### Glück – was ist das?

Eine Komödie mit philosophischen Ansätzen läutete meine recht volle Pressewoche heute ein.

### HECTORS REISE ODER DIE SUCHE NACH DEM GLÜCK (1:2.35, DD 5.1)

OT: Hector And The Search For Happiness

Verleih: Wild Bunch

Land/Jahr: Deutschland, Kanada 2014

Regie: Peter Chelsom

Darsteller: Simon Pegg, Rosamund Pike, Christopher Plummer

Kinostart: 14.08.2014

Hector ist ratlos. Als Psychiater in London will es ihm einfach nicht mehr gelingen, seine Patienten glücklich zu machen. Aber ist er denn überhaupt selber glücklich? In der Beziehung mit seiner Freundin jedenfalls läuft alles nach Plan – jeder Handgriff sitzt. Aber genau das ist vielleicht ja zuviel des Guten. Hector zieht die Notbremse und beschließt, die Welt zu bereisen und nach dem Glück zu suchen. Sein Weg führt ihn nach China, Afrika und Los Angeles. Und überall findet er Menschen, die glücklich sind... Ähnlich wie Ben Stiller als **WALTER MITTY** zu Jahresbeginn begibt sich auch Simon Pegg in der Rolle des etwas exzentrischen Psychiaters Hector auf eine Reise in entlegene Länder. War es bei Stiller noch eine Sinnsuche, ist es bei Pegg die Suche nach einer Definition für Glück. Im Laufe seiner Reise wird Hector eine Vielzahl von Glücksmomenten finden, die er fein säuberlich in sein Tagebuch schreibt. Und es sind ganz unterschiedliche Varianten des Glücks, die ihm begegnen. Man könnte fast sagen, es sind genauso viele Arten von Glück wie es Menschen auf der Welt gibt. Am Ende freilich wird es den verschrobene Sonderling natürlich zu seinem ganz eigenen Glück führen. Das kommt dann zwar nicht ganz unerwartet, wird aber gerne angenommen. Weit weniger angenommen werden kann dagegen die Mixtur aus an Slapstick grenzendem Humor und beinharder Realität, so wie in jener Episode, in der Hector in Afrika entführt und gefangen gehalten wird. Mit einem solch

krassen Gegensatz rechnet man ganz gewiss nicht und so wundert es nicht, dass diese Episode als störend empfunden wird. Dank der flotten Inszenierung und der guten Darsteller aber überwiegt der positive Eindruck, der allenfalls durch die sich in den Vordergrund spielende Filmmusik etwas getrübt wird.

### Zweiter Frühling und zweite Chance

Das heutige Doppel brachte unter anderem ein Wiedersehen mit der schönsten Frau Frankreichs

### EIN AUGENBLICK LIEBE (1:2.35, DD 5.1)

OT: Une Rencontre

Verleih: Alamode (Filmagentinnen)

Land/Jahr: Frankreich 2014

Regie: Lisa Azuelos

Darsteller: Sophie Marceau, François Cluzet, Lisa Azuelos

Kinostart: 07.08.2014

Elsa und Pierre lernen sich zufällig auf einer Buchmesse kennen. Sie ist erfolgreiche Autorin und alleinerziehende Mutter dreier Kinder, er ein erfolgreicher Strafverteidiger und glücklich verheiratet mit Kind. Von der ersten Sekunde an funkt es zwischen den beiden. Doch nichts passiert. Doch der Zufall will es, dass sie sich ein zweites Mal begegnen. Ihr Flirt wird intensiver... Lisa Azuelos' Film richtet sich an alle Romantiker im Publikum – und ganz speziell an jene mit ein bisschen Lebenserfahrung! Auf wunderbare Weise zelebriert der Film jenen Moment, in dem sich zwei Menschen gegenseitig unwiderstehlich anziehen, sich aber mit Rücksicht auf ihr bisheriges Leben einfach nicht – oder besser: noch nicht – aufeinander einlassen können. In Gedanken spinnt der Film oft fort, was wohl passieren wird, wenn sich Elsa und Pierre zueinander bekennen würden. Erst in letzter Sekunde erkennen wir als Zuschauer, dass dies nur Präventivphantasien sind, die uns der vorzüglich fotografierte Film (Kamera: Alain Duplantier; in ausgewählten Kinos in 4K-Auflösung) ab und zu serviert. Und genau in diesem Moment sind wir dankbar dafür, dass dieses

“Worst Case“-Szenario nur ein Gedankenspiel ist. Der Film ist voll von solchen falschen Fährten und man verzeiht es ihm immer wieder. Denn es macht richtig Laune, dem Film immer wieder mal auf den Leim zu gehen. Das Gefühl der Verliebtheit, jenen zweiten Frühling, den die Protagonisten erleben dürfen – Azuelos' Film bringt ihn auf den Punkt. Mit kleinen Gesten, mit den eingespielten Songs, mit Slow Motion. Dabei bilden Sophie Marceau und François Cluzet ein absolutes Traum-paar, das es hervorragend versteht, ihre Gefühle von der Leinwand in den Zuschauerraum zu transportieren. **EIN AUGENBLICK LIEBE** empfiehlt sich als das perfekte Date-Movie. Probieren Sie es aus!

### CAN A SONG SAVE YOUR LIFE?

(1:1.85, DD 5.1)

OT: Begin Again

Verleih: Studiocanal

Land/Jahr: USA 2013

Regie: John Carney

Darsteller: Keira Knightley, Mark Ruffalo, Hailee Steinfeld

Kinostart: 28.08.2014

Der abgehalfterte Musikproduzent Dan lernt die junge Songschreiberin Gretta bei einem Auftritt kennen und bietet ihr

an, ein Album zu produzieren. Mangels finanzieller Mittel wollen sie jeden Song an einem anderen Ort im Freien in New York aufnehmen. Das gemeinsame Unternehmen hilft jedem der beiden, ihre momentanen Lebenskrisen zu überwinden... Mit **ONCE** machte er von sich reden. Jetzt kommt John Carney neuer Film. Und wieder steht die Musik im Mittelpunkt der Geschichte. Einer Geschichte jedoch, die lange nicht mehr an die Qualität seines ersten Films heranreicht. Zwar gibt es gute Ansätze und alles andere als ein Larifari-Hollywood-Happy-End, doch läuft hier alles etwas zäh ab. Speziell zu Beginn, bis der Film endlich zu seinem eigenen Rhythmus findet. Auf gängige Klischees aus der Musikbranche verzichtet das Drehbuch leider auch nicht. Insgesamt nur bedingt zu empfehlen.

### Ein Thriller für die Großen und einer für die Kleinen

Mit dem heutigen Doppelspänner war ich zufrieden

### SAG NICHT, WER DU BIST! (1:1.85 & 1:2.55, 5.1)

OT: Tom A La Ferme

Verleih: Kool

Land/Jahr: Kanada, Frankreich 2013

Regie: Xavier Dolan

Darsteller: Xavier Dolan, Pierre-Yves Cardinal, Lise Roy

Kinostart: 21.08.2014

Als er nach langer Fahrt endlich auf dem Gehöft ankommt, ist niemand da. Offensichtlich hat niemand Tom erwartet. Dabei war er der Lover des verstorbenen jüngsten Sohnes von Agathe, die zusammen mit dem älteren Sohn Francis den Bauernhof betreibt, und zu dessen Beerdigung er gekommen ist. Doch Agathe weiß nichts von Tom. Und sie weiß auch nicht, dass der Tote schwul war. Dass das auch so bleibt, macht der brutale Francis von Anfang an Tom klar. Zunehmend gerät Tom in Francis' Bann. Ein perfides Katz- und Mausspiel beginnt... Kanadas Regiewunderkind Xavier Dolan bezeichnet seinen neuesten Film als einen "psychosexuellen Thriller". Und liegt mit dieser Definition genau richtig.

Wobei seine Stilmittel sogar teilweise aus dem Horrorbereich geborgt sind! Mit seiner gelungenen Fotografie (Kamera: Andre Turpin) und dem suggestiven Score aus der Feder von Gabriel Yared würde Dolans Film auch Meister Hitchcock alle Ehre machen. Die Kombination aus Bild und Musik sorgen von Anfang an für einen konsequenten Spannungsaufbau, der am Ende nur eine einzige Frage in den Raum stellt: wer wird sterben? Mit Xavier Dolan, Pierre-Yves Cardinal und Lise Roy sind die Hauptrollen in diesem verfilmten Theaterstück perfekt besetzt. Insbesondere Pierre-Yves Cardinal in der Rolle von Francis beeindruckt durch sein Spiel – der Typ ist wirklich unberechenbar! Wer spannende Unterhaltung liebt, für den werden diese 105 Minuten wie im Flug vorübergehen.

### RICO, OSKAR UND DIE TIEFER-SCHATTEN (1:2.35, 5.1)

Verleih: Fox

Land/Jahr: Deutschland 2014

Regie: Neele Leana Vollmar

Darsteller: Anton Petzold, Juri Winkler, Karoline Herfurth

Kinostart: 10.07.2014

Rico bezeichnet sich immer als "tiefbegabt". Ganz Unrecht hat der etwas korpulente Junge nicht: Denken kann

er nicht sonderlich gut und auch die Orientierung verliert er schon nach wenigen Schritten. Dass er keine Freunde hat, ist nicht weiter verwunderlich. Eines Tages jedoch lernt er den kleinen Oskar kennen. Auch er ist etwas sonderlich, trägt er doch stets einen Helm auf dem Kopf. Und der kleine Steppke ist nicht nur vorlaut, sondern auch hochbegabt. Da haben sich zwei gefunden...und werden dicke Freunde. Dann aber wird Oskar entführt. Jetzt ist Ricos gesamtes Können gefragt... Neele Leana Vollmar hat den ersten "Rico & Oskar"-Film (richtig: für 2015 ist bereits der nächste angekündigt!) nach den Büchern von Andreas Steinhöfel inszeniert und mit den beiden Kinderdarstellern Anton Petzold und Juri Winkler sogleich die Traumbesetzung gefunden. In dem für Kinder ab 6 Jahren geeigneten Großstadt-Abenteuerfilm im Stile eines Kalle Blomquist werden auf ebenso spannende wie witzige Weise Probleme wie geistige Behinderung, zerrüttete Elternhäuser und Freundschaft thematisiert und für die kleinen Zuschauer verständlich aufbereitet. Der Kinderschar, welche die heutige Pressevorführung bevölkerte, hat es zumindest gefallen – es wurde viel gelacht und am Ende gar applaudiert. Freilich können die Kleinen noch nicht alles verstehen, beispielsweise den halbseidenen Job von Ricos Mutter. Aber schließlich soll ja auch etwas für die Erwachsenen abfallen.

### Warum ist es am Rhein so schön...?

### RHEINGOLD – GESICHTER EINES FLUSSES (1:1.85, 5.1)

Verleih: Senator

Land/Jahr: Deutschland 2014

Regie: Dr. Peter Bardehle, Lena Leonhardt

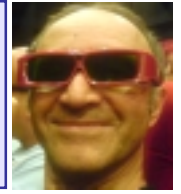

Kinostart: 21.08.2014

setzen seine Macher Dr. Peter Bardehle und Lena Leonhardt auf Beckers sonore Stimme als die Personifizierung jenes geschichtsträchtigen deutschen Flusses. Und dieser Fluss hat uns viel zu erzählen, während die Bilder von oben über die Leinwand rauschen. Unterbrochen werden seine Geschichten ab und an durch Erzählerin Anne Moll, die Fakten liefert. Die Bilder sind dabei wirklich spektakulär, wirken aber hin und wieder fast schon surreal durch ihre übertriebene Tiefenschärfe, speziell ganz am Anfang der Reise. Allerdings kann auch dieser "Von Oben"-Film seine TV-Herkunft nicht leugnen: das eingeschränkte Bildformat ist zwar für Flatscreens durchaus passabel, könnte im Kino jedoch sehr gerne in die ganze CinemaScope-Breite gehen. Die Verwebung des Mythos Rhein mit der Musik von Richard Wagner wird leider gebetsmühlenartig wiederholt, so dass man es nach einer gewissen Zeit einfach über hat. Wie den gesamten Film übrigens: nach 45 Minuten hat man erst die Hälfte hinter sich, aber eigentlich auch schon genug.

### **STEP UP: ALL IN** (1:1.85, 3D, 5.1)

OT: Step Up: All In

Verleih: Constantin

Land/Jahr: USA 2014

Regie: Trish Sie

Darsteller: Briana Evigan, Ryan

Guzman, Adam Sevani

Kinostart: 07.08.2014

Um endlich die Gelegenheitsjobs an den Nagel zu hängen, bewirbt sich die Dance Crew um Sean bei "The Vortex" in Las Vegas, einem Tanzwettbewerb, bei dem den Siegern ein Engagement winkt... Gerade als man dachte, es wäre alles vorbei, geht das **STEP UP** Franchise in die nächste Runde. Wie schon in den Vorgänger-Filmen stört auch hier eigentlich nur das Drehbuch, das wiederkäuend dieselbe Geschichte erzählt – mit Variationen natürlich. Aber es wird auch jetzt wieder ziemlich schnell klar, dass die Rahmenstory nur Mittel zum Zweck ist. Der Zweck in diesem Fall sind natürlich die Tanznummern. Wer auf Dance Battles steht, ist hier sicher gut aufgehoben. Insbesondere der finale Show Act ist aufgrund der

großen Arena sehenswert. Allerdings darf man nicht auf die Idee kommen, das Ganze zu hinterfragen ("Wie konnte die Crew innerhalb von nur ein paar Minuten eine solch ausgefeilte Choreographie ausarbeiten und einstudieren?") – denn damit bringt man sich um den ganzen Spaß. Hinterfragt werden darf allerdings die Tatsache, dass uns in der Pressevorführung eine nicht fertige Fassung gezeigt wurde, die in Bild und Ton zu wünschen übrig ließ.

### **Roadtrip und Kriegsgeschichte**

Es ist ja erst Montag...und trotzdem war einer der beiden Filme heute sehenswert

### **TAMMY – VOLLABGEFAHREN**

(1:1.85, DD 5.1)

OT: Tammy

Verleih: Warner

Land/Jahr: USA 2014

Regie: Ben Falcone

Darsteller: Melissa McCarthy, Susan Sarandon, Allison Janney

Kinostart: 03.07.2014

Wenn einem der Job gekündigt wird und man dann auch noch erfahren muss, dass man vom Ehemann schon lange hintergangen wird, dann ist das wahrlich ein harter Tag. Aber für Tammy kommt es noch schlimmer: ihr fackelt nämlich auch noch der fahrbare Untersatz ab! Nichts wie weg, denkt sich das mollige Ding und schnappt sich das Auto der Oma – mitsamt der alten Lady und ihres Whiskey-Vorrats natürlich. Und so gehen die beiden auf Tour in bester Thelma & Louise Manier. Jetzt bleibt kein Stein mehr auf dem anderen... Vergeblich versucht der deutsche Untertitel die Belanglosigkeit dieser Geschichte mit dem Slogan "Voll abgefahren" zu tarnen – es mag ihm nicht wirklich gelingen. Zumindest bei mir konnten weder die Witze mit Bezug auf den Körperumfang der Titelheldin (Melissa McCarthy) noch die geriatrischen Zoten ihrer Film-Oma (Susan Sarandon) ein Lächeln entlocken. Ganz das Gegenteil war hier der Fall: so gelangweilt habe ich mich selten wie in diesem Filmchen. Erschreckend dabei ist allerdings der Gedanke, dass es tat-

sächlich Zuschauer gibt, denen so etwas gefallen könnte. Hier tut Aufklärung not! Aber wie war das doch gleich mit dem Rufer in der Wüste...?

### **WOLFSKINDER** (1:2.35, 5.1)

Verleih: Port-au-Prince (Barnsteiner)

Land/Jahr: Deutschland, Litauen 2013

Regie: Rick Ostermann

Darsteller: Levin Liam, Helena Phil,

Patrick Lorenzcat

Kinostart: 28.08.2014

Es ist der Sommer des Jahres 1946. Ostpreußen steht unter sowjetischer Herrschaft. Als ihre Mutter stirbt, machen sich die beiden Söhne, der 14-jährige Hans und sein jüngerer Bruder Fritz, auf den Weg nach Litauen, um damit den letzten Wunsch ihrer Mutter zu erfüllen. Denn in Litauen gibt es angeblich noch Bauern, die deutsche Kinder bei sich aufnehmen. Eine Reise voller Gefahren beginnt... "Wolfskinder" – das sind anhanglose deutsche Kinder und Jugendliche, die nach 1945 dem drohenden Hungertod im nördlichen Ostpreußen zu entgehen versuchten, dabei in außerdeutsche Zusammenhänge gerieten (zumeist in Litauen) und ihre Herkunft durch die Annahme einer neuen Identität zeitweise oder gar dauerhaft verschleiern mussten. Aufgrund der widrigen Kriegsumstände waren sie nur auf die Nahrungsaufnahme reduziert und "vertiert". Für seinen Film recherchierte Regisseur und Drehbuchautor Rick Ostermann sehr behutsam das Schicksal einiger dieser Wolfskinder und formte daraus einen Spielfilm, der so authentisch wie möglich die Geschichte wiederzugeben versucht. Dank seiner wunderbaren Kinderdarsteller sowie der eindrucksvollen Arbeit von Kamerafrau Leah Striker gelingt ihm dies außerordentlich gut. Eine sehr sparsam eingesetzte Filmmusik verzichtet auf jeglichen Pathos und versucht erst gar nicht, auf die Tränendrüse zu drücken. Die Odyssee der alleingelassenen Kinder durch tiefe Wälder, Seen und Felder, stets die Angst im Nacken, entdeckt zu werden, lässt den Zuschauer nicht kalt, sondern zieht in förmlich hinein in deren fast auswegloses Schicksal.

## Von Kondomen und Werwölfen

Was haben ein Priester, der Kondome manipuliert, und ein Mädchen, das zum Tief mutiert, gemeinsam? Richtig: sie waren beide Gegenstand des heutigen Pressedoppels!

## GOTT VERHÜTE! (1:2.35, 5.1)

OT: Svecenikova Djeca  
Verleih: Neue Visionen  
Land/Jahr: Kroatien, Serbien 2013  
Regie: Vinko Bresan  
Darsteller: Kresimir Mikic, Niksa Butijer, Marija Skaricic  
Kinostart: 07.08.2014

Weil es auf der dalmatinischen Insel keine Geburten, sondern lediglich Sterbefälle gibt, greift der Geistliche Fabian, der die Nachfolge des beliebten Dorfpfarrers antreten soll, zu einer Liste in alle Kondome, die Kioskbesitzer Petar verkauft, macht er in nächtlicher Fleissarbeit winzig kleine Löchlein. So soll die Geburtenrate drastisch in die Höhe schnellen. Doch Fabian ahnt noch nicht, welche ungeahnten Folgen das für ihn und die Insel haben wird... Warum aus der so herzerfrischend beginnenden Komödie nach der Hälfte plötzlich ein bierernstes Melodram wird, dürfte sich wohl den wenigsten Zuschauern erschließen. Die gute Laune, die man noch hat, wenn Pastor und Kioskbesitzer die kleinen Löchlein in die Kondome stanzen und dabei zunehmend effektivere Methoden einzusetzen wissen oder der Apotheker, ein verkappter Militarist, plötzlich in voller Soldatenmontur mitsamt großkalibriger Waffen aufkreuzt, schwindet sofort, wenn der Film seine 180-Grad-Wendung nimmt. Jetzt werden plötzlich die jüngst aufgedeckten sexuellen Entgleisungen katholischer Priester thematisiert. Das hätte nun wirklich nicht sein müssen. Aber vielleicht gehört das ja zum serbisch-kroatischen Verständnis von Humor.

## WHEN ANIMALS DREAM (1:2.35, 5.1)

OT: Når Dyrene Drømmer  
Verleih: Prokino (Fox)  
Land/Jahr: Dänemark 2014  
Regie: Jonas Alexander Arnby  
Darsteller: Sonia Suhl, Lars Mikkelsen,

Sonja Richter  
Kinostart: 21.08.2014

Marie ahnt, dass mit ihr etwas nicht stimmt. Ist es nur ein Ausschlag oder wachsen ihr tatsächlich oberhalb ihrer Brust Haare? Auch ihre Träume sind alles andere als normal. Aber vielleicht liegt es ja einfach an der familiären Situation. Denn das Mädchen lebt zusammen mit ihrem Vater und der apathisch im Rollstuhl sitzenden Mutter, die ständig mysteriöse Spritzen benötigt. Zudem wird Marie an ihrem Arbeitsplatz in der Fischfabrik ständig gemobbt. Nur der junge Daniel scheint sie zu mögen. Eines Tages fällt Marie die Krankenakte ihrer Mutter in die Hände. Offenbar hüten ihre Eltern ein großes Geheimnis... Jonas Alexander Arnby's Film weckt von Anfang an Erinnerungen an den großartigen schwedischen Vampirfilm **SO FINSTER DIE NACHT**. Die atmosphärisch dichten Bilder von Kameramann Niels Thastum schaffen die ebenso geheimnisvolle wie bedrohliche Grundstimmung für die Werwolf-Variation, die lobenswerterweise auf Splattereffekte weitgehend verzichtet und vieles einfach der Phantasie des Zuschauers überlässt. Letztendlich geht es in Arnby's Film nicht vordergründig um blanken Horror, sondern um die Liebe, die alle Hindernisse

überwinden kann. Auch darin ähnelt der Film seinem schwedischen Pendant. Mit Sonia Suhl in der Rolle der Marie ist der Film erstklassig besetzt – ein unverbrauchtes, fast scheues Gesicht, mit dem wirklich alles möglich ist. Fans subtiler Horrorgeschichten sollten sich den Film unbedingt anschauen.

## Alleingelassen

Was tun, wenn die Mutter verschwunden ist und niemand da ist, der einem die Tür öffnet? Im heutigen Pressefilm gab es die Antwort.

## JACK (1:1.85, 5.1)

Verleih: Camino (Filmagentinnen)  
Land/Jahr: Deutschland 2014  
Regie: Edward Berger  
Darsteller: Ivo Pietzcker, Georg Arms, Luise Heyer  
Kinostart: 09.10.2014

Der 10jährige Jack leistet ganze Arbeit: er schmeißt den gesamten Haushalt und versorgt dazu noch seinen 6jährigen Bruder Manuel. Seine Mutter Sanna, gerade mal 26, ist alleinerziehend und muss für den Lebensunterhalt sorgen. Auf Anordnung des Jugendamts wird Jack in ein Heim gebracht. Sehnsüchtig wartet er auf die Ferien. Am letzten Schultag jedoch erhält er einen Anruf seiner Mutter, die ihn erst ein paar Tage später abholen will. Jack bleibt alleine im Heim zurück. Einzig der gemeine Danilo ist noch da. Zwischen den beiden kommt es zu einem heftigen Streit, bei dem Jack seinen Widersacher verletzt. Verängstigt läuft Jack nach Hause. Doch seine Mutter ist nicht da. Gemeinsam mit Manuel macht er sich auf die Suche... Edward Berger schildert in seinem Jugenddrama, wie es sich wohl tagtäglich in Deutschland zuträgt. Wird das Familienleben der beiden Jungen und der Mutter anfangs noch als wahres Idyll geschildert, beginnt man spätestens dann zu zweifeln, als Jack von seiner Mutter telefonisch getröstet wird. Am Ende wissen wir, dass Jack mit 10 Jahren schon so erwachsen ist, wie es seine Mutter nie sein wird. Dieses Erkenntnis wird ihn zu der einzig richtigen und schwerwiegenden Ent-

scheidung veranlassen. Bis es aber soweit ist, bleibt die Kamera immer auf Augenhöhe ganz dicht bei Jack, während er sich gemeinsam mit dem kleinen Bruder auf eine Odyssee durch die Stadt begibt, um die Mutter zu finden. Ivo Pietzcker gibt diesem Jack ein Gesicht und er macht seine Sache außerordentlich gut. Eine Rolle, die auch einiges an physischem Einsatz von ihm abverlangt. Eine tolle Leistung.

### Wenn Tanzen Sünde ist

Heute gab es in der Pressevorführung den Film zu sehen, mit dem sich der britische Regisseur Ken Loach voraussichtlich aus dem Filmgeschäft verabschieden wird

### JIMMY'S HALL (1:1.85, DD 5.1)

OT: Jimmy's Hall

Verleih: Pandora

Land/Jahr: Großbritannien 2014

Regie: Ken Loach

Darsteller: Barry Ward, Simone Kirby, Jim Norton

Kinostart: 14.08.2014

Irland im Jahre 1932: 10 Jahre nachdem er seine Heimat verlassen musste, kehrt Jimmy Gralton aus den USA wieder in seine irische Heimat zurück. Die einst von ihm aufgebaute "Pearse-Connolly-

Hall", ein Ort der freien Inspiration und Entfaltung sowie ein Tanzsaal gleichermaßen, ist schon lange geschlossen und droht zu verrotten. Mit Hilfe seiner Freunde aber lässt er den Saal wieder auferstehen und zieht so alsbald den Groll der katholischen Kirche auf sich... Ken Loachs Film basiert auf der wahren Geschichte des irischen Freiheitskämpfers Jimmy Gralton und inszeniert damit ein dunkles Kapitel irischer Geschichte. Es geht um das Aufbegehren der armen Unterschicht gegen die reiche Oberschicht, die den gesamten Grundbesitz an sich reißt. Unterstützt wird sie dabei von der katholischen Kirche, die den Tanzsaal mit einem Sündenpfuhl gleichsetzt. Die rauhe irische Landschaft mit ihren Schattierungen von Grün bildet dabei die Bühne für dieses Drama, das durchgängig mit hervorragenden Darstellern ausgestattet ist. Spannende Kinounterhaltung mit Tiefgang.

### Superlaut und ganz leise

Kaum zu glauben, aber der letzte Film der Pressewoche entpuppte sich als der beste Film seit langer Zeit!

### WACKEN 3D (1:2.35, 3D, 5.1)

Verleih: NFP (Filmwelt)

Land/Jahr: Deutschland 2014

Regie: Norbert Heitker

Kinostart: 24.07.2014

Willkommen im "Holy Wacken Land"! Was sich in dem kleinen schleswig-holsteinischen Dörfchen Jahr für Jahr vier Tage lang abspielt, ist schlicht und ergreifend der pure Wahnsinn. Hier trifft sich die gesamte Prominenz der Heavy Metal Szene, um gemeinsam mit Fans aus der ganzen Welt richtig abzufeiern. Regisseur Norbert Heitker und sein 25köpfiges Filmteam haben das gesamte Spektakel im vergangenen Jahr mit 3D-Kameras neuester Generation eingefangen und daraus eine Musik-Doku gemacht, die Kinozuschauern überall das echte Wacken-Feeling nahebringen. Neben Live Acts von u.a. Rammstein, Alice Cooper, Deep Purple kommen einige der Konzertbesucher zu Wort, u.a. eine Taiwanerin, ein deutsches Vater-Sohn-Gespinn sowie eine

Heavy-Metal-Nachwuchsband aus der – Mongolei! Heitkers Kameras blicken nicht nur auf die Bühne dreidimensional, sondern blicken auch hinter die Kulissen und beweisen, dass Wacken das friedlichste Musikfest der Welt ist. Wer Heavy Metal mag und auf superlaut oder sogar krankhauslaut steht, der wird an diesem Event-Film großen Spaß haben!

### MR. MAY UND DAS FLÜSTERN DER EWIGKEIT (1:1.85, DD 5.1)

OT: Still Life

Verleih: Piffel

Land/Jahr: Großbritannien, Italien 2013

Regie: Uberto Pasolini

Darsteller: Eddie Marsan, Joanne

Froggatt, Karen Drury

Kinostart: 04.09.2014

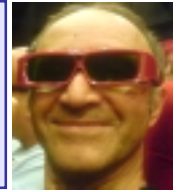

Seit 22 Jahren schon arbeitet John May von einem kleinen Kellerbüro aus für einen der Stadtbezirke in London. Seine Aufgabe ist es, den Nachlass von Verstorbenen, die offenbar keine Angehörigen hatten, zu verwalten und deren Beerdigung zu organisieren. Das tut er mit großer Hingabe und äußerst penibel. Gelingt es ihm wider Erwarten tatsächlich, einen Angehörigen ausfindig zu machen, weigert der sich aber meist, der Beerdigung beizuwohnen. Denn niemand beschäftigt sich gerne mit dem Tod. So bleibt es an John May, dem Verstorbenen das letzte Geleit zu geben. Eines Tages muss May feststellen, dass sich der neueste Todesfall direkt gegenüber von seiner eigenen Wohnung ereignete. Der Fall beschäftigt ihn so sehr, dass er beginnt, in seiner Freizeit nach Angehörigen des Verstorbenen zu suchen... Wenn uns die Kamera Mr. May sehr ausgiebig vorstellt und wir nicht nur Zeuge werden, wie er die Gegenstände auf seinem Schreibtisch im rechten Winkel ausrichtet, sondern auch das Abendbrot in seiner tristen Wohnung nach immer demselben Ritual herrichtet, dann wissen wir im Grund genommen bereits mehr als der Protagonist. Denn auch Mr. May gehört zu jenen Menschen, die vollkommen alleine sind und sehr zurückgezogen leben. Und vermutlich eines Tages selbst zum Fall für Mr. Mays Schreibtisch werden. Eddie Marsan

spielt ihn mit einem Minimum von Emotionen derart überzeugend, dass daran kein Zweifel besteht. Seine Einsamkeit spiegelt sich auch in der Ausstattung des Films, bei der triste Farben dominieren. Rachel Portman packt die gesamte Tristesse von Mr. Mays Alltag perfekt in ihren wunderbaren Score zu diesem kleinen Meisterwerk, dessen deutscher Verleihtitel leider ganz weit entfernt vom Original ist. Uberto Pasolinis Tragikomödie thematisiert auf sehr bewegende und berührende Weise den Tod, der aus unserem Alltag zwar komplett verdrängt wird, dem sich jedoch niemand entziehen kann. Ein Geheimtipp!

### Und täglich speit der Feuerdrache

Eine sehr spärliche Pressewoche begann heute mit der Fortsetzung zu einem meiner Lieblingsfilme

**DRACHENZÄHMENLEICHT GE-MACHT 2** (1:2.35, 3D, Auro 11.1, DD 5.1 + 7.1 + Atmos)

OT: How To Train Your Dragon 2

Verleih: Fox

Land/Jahr: USA 2014

Regie: Dean DeBlois

Kinostart: 24.07.2014

Auf ihren tagtäglichen Ausflügen mit ihren zahmen Drachen machen Hicks und seine Verlobte Astrid eine erstaun-

liche Entdeckung: ein in Eis gehülltes, zerstörtes Stück Land. Noch bevor sie wieder zurück in ihre Heimat Berk fliegen können, werden sie vom Drachenjäger Eret festgesetzt. Der will ihre und auch alle anderen Drachen dem gemeinen Drago übergeben. Doch Eret hat weder mit der List von Hicks und Astrid noch mit der Solidarität ihrer Freunde gerechnet... Es war natürlich von Anfang an klar, dass es die Fortsetzung zu einem Film, der bereits so gut war, dass er keine Fortsetzung benötigt hätte, sehr schwer haben würde gegen das Original zu bestehen. Die Enttäuschung hielt sich daher in Grenzen. Man muss Teil 2 nicht schlechter machen als er wirklich ist, doch recycled im Wesentlichen alle guten Ideen aus dem Originalfilm. Dazu gehört insbesondere das Verhalten der Drachen, die uns automatisch an Verhaltensmuster gängiger Haustiere wie Hunde oder Katzen erinnert. Das anzuschauen ist auch in Teil 2 der **DRACHENZÄHMEN**-Saga einfach genial und schickt immer wieder ein Schmunzeln durch die Reihen. Wer sich schon von jeher dafür interessierte, warum Hicks so ist wie er ist und ganz anders als sein Herr Papa, der wird im neuen Film bestens bedient. Ärgerlich indes jedoch ist, dass es schon wieder einen Kampf der Bürger von Berk gegen eine große Übermacht gibt. Waren es damals noch die Drachen selber, so ist es dieses Mal ein machtgieriger Unmensch, dessen Motivation viel zu nebulös bleibt. Als Zuschauer soll man das einfach so hinnehmen. Das allerdings setzt ein Publikum voraus, das es bevorzugt, nicht nachzudenken. Die Computeranimation ist wie gehabt absolut perfekt (man ließ sogar die Hauptcharaktere etwas altern!), wie auch die Musik von John Powell, der seinen Score aus dem ersten Teil deutlich erweitert. Was die Tonspur des Films angeht, so haben die Toningenieure wieder sehr viel Herzblut in das Projekt gesteckt. Das gilt nicht nur für die Geräusche wie beispielsweise die Laute von Drache Ohnezahn, die von Randy Thom kreiert wurden, sondern auch für die von Studiolegende Shawn Murphy aufgenommene Orchestermusik. Leider ist zu befürchten, dass von

dem großen tontechnischen Aufwand trotz Auro 11.1 und Dolby Atmos in bundesdeutschen Lichtspielhäusern nicht viel übrig bleiben wird, was die heutige Pressevorführung (in Anwesenheit unzähliger Kinder!) zutage brachte. Denn noch immer gilt die Devise, dass Filme, deren Zielpublikum Kinder sind, mit geringerem Lautstärkepegel vorgeführt werden. Dass damit die Dynamik komplett verloren geht, nimmt man dabei offensichtlich billigend in Kauf. Wie gut, dass es auch noch Heimkinos gibt.

### Bayhem Rules Again!

Ist ein Film ohne innere Werte ein Synonym für waschechtes Blockbuster-Kino? Vermutlich ja..

**TRANSFORMERS: ÄRA DES UNTERGANGS** (1:2.35, 3D, DD 5.1 + 7.1 + Atmos)

OT: Transformers: Age Of Extinction

Verleih: Paramount

Land/Jahr: USA 2014

Regie: Michael Bay

Darsteller: Mark Wahlberg, Bingbing Li, Stanley Tucci

Kinostart: 17.07.2014

Mechaniker und Tüftler Cade Yeager gerät gemeinsam mit seiner Teeanger-Tochter und deren Freund in einen Kampf auf Leben und Tod zwischen Autobots und einem garstigen Kopfgeldjäger aus einer fernen Welt... Regisseur Michael Bay zelebriert mit dem neuen **TRANSFORMERS**-Film wieder einmal genüsslich seinen "Bayhem"! Das ist ein Kunstwort, zusammengesetzt aus "Bay" und "Mayhem" (= Chaos), welches das Wesen der Bay'schen Filme auf den Punkt bringt: soviel Zerstörungswut und Materialschlachten gibt es nur bei diesem Regisseur. Die Story bleibt dabei freilich auf der Strecke. Dafür dauert das Bombardement fast drei Stunden – und ist damit definitiv zuviel des Guten. Spektakulär ist die ganze Sache natürlich zweifelsohne und die visuellen Effekte sind atemberaubend. Und im **TRANSFORMERS**-Fall lässt sich der gesamte Film genau darauf reduzieren. Wer auf derlei Kost steht, den wird's

umhauen. Allerdings sollte man sich den Film dann in einem extrem guten Kino anschauen, z.B. in einem IMAX-Saal. Mindestens eine Szene in seinem Blockbuster hat der Action-Regisseur vermutlich speziell für die Auswertung in IMAX konzipiert und dürfte dort zu schwindelerregendem Adrenalinausstoß führen. Wer kein IMAX-Kino gleich um die Ecke hat, der sollte nach Kinos Ausschau halten, die den Film mit Dolby Surround 7.1 oder noch besser mit Dolby-Atmos-Sound präsentieren. Dort bekommen dann die Subwoofer eine Menge Arbeit!

### Ein echter Culture Clash

Erst der dritte Film und schon Wochenende – das muss noch besser werden!

**AMMA & APPA** (1:1.85, 5.1)

Verleih: Zorro

Land/Jahr: Deutschland 2014

Regie: Franziska Schönenberger,

Jayakrishnan Subramanian

Kinostart: 04.09.2014

Komödien gab es schon viele darüber. Jetzt wurde es Zeit, dass sich mal jemand dokumentarisch mit einem "Culture Clash" befasst. Also jenem Zusammenprall der Kulturen, die meist durch eine Liebesheirat ausgelöst werden. So wie bei Franziska Schönenberger und Jayakrishnan Subramanian. Sie Deutsche, Er Tamile. Während seine Eltern zuhause im fernen Indien nach einer passenden Frau für ihn suchen, ist Kunststudent "Jay" in Deutschland schon ein ganzes Jahr lang mit "Franzi" zusammen. Erst jetzt erwähnt Jay gegenüber "Amma und Appa" (Mutter und Vater) seine Freundin, die er heiraten möchte. Franzis Antrittsbesuch bei ihren Schwiegereltern in spe ist alles andere als einfach. Denn Amma kann es nicht überwinden, dass ihr Sohn eine Liebesheirat begehren möchte, denn das gab es in ihrer Familie noch nie und würde somit sämtliche Traditionen brechen. Hautnah zeigen die beiden verliebten Filmemacher mit ihrer immer präsenten Kamera, wie dieser "Culture Clash" verläuft. Auch den Besuch der deutschen Eltern im Hause der Inder wird dokumentiert

und zeigt sehr deutlich, dass Vorbehalte auf beiden Seiten vorhanden sind. Mit vielen amüsanten Szenen wie z.B. der Einkaufsbummel der deutschen Eltern auf einem indischen Markt oder das Groß-Reinmachen der Gastgeber demonstriert der Film, dass an jedem Klischee ein Fünckchen Wahrheit haftet. Der Dokumentarfilm ist bewusst im Retro-Look gehalten. Alles soll so aussehen, als hätte Franzi es mit ihrer Super 8 Kamera eingefangen. Da wird Unschärfe zum Stilmittel. Passend dazu gibt es indische Schnulzenmusik in Low Fidelity. Übergänge zwischen den unterschiedlichen Passagen des Films machen witzig angefertigte Animationen, die dem Film dadurch zu einer gewissen Kurzweiligkeit verhelfen. Umso überraschender dann das Ende der Dokumentation, das eigentlich kein Ende darstellt und eine Fortsetzung suggeriert.

### Von Außenseitern

Das heutige Double Feature hatte es in sich: positive Gefühle in Hülle und Fülle!

**PRIDE** (1:2.35, 5.1)

OT: Pride

Verleih: Senator

Land/Jahr: Großbritannien 2014

Regie: Matthew Warchus

Darsteller: Bill Nighy, Dominic West, Andrew Scott

Kinostart: 30.10.2014

England 1984: schon seit Wochen zwingt Margaret Thatchers eiserne Hand die Minenarbeiter zum Streik. Um die Arbeiter in ihrem Kampf zu unterstützen, formiert sich in London ein winzig kleiner Trupp zur "LG.SM", der "Lesbians and Gays Support the Miners"-Gruppe. Denn da sie selbst, so ihre Idee, von der Gesellschaft ausgegrenzt werden, müssen sie sich mit anderen Minderheiten solidarisieren. Als ihr Spendenaufruf großen Erfolg hat, werden sie in ein kleines Grubenarbeiterdorf in Wales eingeladen. Doch die Vorbehalte gegenüber den Andersartigen ist riesengroß... Solidarität ist das Hauptthema in Matthew Warchus wunderbarem Film, der auf wahren Begebenheiten beruht. Damit weckt sofort Erinnerungen an den ebenfalls großartigen **WE WANT SEX** über den Streik britischer Fabrikarbeiterinnen. Mit einem überzeugenden Cast und einem hervorragenden Drehbuch gelingt es Warchus, den Zuschauer vorbehaltlos für die gute Sache zu gewinnen und ebnet damit gleichzeitig den Weg für die Solidarität mit Schwulen und Lesben. Als wichtiges dramaturgisches Mittel dient die Musik im Film, die einerseits die Rhythmen der 1980er-Jahre heraufbeschwört und andererseits mit einem Score aus der Feder von Christopher Nightingale (eingespielt vom Babelsberger Filmorchester) die Gefühlsebene hervorragend bedient und dafür sorgt, dass man den Kinosaal am Ende mit einem wahren Hochgefühl verlässt. Unbedingt anschauen!

**MIT GANZER KRAFT** (1:1.85, DD 5.1)

OT: De Toutes Nos Forces

Verleih: Polyband (24 Bilder)

Land/Jahr: Frankreich 2013

Regie: Nils Tavernier

Darsteller: Jacques Gamblin, Alexandra

Lamy, Fabien Héraud

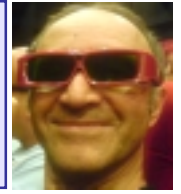

Kinostart: 04.09.2014

Der 17jährige Julien sitzt schon immer im Rollstuhl. Seine Mutter tut alles für ihn, doch sein Vater versucht ihm ständig auszuweichen. Die Enttäuschung über seinen behinderten Sohn sitzt ihm

zu tief in den Knochen. Um ihn aus der Reserve zu locken konfrontiert ihn Julien eines Tages mit einem irrwitzigen Vorschlag: gemeinsam mit seinem Vater möchte er als Team am "Ironman"-Rennen von Frankreich teilnehmen – 3,8 km Schwimmen, 180 Kilometer Radfahren und 42 km Marathonlauf! Sein Vater wiegelt zunächst ab, lässt sich dann aber auf den Vorschlag ein. Doch das Ironman-Komitee lehnt die Bewerbung ab. Für Juliens Vater eine klare Sache. Doch so schnell gibt sich der Sohnemann nicht geschlagen... Nils Tavernier ließ sich für seinen Film von einer wahren Vater-Sohn-Geschichte inspirieren. Besetzt hat er ihn mit zwei grandiosen Darstellern. Jacques Gamblin spielt den Vater, der den Kontakt zu seinem Sohn vollkommen verloren hat und ihn erst wieder durch das gemeinsame Abenteuer wieder findet. Fabien Héraud, im wirklichen Leben auch körperbehindert, spielt den mutigen Julien, der sein Rollstuhldasein einfach satt hat und endlich zu leben beginnen möchte. Eine wunderbare Kameraarbeit (Laurent Machuel) rundet dieses überaus positive Kinoerlebnis ab, das einmal mehr klar macht, dass sich eine körperliche Behinderung vor allem im Kopf der Nichtbehinderten abspielt.

### Depressives und Fröhliches

Ein deutsches Doppelprogramm bestimmte meinen heutigen Kinotag

### LÜGEN (1:1.85, 5.1)

Verleih: Wild Bunch (Central)

Land/Jahr: Deutschland 2014

Regie: Vanessa Jopp

Darsteller: Meret Becker, Thomas Heinze, Florian David Fitz

Kinostart: 11.09.2014

Nur noch ein paar Tage trennen Zahnärztin Coco von ihrer Heirat mit Immobilienmakler Carlos. Doch da überstürzen sich die Ereignisse. Erst muss sie ihre Assistentin Vera entlassen, dann der jungen Nachbarin aus der Wohnung über der Praxis das Leben retten und schließlich verkracht sie sich auch noch mit ihrer besten Freundin. Derweil stellt ihr Verlobter Vera als Chauffeurin ein, weil ihm die Führerschein nach

Bordellbesuch und durchzechter Nacht abgenommen wurde. Die Hochzeit steht wahrhaftig unter keinem guten Stern... Gleich vorweg: ich habe nichts Grundsätzliches gegen depressive Filme. Solche haben durchaus ihre Berechtigung, spiegeln sie doch meist ein recht authentisches Bild unserer Gesellschaft wider. Aber eben nur meist. Im vorliegenden Fall beispielsweise trifft dies nicht zu. Denn die Situationen und die darin agierenden Charaktere wirken in Vanessa Jopps Film extrem künstlich und lassen auch nicht nur den kleinsten Funken an Authentizität zu. So wird viel deutsche Schauspielereprominenz verheizt. Nach 106 Minuten fragt man sich unwillkürlich "Warum habe ich mir das angetan?" und verlässt verärgert den Kinosaal. Wundern muss man sich darüber eigentlich nicht, da nicht einmal der Film selber weiß, wie er heisst. Im Film lautet er schlicht **LÜGEN**, laut Presseeinladung und Presseheft ist er **LÜGEN UND ANDERE WAHRHEITEN** betitelt. Deutsches Kino kann so viel besser sein als diese Frustmaschine.

### LOLAAUF DER ERBSE (1:1.85, 5.1)

Verleih: farbfilm

Land/Jahr: Deutschland 2014

Regie: Thomas Heinemann

Darsteller: Christiane Paul, Tabea Hanstein, Tobias Oertel

Kinostart: 04.09.2014

Lola ist 11 Jahre alt und lebt zusammen mit ihrer Mutter auf einem Hausboot. Freunde hat Lola keine, weil sie als absonderlich gilt. Nicht nur hat sie einen Fleck am Hals, den sie schon seit Jahren nicht abwäscht, auch ihre Schuhe sind immer dieselben und ihre Haare lässt sie sich nicht schneiden. Alles Symbole für ihren über alles geliebten, aber verschwundenen Vater. Lola hat sich damit aber arrangiert und gibt die Hoffnung nicht auf, dass ihr Vater eines Tages wieder zurückkommt. Alles ändert sich, als Lola in dem Kurden Rebin einen Freund findet und ihre Mutter plötzlich den Tierarzt Kurt anschleppt, der Papa ersetzen soll... Seine schönsten Momente erlebt Thomas Heinemanns Kinderfilm immer dann, wenn er seine Protagonistin Lola (wun-

derbar dargestellt von Tabea Hanstein) direkt ins Publikum sprechen lässt. Auf diese Weise erklärt Lola ihren Zuschauern, nämlich den Kindern, auf sehr einfache Weise kompliziertere Zusammenhänge, die sie sympathischerweise aber manchmal selbst nicht ganz versteht. Durch diesen Kind-zu-Kind-Dialog gelingt es dem Film, sein Zielpublikum direkt mit einzubeziehen. Ebenfalls sehr schön und anschaulich inszeniert: die behutsame Ablösung Lolas von ihrem Vater. Ist er anfangs noch als Gute-Nacht-Sänger in dem beweglichen Bild zu hören und zu sehen, das Lola auf dem Nachttisch stehen hat, beginnt er in nachfolgenden Szenen bereits den Text des Liedes zu vergessen und entfernt sich am Ende gar ganz aus dem Bild. Dazwischen erinnert das Drehbuch allerlei lustige Episoden, über die Kinderherzen sicher lachen können, die Erwachsenen natürlich ziemlich abstrus erscheinen. Aber hier steht eben der Spaß im Mittelpunkt. Die Kinder werden ihren Eltern den Kinobesuch danken.

ihr der Bienenstock viel zu eng erscheint. Bald schon findet sie in Biene Willi, Grashüpfer Flip und einem Hornissenjungen gute Freunde, die ihr dabei helfen, die Pläne der bösen Bienenratgeberin Gunilla zu durchkreuzen... Hallo liebe Kinder – hier kommt ein Film ganz speziell für Euch! Wenn Ihr maximal acht Jahre alt seid, dann werdet Ihr das freche und unerschrockene Bienchen Maja ganz sicher lieben. Für Euch Erwachsene freilich wird da nicht viel dabei sein, was Euch begeistern könnte. Immerhin ist die zentrale Aussage des Films "Sei einfach so wie Du bist, so wirst Du Deinen Platz im Leben finden" für alle Altersklassen gültig. Was die Optik des Films angeht, so wurde aus dem zweidimensionalen Zeichentrickabenteuer jetzt eine dreidimensionale Computeranimation gemacht und dürfte damit aktuelle Sehgewohnheiten befriedigen. Was die Tonspur des Films betrifft, so erfreut eine gelungene Orchestermusik (Ute Engelhardt) das Ohr. Die Titelmelodie aus der TV-Serie wurde zwar beibehalten, doch auf Karel Gott wurde zugunsten einer weiblichen Stimme verzichtet.

### Der griebgrämige Opa

Passend zum Wetter gab es heute einen Sommerfilm

### EIN SOMMER IN DER PROVENCE

(1:2.35, DD 5.1)

OT: Avis De Mistral

Verleih: Concorde

Land/Jahr: Frankreich 2014

Regie: Rose Bosch

Darsteller: Jean Reno, Anna Galiena,

Chloé Jouannet

Kinostart: 25.09.2014

Opa ist alles andere als erfreut, als Oma zusammen mit den drei Enkelkindern in seinem Einsiedleranwesen in der Provence auftaucht. Sie hatte ihm einfach nicht gesagt, dass die Kinder den Sommer hier verbringen werden, während deren Eltern irgendwo anders in der Welt einer Scheidung entgegensteuern. Auch die Kids sind sauer. Nicht nur wegen des griebgrämigen Alten, sondern auch wegen dem fehlenden

Internetzugang. Da bleibt nichts anderes übrig als sich mit Opa auseinanderzusetzen und den Traditionen im Dorf zuzuschauen... Leise weht der Mistral um die Olivenbäume...und auch direkt in den Kinosaal. Denn die Bilder, die Stephane Le Parc mit seiner Kamera einfängt, vermitteln dieses grandiose Gefühl mitten im Sommer zu sein. In dieses Sommerambiente pflanzt Regisseurin Rose Bosch ihre Protagonisten und deckt damit gleich drei Generationen ab. Die Mitglieder ihrer dysfunktionalen Großfamilie werden sich erst im Verlauf der nächsten 105 Minuten finden. Dafür müssen alte Wunden erst wieder aufgebrochen werden, um alsbald wieder heilen zu können, und Familienmitglieder müssen lernen, über den eigenen Schatten zu springen. Alles unterlegt mit Evergreens, deren Spannweite von den Sechzigern bis in die Jetztzeit reicht. Abgerundet wird der Film der leiseren Töne durch exzellente Darsteller. Wenn nach diesem Film der Run auf die Provence losgeht wäre das nicht weiter verwunderlich.

Regie: Max Giwa, Dania Pasquini

Darsteller: Annabel Scholey, Hannah

Kinostart: 25.09.2014

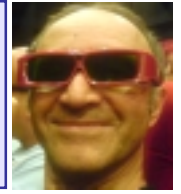

Vor drei Jahren verlebte Taylor ihren schönsten Sommerurlaub in Apulien – in den Armen ihres Traummannes Raf. Doch ihren Traummann gab sie zugunsten ihres Studiums auf. Jetzt kehrt sie wieder sehnsüchtig dorthin zurück, nur um feststellen zu müssen, dass Raf inzwischen mit ihrer lebenslustigen Schwester Maddie liiert ist und die Hochzeit bereits in zwei Tagen stattfindet. Maddie ahnt nichts davon und

Taylor beschließt es dabei zu belassen. Doch wie kann Taylor ihre große Liebe je vergessen? - In den fünfziger und sechziger Jahren waren sie noch sehr "en vogue" – heutzutage sind sie als Filmgenre fast komplett ausgestorben: Musicals. Und so freut man sich über jedes kleine Musical, das noch im Kino angeboten wird. Zuletzt war es **SUNSHINE ON LEITH**, der leider kurzfristig vom Verleih noch vor dem Kinostart aus dem Programm verbannt wurde. Der enorme Publikumserfolg von **MAMMA MIA!**, der Verfilmung des Abba-Musicals, dürfte Max und Dani (wie die beiden Regisseure im Titelvorspann genannt werden) dazu bewogen haben, etwas Ähnliches zu inszenieren. Wieder gibt es eine exotische Kulisse und wieder altbekannte, vorproduzierte Hits, zwischen die eine mehr als triviale Handlung gepackt wird. Das klingt zunächst so, als könne man die Geschichte gleich komplett vergessen, aber das Ergebnis – und das ist das Wichtige bei der Sache – macht großen Spaß! Dieser "Best of the 80s"-Mix, der sich hier auf der Tonspur Bahn bricht, fetzt mächtig! Und das in einer Qualität, wie man sie hierzulande äußerst selten zu hören bekommt. Die komplett neu eingespielten Songs rocken den Kinosaal – allerdings nur in Filmtheatern mit einer leistungsstarken Tonanlage. Ein bisschen vermisst man freilich die ausladenden Choreographien der alten Musicals. Die neuen Nummern reichen da längst nicht heran, am ehesten überzeugt hier noch "Girls Just Wanna Have Fun", bei dem die Protagonistinnen in der Aufmachung von achtziger Jahre Popikonen den Junggesellinnenabschied feiern, während parallel dazu die Jungs mit "Wild Boys" zur Sache gehen. Was die Besetzung angeht gilt auch hier, dass man es nicht mit Charakteren zu tun hat, wie man sie aus Hollywood-Musicals kennt, sondern um Abziehbilder ohne Tiefe, die einfach nur schön und sexy auszusehen haben. Damit passt **WALKING ON SUNSHINE** natürlich optisch perfekt in unsere oberflächlich gewordene Gesellschaft. Der Freude am Genuss der herrlichen Bilder (Kamera: Philipp Blaubach), die einem Urlaubskatalog entsprungen sein könnten, in Kombination

mit den Hits der 80er Jahre, tut das keinen Abbruch. Ein Feelgood-Movie eben.

### Vertauschte Kinder

Ein beeindruckendes Drama aus Japan stand heute auf dem Programm

**LIKE FATHER, LIKE SON** (1:1.85, DD 5.1)

OT: Soshite Chichi Ni Naru

Verleih: Film Kino Text

Land/Jahr: Japan 2013

Regie: Hirokazu Kore-eda

Darsteller: Masaharu Fukuyama, Yoko Maki, Jun Kunimura

Kinostart: 25.09.2014

Die Eltern des sechsjährigen Keita sind fassungslos: erst jetzt teilt man ihnen mit, dass ihr Baby bei der Geburt vertauscht wurde! Ein Treffen mit der anderen Familie wird arrangiert und die Eltern ringen nach einer Lösung. Sollen sie ihr bisheriges Kind gegen das richtige eintauschen? Das Drama nimmt seinen Lauf und bald schon macht man sich gegenseitig Vorwürfe... Es ist schlicht und ergreifend der Alptraum aller Eltern: feststellen zu müssen, dass das Kind, welches man seit sechs Jahren hegt und pflegt, gar nicht das eigene Kind ist! In seinem Drama schildert der japanische Regisseur Hirokazu Kore-eda das Schicksal zweier Familien, die mit diesem Alptraum konfrontiert werden. Er tut dies ohne je auf die Tränendrüse zu drücken, ja sogar fast nüchtern. Durch die daraus resultierende Authentizität wird sein Film erst richtig ergreifend und führt dem Zuschauer die menschliche Tragödie dahinter in all ihren Facetten vor Augen. Mit farbreduzierten Bildern, einem minimalen Filmmusikscore und hervorragenden Darstellern (sowohl die Erwachsenen als auch die Kinder) schafft er einen zutiefst bewegenden Film, dessen Wirkung auch noch lange nach dem Kinobesuch anhält. Anspruchsvolles Kino vom Feinsten.

### Es darf "gepurged" werden!

Freitagnacht lud der Filmverleih alle Journalisten zur "Purge"-Nacht ein, in

der der alte und der neue Film im Doppelpack im Rahmen einer Preview gezeigt wurden

### THE PURGE – DIE SÄUBERUNG

(1:2.35, 5.1)

OT: The Purge

Verleih: Universal

Land/Jahr: USA 2013

Regie: James DeMonaco

Darsteller: Ethan Hawke, Lena Headey,

Max Burkholder

Kinostart: 13.06.2013

Amerika im Jahre 2022. Einmal im Jahr gibt es für 12 Stunden lang die staatlich verordnete "Purge"-Nacht, in der jeder Bürger nach Belieben so viel Morden kann wie er möchte und dabei straffrei ausgeht. Die Regierung erhofft sich dadurch die kostenoptimale Eliminierung von Menschen, die den Sozialsystemen auf der Tasche liegen. Dass die "Purge"-Nacht jedoch auch zur Befriedigung niederer Instinkte genutzt wird, wird billigend in Kauf genommen. So sieht sich eine Familie in ihrem hermetisch abgeschirmten Haus in jener Nacht mit einer ganzen Horde mordlustiger Gesellen konfrontiert und muss sich zur Wehr setzen... Wollten Sie nicht immer schon ihren lästigen Nachbarn rückstandslos entsorgen? Oder den alten Mann, der Sie ständig daran hindert schneller zu gehen? In der "Purge"-Nacht haben Sie die Gelegenheit dazu – und das alles vollkommen legal! Die Grundidee von James DeMonacos Überraschungshit **THE PURGE – DIE SÄUBERUNG** ist zweifelsohne hochinteressant und stellt im Prinzip eine Weiterentwicklung der Programnacht dar. DeMonaco baut daraus einen sogenannten "Home Invasion"-Thriller, in der eine Familie in ihrem vermeintlich geschützten Zuhause von Fremden drangsaliert wird. Trotz der sich dadurch ergebenden klaustrophobischen Grundstimmung kann der Film seine Spannung nicht immer aufrecht erhalten und ergeht sich in so mancher Länge. Zu oft fängt die Kamera die Protagonisten in Großaufnahme ein und beraubt den Film damit echter Kinoqualität. Dazu gesellen sich genre-typische Logikfehler (warum wird die Sicherungsanlage des

Hauses erst sekundengenau mit dem Beginn der Purge-Nacht aktiviert?), die nicht hätten sein müssen. Das Resultat ist damit leider nur mäßig spannende Unterhaltung.

**THE PURGE – ANARCHY** (1:2.35, DD 5.1 EX)

OT: The Purge – Anarchy

Verleih: Universal

Land/Jahr: USA 2014

Regie: James DeMonaco

Darsteller: Frank Grillo, Carmen Ejogo,

Zach Gilford

Kinostart: 31.07.2014

New York im Jahre 2023. Es ist wieder "Purge"-Nacht, jene Nacht des Jahres, in der für zwölf Stunden das Gesetz außer Kraft gesetzt wird und jeder Bürger nach Belieben morden darf. Ausgerechnet jetzt versagt das Auto eines jungen Paares, das sich alsbald einer Schar mordlustiger Angreifer ausgesetzt sieht. Eine Mutter und ihre Tochter werden von einem ziemlich aufdringlichen Nachbarn drangsaliert. Und ein Sergeant geht schwer bewaffnet auf seinen ganz persönlichen Rachezug. Das Schicksal führt sie alle in der Nacht der Nächte zusammen... Der Fortsetzungsfilm zum Überraschungshit aus 2013 präsentiert sich weitaus ambitionierter als der erste Teil. Der Produktion stand offensichtlich ein größeres Budget zur Verfügung, was sich deutlich in den Locations und der agilen Kameraarbeit widerspiegelt: ganz New York dient jetzt als Spielwiese für die "Purge"-Nacht. Auch die Grundidee des Films wird weiterentwickelt. Mit Anleihen bei Filmen wie **HOSTEL** oder **THE HUNGER GAMES** wird die Dekadenz der Schönen und Reichen thematisiert, die sich für teures Geld Menschen einkaufen, um sie in der Abgeschiedenheit ihres Zuhauses ihrer "Purge"-Lust zu opfern. Mit Frank Grillo findet der Film seinen Helden – einen einsamen, namenlosen Rächer, der für einige Bedürftige zum Erretter wird. **MAD MAX** lässt grüßen. Regisseur James DeMonaco versteht es hervorragend, diese Zutaten zu einem konsequent spannenden Thriller zu mischen. Etwas störend wirkt die deutsche Synchronfassung, die allzu

# Wolfram Hannemanns Film-Blog

steril ihre Dialoge in den Kinosaal abgibt. Fazit: für Thriller-Freunde durchaus empfehlenswerte Unterhaltung.

## PLANES 2: IMMER IM EINSATZ

(1:2.35, 3D, DD 5.1 + 7.1 + Atmos)

OT: Planes: Fire & Rescue

Verleih: Walt Disney

Land/Jahr: USA 2014

Regie: Roberts Gannaway

Kinostart: 14.08.2014

Rennflieger Dusty muss einen Gang zurückschalten: sein Getriebe ist defekt und Ersatzteile gibt es nicht mehr.

Doch sein Frust darüber verblasst, als er sich einer neuen Aufgabe widmet: er lässt sich zum Feuerwehrflieger ausbilden. Bei Rettungshubschrauber Blade Ranger geht er zwar durch eine harte Schule, gewinnt dafür aber neue Freunde sowie neues Selbstvertrauen... Nach dem ziemlich blassen ersten **PLANES**, der eigentlich nichts anderes als ein lauwarmer Aufguss des Pixar-Films **CARS** war, war ich auf das Schlimmste gefasst. Doch Fehlanzeige: Teil 2 darf man durchaus als "gelungen" bezeichnen. Der Mix aus fulminanter Action und die feinen Zwischentöne im zwischenmensch...äh...zwischenflugzeuglichen Bereich macht richtig Spaß. Die kleinen Zuschauer werden an den halbschweren Aktionen der Flugzeuge beim Löschen der Waldbrände ihre helle Freude haben, während den begleitenden Eltern vermutlich das Menscheln der Flugzeuge einiges an Schmunzeln abverlangen dürfte. Die Computeranimationen (made in India!) lassen nichts zu wünschen übrig. Ergänzt werden die Bilder durch eine sehr effektvolle Tonmischung und einen bemerkenswerten Score von Mark Mancina.

## THE RAID 2 (1:2.35, 5.1)

OT: The Raid 2

Verleih: Studiocanal

Land/Jahr: Indonesien 2014

Regie: Gareth Evans

Darsteller: Iko Uwais, Arifin Putra, Yayan Ruhian

Kinostart: 24.07.2014

Polizist Rama lässt sich auf eine gefährliche Mission ein: als Undercover-Ermittler soll er sich im Gefängnis das Vertrauen von Uco erschleichen, dem Sohn eines der größten Gangsterboss Jakartas. Das Vorhaben gelingt und so wird Rama nach seiner Entlassung in das Syndikat aufgenommen... **THE RAID 2** knüpft genau dort an wo **THE RAID** aufhörte. Doch Regisseur Gareth Evans erliegt nicht der Versuchung, einfach nochmal eine Neuauflage sei-

nes Action-Hits zu inszenieren. Ganz im Gegenteil. Er entwickelt seine Story zu einem spannenden asiatischen Gangsterfilm weiter. Der steckt natürlich voller fulminanter Actionsequenzen, nimmt sich aber genügend Zeit für seine Figuren, die er behutsam entwickelt. Das gelingt ihm dank seiner exzellenten Darsteller, die nicht nur schauspielerische Fähigkeiten unter Beweis stellen dürfen, sondern auch physische Fitness! Keine visuellen Effekte dominieren hier die Fights, sondern waschechte Martial-Arts-Kunst. Der exzellent fotografierte Film wird von einem gelungenen Sounddesign (made at Skywalker Sound) unterstützt. Den Bildschnitt besorgte der Regisseur übrigens selbst. Wer harte Action-Kost mag, der wird sich ganz sicher über die asiatischen Blutfontänen freuen, die oft augenzwinkern dargeboten werden und durchaus der Freigabe erst ab 18 Jahren würdig sind. Wer noch mehr sehen will: das Ende des Films suggeriert eine weitere Fortsetzung.

George Coe, Martin Sheen, Matthew Modine - Dir. Ignacio Ferreras

Martin Sheen (*The West Wing*, *The Departed*), Matthew Modine (*The Dark Knight*, *Weeds*), and George Coe (*Funny People*, *Archer*) lead a cast of eccentric characters who rebel against authority in this wonderfully animated and poignant comedy for adults. The story opens with former bank manager Emilio being dispatched to a retirement home by his family, is new roommate is a wily wheeler-dealer named Miguel, who cheerfully swindles small amounts of cash from the more befuddled residents, but is also full of handy insider tips that are crucial to survival. Like *One Flew Over the Cuckoo's Nest* in an old folks home, we are introduced to daily pill regimens, electric gates and nighttime joyrides as the reality of Emilio's future life begins to sink in. Using hand drawn animation, *Wrinkles* moves freely between the inmates' daily routines and their more colorful, dementia-induced fantasies, leaving plenty of room for both tears and laughter as it pokes pointed fun at society's attitude toward the elderly.

*Leo Tolstoy's masterpiece has been adapted many times for film and television, but never with such care and attention to detail. Made by the BBC, this definitive version first aired on Masterpiece Theatre in 1977 and has been a fan favorite ever since. Set in Imperial Russia in the 1870s, this is an epic tale of passion, betrayal, society, and the search for happiness. Nicola Pagett (Upstairs, Downstairs) stars as Anna - young, beautiful, and trapped in a loveless marriage to the high-minded, much older Karenin (Eric Porter, The Forsyte Saga). When she meets debonair cavalry officer Count Vronsky (Stuart Wilson, The Age of Innocence) on a Moscow train platform, she can't resist looking back. Unspooling over 10 lavish episodes, this Emmy nominee for Outstanding Limited Series covers all the story lines and characters with the depth and richness that Tolstoy's flawless tome deserves.*

## At War With The Army

Jerry Lewis, Dean Martin, Polly Bergen, Mike Kellin - Dir. Hal Walker  
*At War with the Army follows Alvin Corwin (Jerry Lewis), the low man on the totem pole, who goes from one mishap to another at an Army training camp in World War II with his friend 1st Sgt. Vic Puccinelli (Dean Martin). This was Martin & Lewis' first starring feature and the early beginnings of their career together, which would last until 1956. As was typical in future Martin & Lewis features, At War with the Army portrays Martin as the higher level Sergeant ladies' man with the crooner's voice, which Lewis plays the bumbling Private First Class. While realizing that the Army wasn't everything they hoped it would be, it did allow the charm of Martin and the antics of Lewis to shine through brightly. Martin & Lewis were the hottest act in America during the early 1950s, but on July 25, 1956, ten years to the day after first official teaming, one of the most legendary splits in Hollywood history had come to pass.*

## Duel At Diablo

Bibi Andersson, Dennis Weaver, Bill Travers, Sidney Poitier, James Garner - Dir. Ralph Nelson Based on the novel Apache Rising by Marvin Albert, this bold and inspired western meets every expectation of its genre. Director Ralph Nelson keeps the pace lively in this Calvary verses the Indians narrative and puts both James Garner and Sidney Poitier to great use. Garner plays Jess Remsberg, a rugged handsome scout, and Poitier plays Toller, a former trooper, who now makes a living breaking in horses. Bill Travers is their formidable leader, Lt. Scotty McAllister. When the vigorous McAllister leads his group of recruits to a far away fort they are unexpectedly attacked by Apaches. The group is saved by Remsberg's knowledge of the Indians and Toller also helps out in unexpected ways. Poitier stretches here, and the result is a surprising and delightful characterization. The well staged, action packed, battle sequences are also a credit to Nelson's direction. Look for Richard Farnsworth, who turns in a memorable cameo as the wagon driver. ## High School Confidential (Blu-ray)

*This camp classic tries to keep a straight face as a 'sizzling expose' of American high schools. New kid Tony (Russ Tamblyn) talks crazy slang, makes a pass at Miss Jergens (Joan Staples), scores some grass, drag races against a kid played by Michael Landon, and outclasses the other big man on the schoolyard played by John Drew Barrymore, all in his first day. As it turns out, Tony is an undercover narcotics agent, and really wants to help these poor kids, especially poor Arlene (Jan Sterling), a sweet girl who seems doomed now that she's had her first puff of 'mary jane.' He starts working with, and falling for, Miss Jergens, but Tony's horny aunt (the busty Mamie Van Doren) keeps interrupting his homework by trying to seduce him. There's even beatnik poetry, and Jackie Coogan (Uncle Fester from the Addam's Family) as Mr. A, the top man of the dope ring. Jerry Lee Lewis swings by on a flat bed truck to bang out the title tune on his piano. This is the pinnacle of 1950s rock-and-roll, juvenile delinquent movies, and an essential addition to any camp aficionado's library.*

## Hope Emerson, Jim Backus

In this case the husband was Brad Stevens (Jim Backus), a domestic court judge. Each episode opened with Judge Stevens in the courtroom relating to the parties involved some similar situation he had encountered with his wife Joan (Joan Davis). The story would be acted out as the show progressed Slapstick, physical comedy was at the core of the show and the crazier the stunts, the better. (Joan did everything from jitterbugging with a chimp to feeding Brad a hot water bottle!) Joan Davis' real-life daughter starred on the show playing the part of her sister. Ms. Davis produced the show under her own production company for NBC and the series ran for three years between 1952 and 1955.

## The Lost Moment

Minerva Urecal, Eduardo Ciannelli, John Archer, Agnes Moorehead, Robert Cummings, Frank Puglia, Susan Hayward - Dir. Martin Gabel

*The Lost Moment* is a 1947 thriller in the tradition of Rebecca and the only film directed by actor Martin Gabel. Robert Cummings (*Sleep, My Love*) stars as Lewis Venable, an energetic American published in search of the lost love letters of an early 19th century poet. Under a false name, Lewis rents a room in a mansion from Juliana Borderau (Agnes Moorehead, TV's *Bewitched*), a former lover of the dead writer. Overseeing the eerie mansion is Juliana's near-psychotic niece, Tina (Susan Hayward, *Where Love Has Gone*), who mistrusts the publisher from the very onset. It soon becomes clear to Lewis that the mansion harbors horrible secrets, however, he intends to collect the lost letters at any cost. Art director Alexander Golitzen (*Touch of Evil*) and set decorators Russell A. Gausman (*Shadow of a Doubt*) and Ken Swartz (*The Affair of Susan*) make great use of the haunting Venetian mansion. The incredible makeup used to make Agnes Moorehead appear 105-years-old created quite a stir in 1947, as it became the subject of many magazine articles. *The Lost Moment* was shot in glorious black-and-white by Hal Mohr (*The W* Classics, Drama, Movies, Romance 1947 89min.

## Lovejoy: Series 1

Chris Jury, Phyllis Logan, Dudley Sutton, Caroline Langrishe, Ian McShane  
*Played with rakish allure by Golden Globe winner Ian McShane (Deadwood), Lovejoy isn't your typical antiques dealer. He's gifted at sorting the real treasures from the fakes - which comes in handy when facing the dangerous side of his business, where certain collectors would literally kill for the perfect set of antique pistols. It's a wild, unregulated world flooded with aristocrats, con men, and criminals, all of whom Lovejoy goes up against with the help of his mopey young assistant, Eric (Chris Jury, The Big Game), and upper-crust confidante, Lady Jane (Phyllis Logan, Downton Abbey). Or course, Lovejoy can't resist using his wiles to sell a worthless painting or two to the occasional chump. But he would be wise to practice caution - even for „one of television's most charming and appealing character" (The Washington Post), charisma can only go so far. This wildly popular British mystery series is based on the books by Jonathan Gash and garnered a devoted following on both sides of the pond.*

*This film version of Terence Rattigan's 1955 West End hit features a stellar ensemble cast. The film follows the interplay of a group of lonely characters who are staying at a slightly shabby seaside hotel in Bournemouth. The term 'separate tables' refers to the practice of seating single guests at their own tables in the dining room, and serves as a metaphor for the characters' fear of intimacy. Major Pollack (David Niven) is a retired officer who likes to wax eloquent about fanciful acts of heroism in WWII North Africa, and Sybil Railton-Bell (Deborah Kerr) is a repressed spinster boxed in by an oppressive mother (Gladys Cooper). John Malcolm (Burt Lancaster), a cynical, hard-drinking, occasional writer, is surprised by the sudden arrival of his ex-wife Ann (Rita Hayworth). Though Ann's legendary beauty is dimmed by age, Ann and John both reach tentatively for some human contact. ## Top Model

Florence Guerin, Adriana Giuffre, Martine Brochard, Marino Mase - Dir. Mario Gariazzo

*Nadine (Florence Guerin) is a breathtaking and astonishingly sensual fashion photographer who gets lured into accepting a lingerie photo-shoot in the villa of the mysterious Victor Schneider. After the models and the crew leave the villa, only Nadine and Victor stay behind. As the night shrouds the villa with its thick shadows, Victor offers Nadine a weird proposal. Would she dare to put her own life at stake in a chess game? If he win, she loses every right over her body and life. If Nadine does, Victor will kill himself. Thus begins a long night of sex, lust, desire, fear and death. Shot in the magnificent location of Vigna Murata (Italy) this decadent sexually charged erotic morality play is one of the latest pictures shot by „shlockmeister“ Mario Bariazzo and maybe the Italian exploitation's very last hurrah. French sex-diva Florence Guerin reigns supremely in this morbid and stylish tale about a death wish that's even stronger than lust. Watch out for the dream-like scene on the train!*

### 100 Years Of WWI

*100 Years Of WWI from History takes a comprehensive look at the war that left 15 million dead, 20 million injured, and changed battle forever. Gone was traditional man-to-man combat, with its small guns and sneak attacks by ground troops. Harnessing the industrial know-how of combustion engines, airplanes, and even the camera, WWI introduced game-changing weapons of mass destruction: armored tanks, chemical weapons, submarines, and the aerial bombardments of cities. Using experts, eyewitness testimony, and riveting archival re-creations, History explores the deadly mix of weapons that defined modern warfare and shocked the world. See how these weapons were developed and witness the devastation they left behind. Meet the first dogfighters who, in acrobatic encounters, developed many of the tactics and strategies still used today, including a German ace known as „The Red Baron.“ Understand how people born into a simpler age learned to deal with the destructive engine of total war.*

## Ancient Aliens: Season Six - Volume One

Ancient Aliens: Season 6, Volume 1 digs deeper into what role aliens may have played in shaping our world. Explore whether lost islands and mysterious, Eden-like paradises were actually earthly homes for aliens, and find out why the Greeks, Macedonians, and other ancients believed the world's mountains to be sacred homes to all-powerful gods. Experience American history via rock carvings from an 8,000 BC man-made cave filled with ancient objects and mummies. Is there a link between this cave and the Native American legend of the „star beings“? From the „treasures of the gods“ that may have been purposely hidden and protected by an extraterrestrial source, evidence of the famed „Ark of the Covenant,“ and even ancient celestial travel through „stargates“ to tales of ancient life on Mars, there are worlds to explore in this special compilation.

## Citizen Koch

In 2010, the U.S. Supreme Court made one of its most polarizing decisions via Citizens United: the justices voted to lift a 100-year-plus ban on unlimited spending on elections. This opened the floodgates to massive political corruption by enabling special-interest campaign finance. Ultimately, the conflict came to a head with Wisconsin; Governor Scott Walker, undergirded by monies from out-of-state billionaires, forcibly removed union rights from state employees in 2011. As co-directed by Carl Deal and Tia Lessin, this documentary travels inside of the controversy. The filmmakers visit Wisconsin and speak with furious residents, including Republicans now fiercely divided over whether to support Tea Party favorite Walker's reelection. Later, the film ventures to Louisiana, where ex-governor Buddy Roemer aggressively rejects donations over \$100 and gets trounced by PAC-supported opponents. Ultimately, Deal and Lessin raise serious questions about whether regular citizens or special interest groups have greater voting power.

## The Cool Hot Rod: Companion DVD

Nothing brings back the golden age of hot rodding like these feature films. These were done as a public service for teenagers and young adults. Some were funded by Robert Peterson who started Hot Rod Magazine to help promote the growing hobby and his magazine. Some were shown in high school assembly halls around the country or at drive-in movies. They were done as a public service for teenagers to watch, most likely in home room or high school assembly hall. The hobby has grown quickly since it first came of age in the late 1940s. Fast rods were considered a menace by parents and police. School administrators wanted to appeal to the kids in the Cool Hot Rod, or scare them with the horrors of fatal accidents. No matter, hot rods became popular, so much in fact that major TV shows featured cars; Norm Grabowski's Kookie Car on Sunset Strip; Junior in The Life Of Riley. Even The Adventures of Ozzie & Harriet had Dave and Ricky in a cool hot rod. It was the birth of great moments like these in popular culture that ensured it would never lose its allure. ## Going Attractions

Once a vibrant part of American culture, drive-in-movie theaters numbered nearly 5000 across America during their peak in the mid-1900s. Today, less than 400 remain. In a nation that loves cars and movies, why haven't they survived? Going Attractions examines the drive-in-theatre's role in American culture from its invention in 1933, through its peak in the late 50s, to its rapid decline in the 70s and 80s. Fueled by the recent resurgence of drive-ins, this nostalgic look at American culture, family and entertainment tells the story of a changing nation and places the drive-in within the context of U.S. political, economic and social changes.

Their nephew Alain Rouvier has moved from Calais to Le Villaret to help look after Marcel and Raymond as well as their farm, but it's clear Alain's wife Cecile doesn't care for the old men and isn't afraid to tell them what she thinks. Down the road, Marcel Challaye and his wife Germaine are also growing old and fighting a losing battle with the elements as their spread of cattle gradually shrinks to nothingness, and Daniel Roy, who has inherited his family's farm, sees no future in working the increasingly
