the Shiloh Ranch, Clay Grainger. McIntire's real-life wife, Jeanette Nolan, took the role of Clay's wife, Holly. Sara Lane, Don Quine and Clu Gulager rounded out the cast of Season Six and the saga of Medicine Bow went on. They were joined by a distinguished array of guest stars, including Charles Bronson (The Reckoning), Darren McGavin (The Deadly Past), James Whitmore (Paid In Full), Susan Oliver (A Small Taste Of Justice).

Werewolf

Luis Induni, Silvia Solar, Paul Naschy - Dir. Miguel Iglesias

Waldemar (Paul Naschy) is on its way on the Himalayan heights tracking down the legendary Yeti. Falling in the hands of beautiful cannibal nymphs, he's forced into a black magic ritual that puts the foul curse of the abominable werewolf on his body and soul. Torn between his scientific mind and the abyssal depths of the new savagery unleashed by the beast inside him, Waldemar finally meets the Yeti... Behold, the mighty Paul Naschy is back! Werewolf is without any doubt one of the most outrageous shockers conceived by his feverish mind! Directed by Miguel Iglesias (1915-2012), the man behind lurid cults such as Naked Killers and Presage, Werewolf is an exercise in madness. A no holds barred action-horror flick that brings a new meaning to euro exploitation, it will wet all your desires and then some. Please fasten your seat-belt: for you're invited for a ride that brings back all the good ol' thrills for the heyday of long forgotten grindhouse classics!

Theatreland

Ronald Pickup, Anna Friel, Joseph Cross, Simon Callow, Patrick Stewart, Ian McKellen - Dir. Chris Terrill

Theatre Royal Haymarket is one of London's premier West End playhouses. In 2009, it mounted the most successful production ever of Samuel Beckett's Waiting For Godot, Starring Ian McKellen (The Lord Of The Rings trilogy, X-Men) and Patrick Stewart (X-Men, Star Trek: The Next Generation), it ran for 172 sold-out performances. Godot was followed by the first ever staged adaptation of Truman Capote's Breakfast At Tiffany's. Filmed over six months, this documentary series goes behind the scenes of both productions to reveal what makes a West End theatre trick.

Meet the stars, the artistic director, the managers, stagehands, carpenters, and ushers. Explore the Haymarket, one of London's oldest theatres, with 100-year-old seats and plumbing to match. Audiences realize none of this as the lights dim and the magic begins. From the first read-through to the final curtain call, this is theatre as you've never seen it before. Also featuring Simon Callow (Four Weddings And A Funeral), Ronald Pickup (The Best Exotic Marigold Hotel), Joseph Cross (Lincoln), and Anna Friel (Pushing Daisies). Woodstock: 40th Anniversary Limited Edition Revisited (Blu-ray)

1969 was a year unlike any other. Man first set foot on the moon. The New York Mets won the World Series against all odds. And for three days in the rural town of Bethel, New York, half a million people experienced the single most defining moment of their generation; a concert unprecedented in scope and influence, a coming together of people from all walks of life with a single common goal: Peace and music. They called it Woodstock. One year later, a landmark Oscar-winning documentary captured the essence of the music, the electricity of the performances, and the experience of those who lived it. Newly remastered, the film features legendary performances by 17 best selling artists.

After Tiller

Since the assassination of Dr. George Tiller in 2009, there are only four American doctors left who openly provide third-trimester abortions - Dr. LeRoy Carhart, Dr. Warren Hern, Dr. Susan Robinson, and Dr. Shelley Sella. After Tiller paints a complex, compassionate portrait of these physicians who have become the new, number-one targets of the anti-abortion movement, yet continue to risk their lives every day to do work that they believe is profoundly important for their patients' lives. The film weaves together revealing interviews with the doctors with intimate scenes from inside their clinics, where they counsel and care for patients at an important crossroads in their lives. By sharing the moving stories of several of these patients, After Tiller illuminates the experiences of women who seek later abortions and their reasons why.

Amish Mafia: Season one

Although the Amish deny its very existence, season one introduces you to the sordid subculture of the Amish known as the Amish Mafia. Lurking within the quiet community of Lancaster, Pennsylvania, Levis gang serves as the law, judge, insurance, and bank, dealing with the „English world“ and trying to solve disputes before they're taken to the church. But with organized barn fights, hot parties, guns, running from the police, and „green corn“ (Amish for marijuana), there's more to this mafia than the „righteous justice“ they uphold. When Levis crew breaks up, the producers track down members from the Lancaster and Ohio mafias, addressing the questions about their lives and the authenticity of the show, culminating in an explosive season finale.

Weekend Of A Champion

Helen Stewart, Jackie Stewart, Roman Polanski - Dir. Frank Simon

In 1971, filmmaker and racing fan Roman Polanski spent a weekend with world champion driver Jackie Stewart as he attempted to win the Monaco Grand Prix. Polanski was given intimate access to Stewart's world for three days, both on the track and off. The result was *Weekend Of A Champion*, an extraordinarily rare glimpse into the life of a gifted athlete at the height of his powers. Now after forty years, Polanski and Stewart revisit the film, looking back with both nostalgia and the temperance that comes with age. Featuring a newly-filmed postscript, *Weekend Of A Champion* is here presented as both a timeless relic of the racing world in the early 70s and a fond tribute to the enduring power of the sport.

Auto Racing, Documentary, Special Interest 94min.

When I Walk

In 2006, 25 year old Jason DaSilva's legs stopped functioning and he collapsed. Months earlier, doctors had diagnosed him with multiple sclerosis, which can lead to loss of vision, muscle control, and a myriad of other complications. As his illness worsens, Jason picks up the camera, turns it on his declining body, and sets out on a worldwide journey of healing, self-discovery and love.

Documentary, Health, Special Interest 85min.

WWE: Wrestling's Greatest Factions (Blu-ray)

Sting, Arn Anderson, Lex Luger, Iceman King Parsons, The Four Horsemen, Randy Orton, John Cena, Chris Jericho, Edge, Ric Flair, Hulk Hogan, Sheamus

For decades they have stood united, sparking rebellions, protecting their own, and running roughshod over the competition. Factions are woven into the fabric of sports-entertainment as the rules they tend to ignore. Now, celebrate 20 of the coolest, baddest and most dominant stables in history as *WWE Presents: Greatest Wrestling Factions*.

Special Interest, Sports, Sports Entertainment, Television, Wrestling & Fighting, WWE 480min.
