

newsletter 01/15

DIGITAL EDITION

Nr. 346 - Februar 2015

editorial

**Hallo Laserdisc- und DVD-Fans,
liebe Filmfreunde!**

Herzlich willkommen zur ersten Ausgabe unseres Newsletters im Jahre 2015. Auch wenn wir bereits Februar haben, so heisst das noch lange nicht, dass wir im Januar vollkommen untätig waren. Eine Januar-Ausgabe des Newsletters gibt es zwar nicht, dafür jedoch haben wir das neue Jahr mit einem großen Knall angehen lassen - mit unserer ersten eigenen Blu-ray-Veröffentlichung: **REMEMBERING WIDESCREEN!** Dabei handelt es sich um den 37minütigen Dokumentarfilm unseres Film-Bloggers Wolfram Hannemann, der im vergangenen Jahr während des "Widescreen Weekends" im englischen Bradford vor einem begeisterten Publikum uraufgeführt wurde. Jetzt also präsentiert sich

REMEMBERING WIDESCREEN im originalen Kinobildformat von 1:2.39 und mit Dolby Digital 5.1 Surround Sound erstmals auf der blauen Scheibe. Inklusive Bonusmaterial sowie Pop-Up-Menü. Vor wenigen Wochen konnten sich auch Stuttgarter Filmkritiker von den Qualitäten des ungewöhnlichen Dokumentarfilms überzeugen. Exemplarisch für das überwältigend positive Feedback möchten wir hier die Rezension von Thomas Klingnermaier, dem Kulturredakteur der "Stuttgarter Zeitung", zitieren:

"Der Cinemaniker Wolfram Hannemann ist ein kenntnisreicher Liebhaber opulenter Bild- und Tonformate, aber auch der dahinter stehenden Kinotechnik, der gerade endenden Mechanikära im Vorführraum. Sein Dokumentarfilm "Remembering Widescreen" erzählt nominell vom Widescreen-Weekend beim Bradford International Film Festival in Bradford, einem Mekka der Freunde von 70mm, Cinerama und IMAX. Aber die spannende Sammlung von Interviews ist gar kein Film über Formateigenheiten und Technikgeschichte, über die Problematik der Kopienausbleichung oder die Pflegeralter Projektoren. Es geht hier um Menschen, nicht um das strahlende Bild auf der Leinwand, sondern um das Leuchten in den Augen der Zuschauer.

Hannemann lässt in klar durchdachten und abwechslungsreich montierten Einstellungen, die nie das bedrückende Gefühl einer Talking-Head-Galerie entstehen lassen, Besucher und Veranstalter ihre Begeisterung und Motivation darlegen. Es geht um die Liebe zum Kino, hier speziell um jene, die sich an den ganz großen Bildern entzündet hat und ein Leben lang anhielt. Aber wiederfinden können sich hier alle Kinoliebhaber, auch jene, deren Begeisterung nicht von "Lawrence von Arabien" in voller Pracht angefacht wurde, sondern von der verregneten, unruhig laufenden 35-mm-Kopie eines alten Schwarzweiß-Films aus der B-Produktion eines C-Studios.

Dass die Cinephilen in Bradford nicht einem möglicherweise spöttelnd distanzierenden Beobachter von außen Rede und Antwort stehen, sondern ihresgleichen, den sie als Referent und Präsentator kennen, ist ihrer Gelöstheit

im Interview anzumerken, ihrer Bereitschaft, privates Glück öffentlich zu machen. Hier wird ihre Liebe zu einem Medium nicht kleingeredet, nicht rationalisiert, schon gar nicht als Irrweg der Auseinandersetzung mit Inhalten getadelt: hier wird die pure Entrückungsqualität von Kino gepriesen. "Remembering Widescreen" ist absolut sehenswert – und man darf auf Hannemanns weitere Arbeiten zum Thema gespannt sein."

Wenn Sie jetzt neugierig auf den Film geworden sind, dann können Sie die Blu-ray Disc exklusiv über uns beziehen. Das Teil kostet EUR 15,- inkl. Versand (sorry – keine Nachnahme!) und ist am Lager. Übrigens erfreuen sich inzwischen viele Fans in Deutschland, England, Frankreich, Belgien, USA, Australien und sogar Malaysia an diesem Dokumentarfilm. Und wann tun Sie es? Mehr Infos zum Film gibt es im Netz unter www.remembering-widescreen.de

editorial

Fast könnte man meinen, dass wir mit der Produktion dieser Blu-ray noch nicht richtig ausgelastet waren, denn nebenher ist es uns gelungen, unseren Youtube-Kanal mit zwei Filmen zu erweitern! Da wäre einmal ein Film über die Stuttgarter Filmpremiere zu dem norwegisch-deutschen Kinderfilm **DOKTOR PROKTORS PUPSPULVER**, bei der wir uns nicht nur Regisseur Arild Fröhlich und den Produzenten Helmut G. Weber vor die Kamera holten, sondern auch die beiden Kinderdarsteller Emily Glaister und Eilif Noraker, die eigens zur Premiere aus Norwegen angereist waren. Beim zwei-

Arild Fröhlich (o.l.), Helmut G. Weber (o.r.), Emily Glaister (u.l.), Eilif Noraker (u.r.)

Regisseur Marcel Wehn

ten Neuzugang in unserem Kanal handelt es sich um eine Dokumentation über die Stuttgarter Premiere eines Dokumentarfilms, der augenblicklich die Nation spaltet: **EIN HELLS ANGEL UNTER BRÜDERN**. Neben Protagonist Lutz Schelhorn (Chef des Stuttgarter Hells Angels Charters) war auch Regisseur Marcel Wehn vor Ort, der sich unseren Fragen stellte.

Für Nachschub im Youtube-Kanal ist bereits gesorgt. Soviel sei schon verraten: wer sich für Dolby Atmos begeistert, den wird eines unserer nächsten Projekte ganz bestimmt interessieren. Es bleibt also spannend.

Ihr Laser Hotline Team

50 Shades of Abuse

Der Valentinstag steht vor der Tür. Kein besserer Zeitpunkt also, einen Film über ein junges, hübsches Paar herauszugeben, das sich hemmungslos häuslicher Gewalt, Manipulation, Unterdrückung und Zwang hingibt. Sowie einer sexuellen Spielart, von der beide nichts verstehen: BDSM, was für Bondage/Domination/Sadism/Masochism steht.

Der Film basiert auf dem Buch *Fifty Shades of Grey* der Britin E. L. James. Ich schreibe hier bewusst nicht die Worte "der Autorin E. L. James", denn die Herausgabe einiger hundert zusammengeleimter Seiten von grammatikalisch wie orthographisch fragwürdiger *Twilight*-Fiction machen in meiner Welt noch niemanden zum Autoren. Mich schüttelt es schon dabei das lächerliche Werk ein Buch nennen zu müssen. Das eigentliche Problem liegt allerdings darin, dass, bei aller Häme, *Fifty Shades of Grey* mehr als hundert Millionen Exemplare verkauft hat. Für Hollywood bedeutet das: verfilmen!

Dringt man nun tiefer in die Materie ein, zeigt sich schnell, dass dieses Projekt nicht gutgeheißen werden kann. Die Produktion stand von Anfang an unter einem bösen Stern. Der Star erster Wahl, Charlie Hunnam, sprang ab – vermutlich die weiseste Karriereentscheidung, die der junge Mann je treffen wird. Regisseurin Sam Taylor-Johnson und E. L. James bekriegten sich täglich am Set. (Wobei man hier durchaus die Frage stellen kann, was James überhaupt am Set verloren hatte, nachdem das Drehbuch stand.) Hauptdarsteller Dakota Johnson und Jamie Dornan brachten keine Chemie zustande und beide hassten die sexuellen Aspekte des Films. Nun, auf Promotion-Tour, schaffen es Johnson und Dornan nicht einmal, ihren Verdruss gegenüber dem Dreh zu verbergen, geschweige denn ihre Antipathie. Der Dreh wird in Termini beschrieben, die dem Transkript einer psychologischen Sitzung zu einer posttraumatischen Belastungsstörung gleichen. Selbst bei den einfachsten Fragen seitens der Journalisten werden Augen gerollt, Seufzer ausgestoßen, Zimmerdecken schweigend studiert.

Abgesehen davon birgt *Fifty Shades of Grey* allerdings wesentlich ernstere Gefahren als die eines schlechten Filmes. Das BDSM-Thema basiert auf einer falschen

Abbildung dieses sexuellen Stils. Nämlich auf der volkstümlichen Vorstellung und Fantasie (!) davon, was BDSM ist. Viele Menschen fantasieren von Sex mit Machtgefälle, Kontrolle abzugeben oder zu übernehmen und dabei eine nie so intensiv verspürte Lust zu erleben.

Doch was im Kopfkino auf direktem Wege zur Ekstase führt, gibt es im echten Leben nicht. Da *Fifty Shades of Grey* aber die Entwicklung einer Beziehung porträtiert, die sich in unserer Realität vermeintlich ansiedelt, muss man die Darstellung dieser Beziehung kritisieren, denn überall in der Welt gibt es nun Menschen, die sich die "heiße Romantik" des Werkes für ihr eigenes Leben wünschen. Ja, als moderner Mensch, als Kind der Aufklärung, als Feministin **muss** man hier Kritik üben.

Fifty Shades versteht nichts von BDSM. Weder E. L. James, als sie ihr Buch schrieb, noch die Regisseurin, noch die Hauptdarsteller. Letztere recherchierten zwar, indem sie einen Abend lang eine BDSM-Party besuchten, doch was sie dort vorfanden war laut Jamie Dornan so widerwärtig, dass er "bei der Rückkehr nach Hause zunächst lange geduscht habe, bevor ich meine Frau und mein Baby berühren konnte." So wird also eine wertige sexuelle Subkultur benutzt, um Millionen einzuheimen, aber auf ihre Mitglieder und Praktiken wird trotzdem gespuckt.

Die Szene verfügt über eine Art Ehrenkodex, an den sich ernsthafte sogenannte Spieler auch halten: "safe, sane and consensual" – sicher, vernünftig und einvernehmlich. Im echten BDSM geschieht nichts ohne vorherige Absprache über softe Grenzen (solche, die während und als Teil des Spiels gebrochen werden dürfen) und harte Grenzen (solche, die es niemals zu überschreiten gilt). Ein Lebensstil, in dem beide Partner rund um die Uhr ihr S/M Verhältnis pflegen ist selten und selbst dann stehen Kommunikation und das Abstecken von Grenzen immer im Vordergrund.

Fifty Shades of Grey hingegen zeigt ritualisierte häusliche Gewalt und äußerste psychologische Manipulation. Die junge Anastasia Steele wird vom Milliardär Christian Grey zunächst gestalkt, dann umgarnt, zweckmäßig entjungfert und letztendlich in einen Vertrag gedrängt, der sie zu seinem Sexobjekt macht. Sie ist unsicher, kennt sich nicht mit BDSM aus und nimmt aber ihm zu Liebe alles in Kauf. Es wird erwähnt, dass Christian als Teenager von einer älteren Frau verführt und jahrelang als devoter (!) Unterworfener mit ihr zusammen war und daher seine Affinität zu BDSM stammt. Was als aufreizende Origin-Story à la *Die Reifeprüfung* daher kommen soll ist nichts anderes als die Vergewaltigung eines Minderjährigen. Und nun macht das Opfer Christian aus Anastasia das nächste Opfer. Er kontrolliert was sie isst, dass sie Sport treibt, wie sie sich kleidet und selbst ihren kleinen Tick, sich auf die Unterlippe zu beißen. Miss Steele, die keineswegs so stählern ist wie ihr kitschiger Name, lässt aus blinder Liebe alles mit sich machen, obwohl sie sich in Gedanken unaufhörlich darüber beschwert. Auch versucht sie sich ständig einzureden, dass sie nie etwas gegen ihren Willen tun würde.

Fifty Shades of Grey ist ein Werk, das man nur boykot-

tieren kann. Es ist misogyn, unausgegoren und glorifiziert häusliche Gewalt unter dem Deckmantel der modernen wilden Romanze. Dennoch: selten ein Schaden ohne Nutzen. Immerhin hat die baldige Veröffentlichung des Filmes eine Diskussion zu BDSM angestoßen und aus dem Tabuthema Mainstream gemacht. Menschen, die sich ehemals vielleicht für ihre Neigungen schämten oder sie gar nicht erst benennen konnten können sich nun ohne Stigma damit auseinandersetzen. Es besteht die Hoffnung, dass sie über den unrealistischen Tellerand von *Fifty Shades* hinaussehen werden und auf Entdeckungsreise gehen. Auch das meist hinter geschlossenen Türen sich abspielende Drama der häuslichen Gewalt wird nun in die Öffentlichkeit gezerrt, dank Legionen von Aktivisten, die auf sozialen Medien den Hashtag #50shadesofabuse weltweit populär gemacht haben. Happy Valentine's Day!

Ohne Einmaleins geht es nicht

Zum Jahresauftakt gab es heute in der Presse pädagogisch wertvolle Lektionen – oder auch nicht.

ELLA UND DER SUPERSTAR (1:2.35, 5.1)

OT: Ella Ja Kaverit 2 - Paterock

Verleih: Film Kino Text (Film-agentinnen)

Land/Jahr: Finnland 2013

Regie: Marko Mäkilaakso

Darsteller: Freja Teijonsalo, Jyry Kortelainen, Eero Milonoff, Armi Toivanen, Malla Malmivaara

Kinostart: 12.02.2015

Als Pekka im Schulunterricht beim kleinen Einmaleins den Faden verliert, beschließt er, ein berühmter Rockstar zu werden. Denn die haben schließlich jemanden, den sie für das Einmaleins bezahlen. Seine Klassenkameradinnen und -kameraden unterstützen ihn tatkräftig dabei, was dem Herrn Lehrer allerdings gar nicht gefällt. Über ein paar Umwege gelingt es der Schülerbande sogar, Pekka als Stargast beim Konzert der berühmten Elviira unterzubringen. Die allerdings ist wie vom Erdboden verschollen... Knapp ein Jahr ist vergangen seit die erste Verfilmung der "Ella"-Bücher von Timo Parvela bundesdeutsche Leinwände erblickte. Mit **ELLA UND DER SUPERSTAR** gehen nun die Geschichten der kleinen Ella und ihrer Freunde in die zweite Runde. Mit denselben Darstellern besetzt schließt das zweite Abenteuer nahtlos an **ELLA UND DAS GROSSE RENNEN** an. Auch heuer gibt es für kleine Zuschauer pädagogisch wertvolle Lektionen zu lernen, verpackt in allerlei – man muss es leider so sagen - Blödsinn. Leider jedoch erweist sich das Drehbuch als nicht richtig konsequent. Denn die Weisheit, dass man lieber etwas in der Schule für das Leben lernen soll anstatt als berühmter, aber dummer Star durch selbiges zu wandern, wird am Ende eigentlich fast schon ins Gegenteil verkehrt. Ganz unmerklich allerdings, so dass es vielleicht nur die Erwachsenen mitbekommen. Dass die Geschichte und ihre Personen hier und da etwas skurril wirkt,

muss man wohl als "skandinavisches Kolorit" verbuchen. Warum jedoch ausgerechnet die kleine Ella immer so prominent im Filmtitel auftaucht, bleibt auch jetzt wieder etwas rätselhaft. Man hört ihre Stimme zwar ab und zu als Erzählerin aus dem Off, aber ansonsten trägt das kleine Mädchen auch nicht mehr zur Handlung bei als ihre Freunde.

Freitag, 09. Januar 2015

Ab in den Wald!

Das erste Double Feature des Jahres glänzte mit einem Musical und floppte mit einer Satire

INTO THE WOODS (1:2.35, DD 5.1 + 7.1)

OT: Into The Woods

Verleih: Walt Disney

Land/Jahr: USA 2014

Regie: Rob Marshall

Darsteller: Meryl Streep, Emily Blunt, James Corden, Johnny Depp

Kinostart: 19.02.2015

Ein Bäcker und seine schwangere Frau werden von einer Hexe heimgesucht, die ihnen offenbart, dass die beiden mit einem Fluch belegt sind. Gelingt es nicht, diesen Fluch zu brechen, wird das ungeborene Kind sterben. Um ihn zu brechen, müssen die Bäckerleute eine schneeweiße Kuh, ein blutrotes Mäntelchen, einen goldenen Schuh und gelbfarbenedes Haar binnen drei Tagen finden und der Hexe übergeben. Vor diese schier unlösbare Aufgabe gestellt macht sich das Ehepaar auf in den Wald, um die Gegenstände zu finden... Es ist inzwischen immer wieder etwas ganz Besonderes, wenn eine Musical-Verfilmung das Licht der Kinoleinwand erblickt. Was in den 1950er- und 1960er-Jahren noch Gang und Gäbe war, ist heutzutage fast komplett ausgestorben. Ein bisschen unternehmerisches Risiko gehört also schon dazu, jetzt das fast 30 Jahre alte Musical **INTO THE WOODS** von Stephen Sondheim als Verfilmung in die Kinos zu bringen. Doch zumindest in künstlerischer Hinsicht hat sich das Unternehmen gelohnt. Visuell und akustisch höchst beeindruckend inszeniert entwickelt sich die Geschichte zu einem

Märchen für Erwachsene. Freilich können sich auch Kinder das Werk anschauen, doch werden sie es mit ganz anderen Augen sehen. Den in den Texten verborgenen Subtext werden sie nicht wahrnehmen. Erfreulicherweise werden alle Lieder von den Darstellern selbst gesungen, also auch von Meryl Streep in der Rolle der Hexe, die ihr fast auf den Leib geschrieben sein könnte. Musikalisch begeistert insbesondere der Auftakt des Films. Hier wird fast Nonstop gesungen, Soli verwandeln sich in Duette, Duette in Quartette. Gerade als man sich daran gewöhnt hat, dass fast alle Dialoge im Film gesungen werden, wird diese wunderbare Idee allerdings abrupt unterbrochen und der Film wird als "normaler" Fantasyfilm fortgesetzt. Das stört das Gesamtkonzept ziemlich. Wenigstens findet der Film dann zu einem späteren Zeitpunkt wieder auf den Pfad des Musicals zurück. Und wer glaubt, dass man nur die zu einer einzigen Geschichte verwobenen Märchen wie Rotkäppchen, Aschenputtel, Rapunzel und Hans und die Bohnenranke kennen muss, um das Ende des Films vorherzusagen, der darf sich auf eine Überraschung gefasst machen. Denn nichts ist mehr so, wie es einmal war.

Film-Blog

JACKY IM KÖNIGREICH DER FRAUEN (1:1.85, DD 5.1)

OT: Jacky Au Royaume Des Filles
Verleih: Pandastorm (Neue Visionen)
Land/Jahr: Frankreich 2014
Regie: Riad Sattouf
Darsteller: Vincent Lacoste, Charlotte Gainsbourg, Didier Bourdon
Kinostart: 19.02.2015

Die Volksrepublik Bubunne: hier herrschen die Frauen, die Männer tragen Burkis und beten zu Pferdchen. Der junge Jacky, der noch bei seiner Mutter lebt, schwärmt für die zukünftige Diktatorin Bubunne XVII. Auf dem im Regierungspalast stattfindenden Ball möchte er von ihr zum Ehemann erwählt werden. Doch die Eintrittskarte zum Ball ist unerschwinglich teuer. Zudem ist die ganze Sache seinem Onkel Jutin gar nicht recht. Denn der kämpft im Untergrund für die Rechte der Männer. Aber das Schicksal spielt Jacky eine Eintrittskarte in die Hände... Ein Staat, in dem Frauen das Sagen haben und Männer die unterdrückte Masse bilden – aus dieser Grundidee hätte man durchaus eine höchst bissige wie witzige Satire machen können. Aber bereits in der ersten Einstellung wird die Messlatte ziemlich tief angelegt: man sieht den verschleierte Protagonisten vor dem Bild seiner Angebeteten stehend masturbieren. An geschmacklosen Einfällen fehlt es dieser Produktion auch in den folgenden 87 Minuten (die sich mehr wie drei Stunden anfühlen!) keineswegs. Was Monty Python mit einem kleinen Sketch auf den Punkt gebracht hätte, dauert hier leider eine Ewigkeit. Es ist nicht einfach damit getan, die Geschlechter auszutauschen. Denn Frauen verhalten sich nun einmal nicht so wie Männer – auch wenn sie wie hier die Hosen anhaben. Dass dazu noch sämtliche Frauen im Film mehr hässlich als schön aussehen, könnte man fast schon wieder als sexistisch interpretieren. Aber das fällt dann auch nicht mehr weiter ins Gewicht. Wer sich dennoch dafür interessiert, wie es in einem Staat mit dem Charme Syriens gepaart mit dem Nordkoreas aussehen könnte, der darf sich gerne diese verunglückte Komödie anschauen. Aber dass hinterher niemand sagt, man hätte

ihn oder sie nicht gewarnt.

Dienstag, 13. Januar 2014 **Bürgerproteste, Zeitreisen und Superhelden**

Eines von gleich zwei Triple Features in dieser Woche hielt mich heute in Atem

WEM GEHÖRT DIE STADT? – BÜRGER IN BEWEGUNG (1:1.78, 5.1)

Verleih: Film Kino Text
Land/Jahr: Deutschland 2014
Regie: Anna Ditges
Kinostart: 19.02.2015

Das Heliosgelände im Kölner Stadtteil Ehrenfeld. Auf dem teils verwahrlosten Gelände will ein Großinvestor eine Shoppingmall errichten. Doch den Bewohnern des Viertels passt das gar nicht. Eine Bürgerinitiative formiert sich, Ideen für eine bessere Umgestaltung gesammelt. Es kommt zu einem moderierten Bürgerbeteiligungsverfahren. Die Filmemacherin Anna Ditges hat zwei Jahre lang das Tauziehen um die Nutzung des Viertels mit der Kamera dokumentiert und lässt nicht nur den Großinvestor zu Wort kommen, sondern auch den Stadtteilbürgermeister sowie viele der Bürger, die aktiv mitgestalten wollen. Ihr Film geht letztendlich der Frage nach, wie Demokratie heutzutage funktioniert. Funktioniert sie überhaupt? Ist es tatsächlich sinnvoll Bürger mit in eine Stadtteilplanung einzubeziehen? Das Helios-Areal in Köln steht im Film nur exemplarisch für viele andere Projekte ähnlicher Natur mit den gleichen Problemen. Ein diskussionswerter Stoff, der alle angeht.

PROJECT ALMANAC (1:2.35, DD 5.1)

OT: Project Almanac
Verleih: Paramount
Land/Jahr: USA 2014
Regie: Dean Israelite
Darsteller: Jonny Weston, Sofia Black-D'Elia, Amy Landecker
Kinostart: 05.03.2015

Ein Schüler entdeckt im Keller seines verstorbenen Vaters eine versteckte technische Apparatur mitsamt Bauanleitung. Das Gerät entpuppt sich als

eine Zeitmaschine. Gemeinsam mit seinen Freunden und Freundinnen beginnt er Zeitreisen zu unternehmen. Doch durch ihren Eingriff in die Zeit gerät das Raum-Zeit-Kontinuum aus den Fugen – mit dramatischen Folgen. Auch wenn ich Zeitreisefilme eigentlich sehr mag, so konnte mich Dean Israelites leider nicht begeistern. Das lag insbesondere am visuellen Stil des Films. Denn wieder einmal hat sich ein Regisseur am sogenannten "Found Footage"-Stil versucht. Die Folge: Wackelkamera, unsaubere Schnitte, gewollte Artefakte. Das Ganze nervt schon nach kürzester Zeit gehörig. Gewiss: die visuellen Effekte sind grandios, da nicht als solche erkennbar. Aber man kann einen Film ja nicht unbedingt auf die von einer wuchtigen Tonspur begleiteten Effekte reduzieren. Auch die Geschichte sollte interessant sein. Im vorliegenden Fall ist sie es leider nicht. Und last but not least werden anstelle von richtigen Schauspielern nur langweilige Nachwuchsdarsteller präsentiert.

BAYMAX – RIESIGES

ROBOWABOHU (1:2.35, 3D, DD 5.1 + 7.1 + Atmos)
OT: Big Hero 6
Verleih: Walt Disney
Land/Jahr: USA 2014
Regie: Don Hall, Chris Williams
Kinostart: 22.01.2015

Nach dem Tod ihrer Eltern lebt Hiro mit seinem älteren Bruder bei ihrer Tante. Während sein Bruder im Forschungslabor der Universität arbeitet, verbringt Hiro seine Zeit zumeist bei Bot-Fights, wo er die von ihm selbst entwickelten Roboter gegen andere antreten lässt. Sein größter Wunsch jedoch ist es, ebenfalls an der Universität zugelassen zu werden. Um sich zu qualifizieren entwickelt er Mirco-Bots, die neue ungeahnte Möglichkeiten für alle Menschen bieten. Da geschieht ein Unglück: Hiro's Bruder kommt bei einer mysteriösen Explosion in der Universität ums Leben. Alles was er Hiro hinterlässt, ist Baymax, ein Gesundheitsroboter, der sich um alle medizinischen Belange von Hiro kümmert. Doch das ist erst der Anfang ei-

Wolfram Hannemanns

Film-Blog

nes großen Abenteurers, denn jemand Böses hat es auf Hiros Micro-Bots abgesehen... Verlässt man sich allzu sehr auf das, was der Disney-Konzern an Teasern und Trailern für diesen Film im Vorfeld veröffentlichte, läuft man extreme Gefahr, massiv enttäuscht zu werden. Natürlich ist Baymax ein richtig knuddeliger Typ von einem Roboter, den man von der ersten Minute an ins Herz schließt. Etwas tapsig zwar, dafür aber mit gutem Kern. Zweifelsfrei sind jene Szenen, in denen es um die Freundschaft zwischen Hiro und Baymax geht die schönsten Momente im Film. Leider gibt es davon viel zu wenig. Das dreidimensionale Computeranimationsspektakel mutiert nämlich ziemlich schnell zu einem Superhelden-Film! Da kracht es dann nur noch so vor Action, die feinen Aspekte verschwinden komplett aus dem Radar der Filmemacher. **BAYMAX** ergeht sich in Langeweile und man kann es kaum erwarten, bis der Film dann endlich vorüber ist. Hier wäre Originalität gefragt. Aber nicht einmal die Filmmusik ist originell: Komponist Henry Jackman imitiert das von Alan Silvestri komponierte Hauptthema aus **ZURÜCK IN DIE ZUKUNFT**.

Donnerstag, 15.01.2014

Der Präsident, der Tod und fünf Freunde

Wenn eine Präsident mit dem kleinen Tod konfrontiert wird und ihm fünf Freunde dabei zusehen, dann bezeichne ich das als einen vollen Pressekalender

PEPE MUJICA – LEKTIONEN EINES ERDKLUMPENS (1:1.85, 5.1)

Verleih: Piffel

Land/Jahr: Deutschland 2014

Regie: Heidi Specogna

Kinostart: 05.03.2015

Er sieht sich selbst nur als einen Erdklumpen mit Füßen. Pepe Mujica ist Präsident von Uruguay und damit der ärmste Präsident der Welt. Gleichzeitig jedoch gibt der inzwischen 80jährige durch seinen bescheidenen Lebensstil sowie durch seine tiefgründigen und gleichsam leicht verständlichen Ansichten über Politik und Leben ein Vorbild für die gesamte Republik ab. In

ihrem Dokumentarfilm zeigt Heidi Specogna den charismatischen Alten, der einst gegen die Diktatur kämpfte und deswegen jahrelang im Gefängnis war, sowohl von seiner privaten wie dienstlichen Seite. Ihr Film bleibt unkommentiert, alles was es zu sagen gibt erfahren wir aus dem Mund des Präsidenten höchst persönlich. Und man ist als Zuschauer mehr als gewillt, den weisen Worten Pepe Mujicas zu lauschen. Ein wunderbarer Dokumentarfilm über einen großartigen Menschen.

DER KLEINE TOD. EINE KOMÖDIE ÜBER SEX (1:2.35, 5.1)

OT: Little Death

Verleih: Weltkino

Land/Jahr: Australien 2014

Regie: Josh Lawson

Darsteller: Bojana Novakovic, Josh Lawson, Damon Herriman

Kinostart: 09.04.2015

Mehrere Paare – mehrere Sex-Fetische. Paul und Maeve leiden zunehmend unter Maeves Vergewaltigungsphantasie. Phil leidet unter seiner strengen Frau Maureen und entwickelt eine Somnophilie, der er gerne mit einem Schlafmittel nachhilft. Evie und Dan entdecken das Rollenspiel, das Dan allerdings etwas zu ernst nimmt. Rowena hat richtig guten Sex nur dann, wenn sie ihren Mann Richard weinen sieht. Und als ob das nicht schon genug an Problemen wäre ist der neue Nachbar aller dieser Paare ein entlassener Sexualstraftäter... In seiner leicht schwarzen Komödie präsentiert Regisseur Josh Lawson einige Paare mit Sex-Problemen und lässt uns dabei zuschauen, wie sie versuchen, diese Probleme zu kurieren. Nach einem recht langsamen Start entwickeln sich die verschiedenen Geschichten, die Kreuzungspunkte haben, zu teils recht amüsanten Episoden. Diese finden ihren klaren Höhepunkt (!) in jener Geschichte, in der eine Gebärdendolmetscherin ihrem tauben Kunden, mit dem sie über Videotelefonie verbunden ist, dessen Anruf zu einer Telefonsexdame übersetzen muss. Nur bedingt empfehlenswert.

FÜNF FREUNDE 4 (1:2.35, 5.1)

Verleih: Constantin

Land/Jahr: Deutschland 2014

Regie: Mike Marzuk

Darsteller: Valeria Eisenbart, Quirin Oetl, Justus Schlingensiefen

Kinostart: 29.01.2015

Kaum sind die fünf Freunde zu Gast bei ihrem Onkel, dem Kurator einer Ausstellung über das antike Ägypten, beginnt auch schon ein neues Abenteuer: sie ertappen einen Einbrecher, der sich an einer Mumie zu schaffen machte und unerkannt fliehen kann. Die Clique findet ein Goldamulett, das in der Mumie versteckt ist. Es ist eines von drei Amuletten, mithilfe derer man den mysteriösen Schatz des allerersten Pharaos finden kann. Zusammen mit ihrem Onkel reisen sie nach Ägypten, um sich dort mit Farouk, dem Leiter des Instituts für Altertum, zu treffen. Denn der hat allem Anschein nach ebenfalls eine Mumie, in der ein Teil des Puzzles steckt. Doch es kommt ganz anders... Es ist inzwischen zur Tradition geworden, dass uns im Jahresabstand neue Abenteuer der **FÜNF FREUNDE** frei nach Enid Blyton angeboten werden. Mit ihrem neuesten Abenteuer füllen die Fünfe zum ersten Mal die CinemaScope-Bildwand. Und das ist mehr als passend für die exotische Location Ägypten, für die Tunesien erhalten musste. Gleichzeitig muss man aber auch konstatieren, dass es noch nie soviel Gewalt bei den fünf Freunden gegeben hat wie in diesem Film. Das ist zwar für abgebrühte Vieltgucker fast nicht bemerkbar, für die Zielgruppe der Kinder allerdings sehr wohl. Was die Geschichte angeht, so ist dieses Mal wohl die Phantasie mit den Drehbuchautoren durchgegangen. In bekannter **INDIANA JONES** Manier geht es in Ägypten auf Schatzsuche, inklusive mystischer Elemente. Will heißen: die Story ist derart weit entfernt von der Realität, dass es manchmal schon richtig weh tut. Fazit: der vierte Teil der **FÜNF FREUNDE** ist ganz bestimmt nicht der beste.

Drei sind einer zuviel

Mit einem interessanten Melodram ging eine anstrengende Pressewoche versöhnlich zu Ende.

3 HERZEN (1:2.35, DD 5.1)

OT: 3 Coeurs

Verleih: Wild Bunch (Central)

Land/Jahr: Frankreich, Deutschland, Belgien 2014

Regie: Benoît Jacquot

Darsteller: Charlotte Gainsbourg,

Catherine Deneuve, Chiara

Mastroianni, Benoît Poelvoorde

Kinostart: 19.03.2015

Liebe ist Schicksal: wegen eines verpassten Zuges lernt Marc in einer kleinen Provinzstadt die attraktive Sylvie kennen. Ohne Namen oder Telefonnummern auszutauschen verabreden sich die beiden zu einem Date in Paris. Doch das Date platzt und so verlieren sich die beiden aus den Augen. March geht weiter seiner Arbeit nach, Sylvie begleitet ihren Freund nach Amerika. Eines Tages lernt Marc die junge Sophie kennen und bietet an, ihr bei der Steuererklärung für ihr kleines Geschäft. Die beiden verlieben sich ineinander. Marc ahnt nicht, dass Sophie die Schwester von Sylvie ist... Charlotte Gainsbourg dürfte inzwischen zu einer der meistbeschäftigten

Schauspielerinnen Frankreichs gehören. Und das ist nicht weiter verwunderlich. Denn in der Rolle der Sylvie versteht es die Tochter von Jane Birkin und Serge Gainsbourg auch wieder hervorragend, eine magische, ja fast unwiderstehliche Aura um sich herum aufzubauen. Die ist so stark, dass man sofort versteht, warum sich Benoît Poelvoorde in der Rolle des Steuerprüfers Marc ausgerechnet in die ranke und schlanke Sylvie verliebt. Und Poelvoorde ist nicht weniger überzeugend in seiner Rolle. Die Zerrissenheit zwischen Sylvie und Sophie, die ihm auch physische Schmerzen bereitet, nimmt man ihm ab ohne mit der Wimper zu zucken. Die Dritte im Bunde, Chiara Mastroianni (die übrigens die leibliche Tochter ihrer Filmutter Catherine Deneuve ist), verkörpert Sophie, jene Frau, die Marc heiratet ohne zu wissen, dass es Sylvies Schwester ist. Auch sie spielt ihre Rolle wundervoll zurückhaltend. Und wieder kann man Marc verstehen, dass er sich auch in diese Frau verliebt. Mit **3 HERZEN** ist Drehbuchautor und Regisseur Benoît Jacquot ein überzeugendes, packendes und sehr ergreifendes Melodram gelungen, das man durchaus auch als einen Liebesthriller bezeichnen könnte. Die Filmmusik von Bruno Coulais allerdings suggeriert oftmals die falsche Stimmung. So kündigen tiefe Streicherpassagen etwas Kriminelles an, was allerdings nie vorhanden ist. So sehr Coulais Score unter musikalischen Gesichtspunkten auch begeistert, als Musik für **3 HERZEN** scheint sie etwas verfehlt zu sein. Nichtsdestotrotz lohnt die Menage-a-Trois durchaus einen Gang ins Arthaus-Kino.

Mittwoch, 21. Januar 2015

Mein Name ist nicht Bond

Eine fulminant inszenierte Agentenkomödie hielt mich heute bei Laune

KINGSMAN: THE SECRET SERVICE

(1:2.35, DD 5.1 + 7.1 + Atmos)

OT: Kingsman: The Secret Service

Verleih: Fox

Land/Jahr: Großbritannien 2014

Regie: Matthew Vaughn

Darsteller: Colin Firth, Tom Egerton, Samuel L. Jackson, Mark Strong, Mi-

chael Caine, Mark Hamill

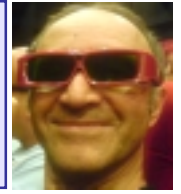

Kinostart: 26.02.2015

Eggsy, ein Londoner Tunichtgut, wird von dem mysteriösen Harry Hart unter die Fittiche genommen. Denn Hart ist nicht nur Gentleman, sondern gehört auch der Geheimorganisation "Kingsman" an, für die er Nachwuchs rekrutieren möchte. Eggsy erscheint für ihn die perfekte Wahl, denn auch dessen Vater war bereits ein Kingsman und wurde bei einem Einsatz getötet. Eggsy lässt sich auf die Sache ein und muss sich – zusammen mit anderen Rekruten – einem wortwörtlich mörderischen Training unterziehen... Man könnte sagen, dass **KINGSMAN** da anfängt, wo John Steed, Emma Peel und James Bond aufhören. Ein wahnsinnig tolles Produktionsdesign, das offensichtlich Ken Adam huldigt, ein Score, der sich als Quintessenz aller Bond-Musiken erweist und die Gentlemen-mäßige Ausstattung der Protagonisten lassen eigentlich keinen Zweifel daran, dass Regisseur Matthew Vaughn ein Fan dieser Vorbilder ist. Wer mich kennt, der weiß, dass ich Comic-Verfilmungen nicht sonderlich mag. Doch mit **KINGSMAN** fühlte ich mich köstlich unterhalten. Samuel L. Jackson (in der deutschen Fassung mit starkem Lispeln) mimt den Oberschurken, der mit seinem teuflischen Plan die gesamte

Wolfram Hannemanns

Film-Blog

Menschheit dezimieren möchte. Das ganze Unterfangen mündet in eine grandiose Sequenz, in der exakt im Takt von Elgars "Pomp and Circumstance"-Marsch menschliche Köpfe in schillernden Farben explodieren und damit ein Brillantfeuerwerk darstellen. Aber keine Sorge: auch wenn es comichafte, exzessive Gewalt und explodierende Schädel zu sehen gibt: Blut fließt hier nicht. Dafür gibt es jede Menge adrenalinreibende Action, die einen fulminanten Mix aus visuellen Effekten und Stunts bietet. Die Farbgebung der Bilder erinnert an die guten, alten Agentenstreifen der 1960er-Jahre. Und für die Rentner unter uns gibt es sogar ein Wiedersehen mit Luke Skywalker alias Mark Hamill. Fazit: rasante, witzige Kinokost, das nach einer großen Popcornrüte verlangt!

UNBROKEN (1:2.35, DD 5.1 + 7.1 + Atmos)

OT: Unbroken

Verleih: Universal

Land/Jahr: USA 2014

Regie: Angelina Jolie

Darsteller: Jack O'Connell, Domhnall Gleeson, Miyavi

Kinostart: 15.01.2015

Louis Zamperine, Sohn italienischer Einwanderer, tritt als Sprinter für die USA bei den Olympischen Spielen in Berlin an. Dann bricht der Zweite Weltkrieg aus. Als Soldat bei der US-Luftwaffe kämpft er gegen die Japaner, wird abgeschossen und kämpft im Ozean ums Überleben. Nach über einem Monat auf offener See wird er schließlich gerettet – von den Japanern. Von nun an durchläuft er alle Härten japanischer Gefangenenlager. Doch Louis gibt nicht auf... Es bedarf reichlich Sitzfleisch, um Angelina Jolies überlangen Film und auf einer wahren Geschichte beruhenden Film ganz durchzuhalten. Ein Film, der im Grunde genommen eine Zweiteilung erfährt: die Odyssee im Schlauchboot und die Gefangenschaft in japanischen Lagern. **LIFE OF PI** trifft auf **DIE BRÜCKE AM KWAI**. Beindruckend ist hierbei zumindest der erste Teil, der die fast 50tägige Irrfahrt der drei Soldaten auf hoher See ziemlich eindringlich schildert. Was danach

kommt ist zwar grausam, nutzt sich aber leider aufgrund der immer gleichen sadistischen Methoden des japanischen Lagerkommandanten erschreckend schnell ab.

Donnerstag, 22. Januar 2015

Barbarei in Äthiopien und eine Renter-Band auf Tour

Die letzten beiden Pressevorführungen in dieser Woche gab es heute im Doppelpack

DAS MÄDCHEN HIRUT (1:2.35, 5.1)

OT: Difret

Verleih: Alamode (Filmagentinnen)

Land/Jahr: Äthiopien, USA 2014

Regie: Zeresenay Berhane Mehari

Darsteller: Meron Getnet, Tizita Hagere

Kinostart: 12.03.2015

Die 14jährige Hirut wird auf dem Heimweg von der Schule von einer Gruppe berittener Männer entführt und vergewaltigt. Als sie ihren Peiniger in Notwehr erschießt, wollen sie die Behörden zur Verantwortung ziehen und mit dem Tode bestrafen. Doch die Anwältin und Frauenrechtlerin Meaza nimmt sich des Falles an. Ein mühseliger Kampf mit den von Männern dominierten Behörden beginnt... Beruhend auf wahren Ereignissen erzählt Regisseur Zeresenay Berhane Mehari die ergreifende Geschichte des Bauernmädchens Hirut, mit deren Fall in Äthiopien ein neues Zeitalter der Rechtsprechung begann. Denn bis dahin wurde die Entführung und Zwangsverheiratung junger Mädchen auf dem Land als Tradition angesehen. Gruselig ist dabei alleine der Gedanke, dass dies erst ein paar Jahre her ist. Hiruts unerschrockener Anwältin Meaza Ashenafi ist es zu verdanken, dass diese Unsitte inzwischen unter Strafe gestellt wurde. Meron Getnet als Anwältin und Tizita Hagere als Hirut glänzen in ihren Rollen in einem Film, für den Angelina Jolie als Exekutivproduzentin verantwortlich zeichnet.

FOREVER AND A DAY (1:1.33 & 1:1.85, 5.1)

Verleih: Tempest Film

Land/Jahr: Deutschland 2014

Regie: Katja von Garnier

Darsteller: Scorpions

Kinostart: 26.03.2015

Sie sind bereits seit 50 Jahren eine feste Institution in der Musik-Landschaft: die deutsche Band "The Scorpions" hat es an die Spitze des Rock-Firmaments geschafft. Die renommierte deutsche Regisseurin Katja von Garnier hat die alten Herren auf ihrer monatelangen Farewell-Tour um den Globus begleitet. Entstanden ist dabei das Porträt einer Band, die insbesondere von Lead-Sänger Klaus Meine und Gitarrist Rudolf Schenker geprägt wurde. Beide erzählen von den Anfängen der Band bis zum wehmütigen Abschied auf der Bühne. Natürlich kommen auch die anderen Band-Mitglieder sowie Musikjournalisten und –produzenten zu Wort. Neben vielen privaten Archivaufnahmen gibt es auch Ausschnitte vom Abschiedskonzert der Gruppe. Leider – und das ist einer der beiden Schwachpunkte der Dokumentation – wird keiner der Songs als Kompletterversion "Live on Stage" präsentiert, sondern immer wieder von Interviewsegmenten unterbrochen. Kritikpunkt Nummer Zwei: anstatt die Kommentare der Englisch sprechenden Bandmitglieder zu untertiteln, hat man sich für ein störendes Voice-Over entschieden, das die Dokumentation in die Niederungen einer TV-Produktion hinunterzieht. Insgesamt aber für Fans der Scorpions allemal sehenswert.

Seniorenresidenz und beste Freundinnen

Mit zwei sehr unterschiedlichen Filmen habe ich heute den Vormittag und den Nachmittag verbracht

BEST EXOTIC MARIGOLD HOTEL 2 (1:2.35, DD 5.1)

OT: The Second Best Exotic Marigold Hotel

Verleih: Fox

Land/Jahr: USA, Großbritannien 2014

Regie: John Madden

Darsteller: Dame Judi Dench, Maggie Smith, Bill Nighy, Dev Patel

Kinostart: 02.04.2015

Wolfram Hannemanns

Film-Blog

Aufgrund einer Sperrfristvereinbarung gibt es die Kurzkritik zu diesem Film erst ab 18.02.2015 an dieser Stelle

EINE NEUE FREUNDIN (1:1.85, 5.1)

OT: Une Nouvelle Amie

Verleih: Weltkino

Land/Jahr: Frankreich 2014

Regie: François Ozon

Darsteller: Romain Duris, Jean-Claude Bolle-Reddat, Raphaël Personnaz

Kinostart: 26.03.2015

Seit Kindertagen gehen Claire und Laura durch dick und dünn. Sie sind beste Freundinnen und bleiben es auch nachdem beide geheiratet haben. Doch dann beginnt das Drama: kurz nach der Geburt ihres Babys wird Laura unheilbar krank und stirbt. Zuvor muss ihr Claire noch versprechen, dass sie sich um das Baby und ihren Mann David kümmert, wenn sie tot ist. Noch mit ihrer eigenen Trauer kämpfend, sucht sie die beiden kurz nach der Beerdigung auf. Dabei erlebt sie eine Überraschung, die ihr gesamtes Leben verändern wird... In seinem neuesten Film bedient sich Frankreichs Arthaus-Regisseur François Ozon gewisser Elemente des Film Noir, um seine Geschichte zu erzählen. Hier sind es vornehmlich die Filmmusik von Philippe Rombi und die exzellente Kameraarbeit von Pascal Marti, die diesem Drama das ganz besondere Thriller-Feeling verleihen. Ozon erzählt eine Geschichte, in der die Abgrenzung zwischen den Geschlechtern ihre Bedeutung zu verlieren scheint und sie sich miteinander zu vermischen beginnen. Spannend, erotisch und gut besetzt fasziniert diese Geschlechterstudie, fühlt sich aber zum Ende hin zu lang an. Für anspruchsvolle Kinogänger jedoch durchaus den Gang ins Kino wert.

Mittwoch, 28. Januar 2015

Lost in Space

Die Wachowskis melden sich wieder mit einem Science-Fiction-Film auf der Leinwand zurück

JUPITER ASCENDING (1:2.35, 3D, DD 5.1 + 7.1 + Atmos)

OT: Jupiter Ascending

Verleih: Warner

Land/Jahr: USA 2014

Regie: Andy Wachowski, Lana Wachowski

Darsteller: Mila Kunis, Channing

Tatum, Sean Bean

Kinostart: 05.02.2015

Tagsüber jobbt sie als Putzfrau, nachts träumt sie von einem besseren Leben. Jupiter Jones kriegt ihr Leben nicht auf die Reihe. Doch das wird nicht so bleiben. Eines Tages rettet sie der manipulierter Ex-Soldat Caine aus den Klauen seltsamer Wesen, die ihr nach dem Leben trachten. Caine erklärt der Überraschten, dass er aus einer anderen Welt kommt, einer Welt, in der man sie sehnsüchtig als Erbin eines Imperiums erwartet... Perspektivwechsel bei den Geschwistern Wachowski. Haben sie sich im innovativen Sci-Fi-Film **MATRIX** in die Untiefen des menschlichen Gehirns vorgewagt, betrachten sie in ihrem neuesten Sci-Fi-Actioner **JUPITER ASCENDING** unseren sowie viele andere Planeten aus der Tiefe des Universums. Was dabei allerdings herausgekommen ist, ist höchst unbefriedigend. Denn ihr bildgewaltiges, mit visuellen Effekten überladenes Stück Film erweist sich als ein nicht gares Konglomerat aus allen gängigen Sci-Fi- und Fantasy-Filmen. Man wird den Eindruck einfach nicht los, nicht nur alles schon woanders gesehen zu haben, sondern auch noch besser dazu. Das gilt für die Kreaturen, die Situationen, die Szenenbilder und sogar für die bombastische Filmmusik von Michael Giacchino, der sich mehr als nur einmal bei John Williams bedient. Man ist wahrhaftig versucht, den Film als **JUPITER DESCENDING** umzutaufen – es geht wirklich nur bergab im Verlauf des Films. Langeweile bricht sich Bahn. Oder um es anders auszudrücken: der Film ist tatsächlich so schlecht, wie Filmplakat und Trailer suggerieren. Einzige Ausnahme: der Gastauftritt von Terry Gilliam, der zweifelsfrei von **BRAZIL** inspiriert wurde. Da wundert es nicht weiter, dass sich diese wunderbare Sequenz wie ein Fremdkörper im restlichen Film anfühlt.

Donnerstag, 29.01.2015

Dauer-Brenner und Afrika-Faszination

In Österreich ist mal wieder etwas passiert und in Afrika ist der Regen die Quelle des Lebens. Oder anders ausgedrückt: mein Presse-Double-Feature.

DAS EWIGE LEBEN (1:2.35, 5.1)

Verleih: Majestic (Fox)

Land/Jahr: Österreich, Deutschland 2015

Regie: Wolfgang Murnberger

Darsteller: Josef Hader, Tobias Moretti, Nora von Waldstätten

Kinostart: 19.03.2015

Ex-Polizist Brenner ist ganz unten angekommen. Ohne Job und ohne Geld bleibt ihm nur noch der Rückzug in sein altes Elternhaus in Graz. Dort regnet es natürlich schon durchs Dach und Strom gibt es nur beim Nachbarn, der bereits ein Auge auf das Grundstück geworfen hat. Kein Wunder also, dass Brenner von einer fürchterlichen Migräne heimgesucht wird. Ein Schuss fällt und Brenner wird mit schwerer Kopfverletzung ins Krankenhaus eingeliefert. Alle sagen ihm, dass er sich selber umbringen wollte. Doch so einen Schmach hat der Brenner noch nie gehört! Bei der erstbesten Gelegenheit büxt er aus dem Krankenhaus aus und macht sich auf die Suche nach seinem Mörder. Die endet – wie könnte es auch anders sein – bei einem weiteren Toten... "Jetzt ist schon wieder etwas

Wolfram Hannemanns

Film-Blog

passiert“ flüstert die vertraute Stimme aus dem Off. Wer die Brenner-Krimis von Wolfgang Haase kennt, der weiß jetzt auch schon, was da auf ihn oder sie zukommen wird! Mit typisch lakonisch österreichischem Witz lädt Regisseur Wolfgang Murnberger zur nunmehr vierten Haas-Verfilmung. Wie immer hat er gemeinsam mit seinem Hauptdarsteller Josef Hader sowie dem Romanautor Wolfgang Haas das Drehbuch verfasst. Skurril, irrwitzig, mit einem Quentchen Perversion und abgerundet mit herrlich schwarzem Humor servieren uns die Filmemacher mit **DAS EWIGE LEBEN** den ersten Brenner-Krimi im CinemaScope-Format (der uns in der heutigen Pressevorführung leider von einer unterdurchschnittlich schlechten DVD präsentiert!). Nicht der Krimi selbst spielt hier die Hauptrolle, sondern seine abgewrackten Typen. Wenn Brenner (herrlich: Josef Hader) gleich zu Beginn beim Arbeitsamt vorsprechen muss (in abgetragenen Klamotten, unrasiert und mit leerem Blick versteht sich) und ihm die freundliche Dame am Computer vorrechnet, dass er noch bis 84 arbeiten muss, gibt es bereits den ersten hintergründigen Lacher. Und wenn Brenner mit seine Uralt-Moped in eine Polizeikontrolle gerät, wird die gesamte Szenerie zu einem Kabinettstückchen. Da werden seine Erklärungsversuche, warum er keinen Helm tragen muss, nur noch von dem Kartonstückchen mit aufgemalten Zahlen und Buchstaben getoppt, das als Nummernschild herhalten muss. Eingefleischte Brenner-Fans dürfen sich auf zwei Neuerungen gefasst machen: Berti ist (leider) dieses Mal nicht mit von der Partie und (jetzt kommt's) wir erfahren, dass Brenner tatsächlich einen Vornamen hat! Auch wenn **DAS EWIGE LEBEN** etwas von dem Biss verloren hat, der im Vorgänger-Film **DER KNOCHENMANN** noch vorhanden war, so enttäuscht der neue Murnberger dennoch nicht. Hierfür sorgt alleine schon die bis in kleinste Nebenrollen gut besetzte Darstellerriege, zu der dieses Mal Tobias Moretti

als Brenners Ex-Chef sowie die laszive Nora von Waldstätten als dessen Ehefrau gehören. Fazit: unbedingt anschauen!

AFRIKA – DAS MAGISCHE KÖNIGREICH (1:1.85, 3D, DD 5-1 + Atmos)

OT: Enchanted Kingdom
Verleih: Constantin
Land/Jahr: Großbritannien 2014
Regie: Patrick Morris, Neil Nightingale
Kinostart: 05.03.2015

Der Regen als die Quelle allen Lebens bildet den roten Faden in dieser faszinierend bebilderten Reise in den schwarzen Kontinent. Mit mehreren Kamerateams haben sich Patrick Morris und Neil Nightingale aufgemacht, Afrikas Tierwelt dreidimensional einzufangen. Hautnah rücken sie damit exotische Bewohner des Regenwalds sowie der Namib-Wüste in das Zentrum ihres Films. Da gibt es unter anderem eine tanzende Echse, ein hungriges Chamäleon, das in bester Italo-Western-Manier auf die Jagd geht, oder balzende Flamingos in großer Formation zu erleben. Patrick Doyles orchestrale Filmmusik mit Chorpässagen hat großen Anteil am Gelingen des Films, der auch mit ein paar gruseligen Momenten aufwartet. Beispielsweise wenn eine Herde von trinkenden Gnus von Krokodilen angegriffen wird oder eine Zwergpuffotter im Wüstensand ihre Mahlzeit anlockt. Etwas enttäuschend an der ganzen Umsetzung ist jedoch das auf 1:1.85 reduzierte Bildformat. Denn die grandiosen Landschaften schreien geradezu nach kinogrechtem CinemaScope.

Freitag, 30.01.2015

Im Wald da sind die Räuber

Was haben Friedrich Schiller und die Hochfinanz miteinander zu tun? Die Frage sollte heute geklärt werden...

DIE RÄUBER (1:2.35, DD 5.1)

Verleih: farbfilm
Land/Jahr: Luxemburg, Deutschland,

Belgien 2014

Regie: Frank Hoffmann, Pol Cruchten

Darsteller: Eric Caravaca, Robinson Stévenin, Isild Le Besco, Tchéky Karyo
Kinostart: 19.03.2015

Er wurde von der Bankiersfamilie geopfert: Karl Escher saß drei Jahre hinter Gittern. Wegen Urkundenfälschung und Unterschlagung. Getan hat er es nur, um seinen Vater zu schützen. Jetzt aber will er sich für das Unrecht rächen: er wird Mitglied in einer Bande, die es auf genau diese Bank abgesehen hat. Doch sein Bruder Franz erhält einen Tipp und fackelt nicht lange. Der Familienzweist nimmt einen tragischen Verlauf... Friedrich Schillers Drama von einst umgesetzt in die Neuzeit – geht das überhaupt? Theoretisch ja, doch in Frank Hoffmanns und Pol Cruchten Film missglückt das Wagnis leider. Visuell und tontechnisch ist der Film zwar wirklich bestechend, doch spätestens wenn sich die fliehenden Räuber vor der Polizei in den Wald flüchten, wird die ganze Geschichte ziemlich hanebüchen. Um den Film vollends zu ruinieren, engagierten die Filmemacher den vor Kurzem verstorbenen Maximilian Schell, der hier die mit Abstand schlechteste Performance seiner Karriere abliefert. Seine Art und Weise zu spielen und zu reden passt ganz gut in Schillers Zeit, ist aber leider hier ziemlich fehl am Platz. Ein groteskes Stück Kino glamourös verpackt.

A MOST VIOLENT YEAR (1:2.35, DD 5.1)

OT: A Most Violent Year
Verleih: SquareOne/Universum (24 Bilder)
Land/Jahr: USA 2014
Regie: J.C. Chandor
Darsteller: Oscar Isaac, Jessica Chastain, David Oyelowo
Kinostart: 19.03.2015

The Adventures Of Tom Thumb And Thumbelina (DVD + UltraViolet)

Jennifer Love Hewitt, Elijah Wood, Peter Gallagher, Tom Wilhite
Two tiny fairy-tale legends meet in one fun-filled, action-packed musical adventure. Trying to find their way in a great big world, Tom Thumb and Thumbelina join forces and face towering odds in a remarkable journey to find their true home. When the comically conniving Mole King takes Thumbelina into his underground lair and tries to claim her as his wife, Tom must call upon his friends in the forest for a daring rescue. But Thumbelina already has escape plans of her own. It's nonstop laughs and thrills as Tom and Thumbelina find excitement around every corner in their search for family and others like them.
Adventure, Animation, Children's, Comedy, Fairy Tales, Family, Musical 76min.

The Boxtrolls (Blu-ray 3D + Blu-ray + DVD + UltraViolet) (Blu-ray)

Isaac Hempstead Wright, Nick Frost, Elle Fanning, Tracy Morgan, Toni Collette, Jared Harris, Ben Kingsley - Dir. Graham Annable, Anthony Stacchi
*From the creators of Coraline and ParaNorman comes a magical family adventure about heroes in all shapes and sizes: The Boxtrolls. Quirky, mischievous and good-hearted, these box-wearing creatures have lovingly raised a human boy named „Eggs“ (voiced by Isaac Hempstead Wright) in a charming cavern below the bustling streets of Cheesebridge. But when evil Archibald Snatcher (voiced by Ben Kingsley) decides to capture the lovable misfits, it's up to Eggs and his feisty young friend, Winnie (voiced by Elle Fanning), to save the Boxtrolls. Also featuring the voice talents of Jared Harris, Nick Frost, Toni Collette and Tracy Morgan, critics are calling The Boxtrolls „A delectable treat-“ - Brian Truitt, USA Today

Despicable Me 2: 3 Mini-Movie Collection

Elsie Fisher, Pierre Coffin, Miranda Cosgrove, Steve Carell - Dir. Pierre Coffin, Chris Renaud
Bringing laughs for the whole family, the mischievous Minions return in three new hilariously entertaining mini-movies. In „Puppy,“ when Kyle is unwilling to behave like a real dog, the Minions go looking for one who will. As usual, nothing goes as planned, and when their new friend gets homesick, it's time for some very creative thinking! „Panic In The Mailroom“ is what happens when a suspicious package arrives and the Minions are totally unprepared. And in „Training Wheels,“ Agnes has some trouble with her bike and the Minions come to her aid - armed with a few helpful gadgets. You'll want to watch these hysterical escapades again and again, because the „3 Mini-Movie Collection“ from Despicable Me 2 is three times the fun - for everyone!

Digimon Fusion: Season One

When a human boy and his two best friends are transported

Neuankündigungen DVD & Blu-ray Disc USA

into the Digital World they encounter a strange group of creatures called „Digimon“ who engage in epic battles for control of their empire. Watch the adventures unfold in all 30 episodes of Digimon Fusion! Mikey Kudo and his friends Angie and Jeremy meet a feisty Digimon called Shoutmon and his formidable but quirky Digimon companions. Brave Shoutmon longs to be the King of the Monsters and asks for the kids' help to achieve his goal. Mikey immediately agrees to help, setting off an extraordinary adventure across hundreds of Digi-Zones. But the fate of the Digital World is in jeopardy. Evil forces threaten annihilation, and Mikey is charged with leading the Fusion Fighters against the evil Bagra Army. Now, the fate of the Digital World lies in the hands of one human boy, and the Digimon need his help or risk being deleted once and for all!

Digimon Tamers: Third Season - Volume 1

Tomoko Kaneda, Unsho Ishizuka, Fumiko Orikasa, Takashi Matsuyama

In Digimon Tamers: Volume 1, see the first 17 episodes of Digimon Season 3! In a separate universe from the first two seasons of Digimon Adventure, Digimon Tamers follows the lives of Takato, Henry and Rika, three normal kids who are mega fans of the Digimon card game. One by one the Digimon drawings on their cards start coming to life in different ways and the kids soon realize there is a Digital World plagued by evil that needs their help, so they band together in an effort to defeat bio-emerging Digimon who are crossing barriers and networks in search of domination. Can kids stop them or will evil prevail.

Dr. Seuss: Cat In The Hat And Friends

It's a rainy day at home and siblings Dick and Sally have nothing to do, but all of that changes when The Cat and his messy sidekicks, Thing One and Thing Two, burst onto the scene, bringing with them adventure and chaos much to the dismay of a worried pet goldfish. Come join the escapades in the remastered Deluxe Edition of the classic TV special, Dr. Seuss's The Cat in the Hat. Then, The Cat in the Hat narrates the story of Daisy-Head Mayzie, a girl who mistakenly thinks that the flower blooming on her head will only bring trouble, but eventually propels her to fame and fortune. And finally, blast off to The Hoover-Bloob Highway, where every road from a space laboratory leads to Earth... and eventually to gratitude. It's Dr. Seuss-times-three in this fun and whimsical collection that's sure to be cherished by fans of all ages.

LEGO Legends Of Chima: Quest For The Legend Beasts - Season 2, Part 1

With Mount Cavora and the Chi imperiled, leaders from the eight main battling tribes of Chima have to join forces on a mission into the Outlands to find the Legend Beasts. These ancient creatures offer the only hope of saving Cavora and its Chi. But our heroes soon learn the Beasts have been captured by mysterious new Tribes of Scorpions, Spiders, and Bats. However, what our heroes don't know is that in a chasm in the Outlands, an ancient Tribe of vicious creatures, Hunter Tribes, are frozen in ice and soon, those creatures will be awakened. The Hunter Tribes consist of Saber Tooth Tigers, Mammoths, and Vultures. They have been frozen in ice for thousands of years deep in the ground below Chima. Several millennia ago, the Hunters attempted to take over Chima, but were defeated by the „secret“ guardians of Chima, The Phoenix. Will the Phoenix be able to help our heroes save Chima?

1066: The Battle For Middle Earth

In the year 1066, England changed forever. Now, this epic, roller-coaster adventure of invasion, resistance and war tells the story from the ground up - from the point of view of those everyday men and their families - as they are hurled into the turmoil of war. Two young men, Tofi and Leofric, are swept up in the events that will change Europe for ever. Forced to defend their country, the two men join King Harold's army, and, at the battle of Stamford Bridge defeat the great Viking army. But before they have time to recover, news reaches them that the orkish Normans have landed in Sussex. Their home village is under attack, and they must run south... to fight the epic battle of Hastings.

Aaliyah: The Princess Of R&B (DVD + UltraViolet)

Rachel Crawford, Alexandra Shipp - Dir. Bradley Walsh
Self-proclaimed „street but sweet“ Aaliyah led the royal R&B scene before Beyonce or Rihanna attained their status. With her sexy tomboy style and infectious confidence, she ruled the charts as one of the recording industry's most successful artists in history. But there was much more to Aaliyah than choreographed dance moves, movie roles, and a celebrated voice. Based on a true story, Aaliyah: The Princess Of R&B embodies the soul, determination, and challenges of Aaliyah Dana Haughton, from the beginning of her career to her tragic death at age 22.

ABC's Of Death 2

ABC's Of Death 2 is the follow-up to the most ambitious anthology film ever conceived with productions spanning from Nigeria to UK to Brazil and everywhere in between. It features segments directed by over two dozen of the world's leading talents in contemporary genre film. The film is comprised of twenty-six individual chapters, each helmed by a different director assigned a letter of the alphabet. The directors were then given free rein in choosing a word to create a story involving death. Provocative, shocking, funny and at times confrontational, ABC's Of Death 2 is another global celebration of next generation genre filmmaking.

Amazing Grace

Moms Mabley, Slappy White, Moses Gunn
Moms Mabley, billed as „The Funniest Woman In The World,“ and one of the most successful African-American comedians of all-time, brings her biting humor to the big screen in a starring role as „Amazing Grace.“ Moms Mabley is Grace Teasdale Grimes, a Baltimore, Maryland widow who discovers that the local mayoral election is a front for pilfering funds from her neighborhood by the incumbent mayor and his cronies. Stirred to activism, Grace, with the aid of her neighbors, rallies the community to thwart the self-serving politicians in this rollicking comedy with a social bent directed by Stan Lathan (Beat Street). Moms Mabley is given comic support by veterans Butterfly McQueen („Prissy“ in Gone With The Wind), Slappy White (TV's Sanford and Son) and Stepin Fetchit (Dimples, Bend of the River).

Anchors Aweigh (Blu-ray)

Kathryn Grayson, Gene Kelly, James Flavin, Leon Ames, Grady Sutton, Billy Gilbert, Jose Iturbi, Edgar Kennedy, Dean Stockwell, Pamela Britton, Carlos Ramirez, Frank Sinatra, Rags Ragland - Dir. George Sidney
Given free rein in choreographing Anchors Aweigh, Gene Kelly was eager to do the unexpected. But what? „How about doing a dance with a cartoon?“ collaborator and friend Stanley Donen asked. How about it indeed. Kelly's live-action fancy footwork with animated Jerry (of Tom and Jerry) remains a milestone of movie fantasy. Frank Sinatra and Kathryn Grayson also head line this wartime tale of two sailors on leave in Hollywood. Sinatra's „I Fall in Love Too Easily,“ the exuberant Kelly/Sinatra „We Hate to Leave“ and other highlights helped Anchors Aweigh weigh in with an Academy Award for Best Scoring of a Musical Picture, plus four more Oscar nominations, including Best Picture and Actor (Kelly).

Josh Hopkins, Kristin Chenoweth, Mena Suvari, Jennifer Finnigan, Geoff Stults, Debra Jo Rupp, Joey Fatone, Kenan

Neuankündigungen DVD & Blu-ray Disc USA

Thompson, Jonathan Silverman, Eric Roberts - Dir. Jonathan Silverman, Jennifer Finnigan

New England's most successful divorce attorney, Vince (Geoff Stults) has it all - a thriving practice, good friends, and his pick of any woman in town. To him, life is one big competition, and losing is unacceptable. Bet Vince finally meets his match in Jane (Mena Suvari). She is beautiful and equally successful. During the last year, she's traveled the world, taking her revenge on all men for her cheating husband and ugly divorce. When Vince and Jane meet through their best friends, he immediately sees a new conquest and she sees a new target. Together, they enter into a series of entertaining wagers with each other where the winner gets to decide the fate of the loser. A hilarious, sexy romantic comedy also starring Kristen Chenoweth, Eric Roberts, Jennifer Finnigan, Josh Hopkins, and Kenan Thompson, A Bet's A Bet proves that love is the one bet where everybody wins.

The Better Angels

Brit Marling, Jason Clarke, Diane Kruger, Wes Bentley - Dir. A.J. Edwards

At an isolated log cabin in the harsh wilderness of Indiana circa 1817, the rhythms of love, tragedy, and the daily hardships of life on the developing frontier shaped one of our nation's greatest heroes: Abraham Lincoln. Using glorious black and white cinematography to conjure an America where the land was raw, The Better Angels sheds new light on the formative years of the future president and the two women who molded him into one of the most revered men in American history. Based on 19th-century interviews with Lincoln's family members, The Better Angels is a beautiful, insightful, and brilliantly composed feature debut from producer Terrence Malick's longtime protegee, A.J. Edwards.

Demon Queen

David Blood, Rick Foster, Mary Fanaro - Dir. Donald Farmer
The mysterious and lecherous Lucinda (Mary Fanaro) is the cold as ice, soul-devouring evil embodiment of the Demon Queen! She's a sinister and murderous Succubus wildly rampaging on an unholy quest of lust and terror. Lucinda loves brutally killing her victims, but she reserves the most horrendous horrors for her forlorn lovers! Jesse (Dennis Stewart) tries to thwart Lucinda's orgy of blood lust, but Lucinda has summoned her most horrific and unspeakable powers especially for his demise! Fear the Demon Queen, she WILL kill you!

The Demon's Rook

Ashleigh Jo Sizemore, Melanie Richardson, John Chatham, James Sizemore - Dir. James Sizemore
Chaos descends upon a quiet town when Roscoe, the pupil of a wizard monk from an ancient race of demons, unknowingly opens a portal that allows an unspeakable evil to travel freely into our world. When three grisly beasts cross into our dimension, the living are possessed and the dead rise to destroy everything in their path. Armed with demons magic, Roscoe is the only fighting chance to put an end to their eternal path of destruction. An ode to the DIY creature-feature classics of the 1980s, The Demon's Rook is a gut-flinging monster mash (Dread Central) that you won't soon forget.

Devil May Call (DVD + UltraViolet)

Corri English, Tyler Mane - Dir. Jason Cuadrado
Blinded in an accident, Sam (Corri English) rebuilt her life by helping callers on a suicide hotline. When she informs an obsessive caller (Tyler Mane) that she's quitting, he takes the news personally - very personally. What begins as a quiet shift at work becomes a frantic fight for survival against a relentless killer... and the darkest, deadliest night of Sam's life.

The Fan (Blu-ray + DVD Combo) (Blu-ray)

Jonas Vischer, Bodo Steiger, Simone

Brahmann, Desiree Nosbuschi - Dir. Eckhart Schmidt

Teenager Simone appears to be like any other young pop fan. But soon her fixation on the band's lead singer R takes over her life. Simone walks out of school, breaks off with her friends and parents and somehow finds herself waiting for her idol as he appears on a TV show. When she sees him in the flesh she is speechless, unable even to ask for his autograph. He reaches out to touch her. Overcome with emotion, Simone faints; with that first touch, R's fate is sealed. Simone discovers the carefully styled world of which R is just another product. Simone wants nothing more than to love and be loved by R, but he takes her with machine-like coldness. She experiences their intimacy as a kind of slow motion nightmare, an encounter with a robotic creature, totally incapable of affection or emotion. Simone cannot accept the detachment of her idol, and when R walks out on her to join his friends, she plots her revenge. Simone plans the ultimate sacrifice of her god on the altar of her madness, a ceremony as exalted and romantic as it is horribly wonderful. The police search for R. But only Simone knows where he

Force Majeure (Turist)

A critical favorite at the Cannes Film Festival, where it took the Jury Prize in Un Certain Regard, this wickedly funny and precisely observed psychodrama tells the story of a model Swedish family - handsome businessman Tomas, his willowy wife Ebba and their two blond children - on a skiing holiday in the French Alps. The sun is shining and the slopes are spectacular but, during a lunch at a mountainside restaurant, an avalanche suddenly bears down on the happy diners. With people fleeing in all directions and his wife and children in a state of panic, Tomas makes a decision that will shake his marriage to its core and leave him struggling to reclaim his role as family patriarch.

A Hole In The Head

Frank Sinatra, Keenan Wynn, Eleanor Parker, Thelma Ritter, Carolyn Jones - Dir.

Frank Capra

Frank Sinatra stars as Tony Manetta, a widower living well beyond his means, in Miami where he's raising his young son, Alvin (Eddie Hodges). With a limited understanding of the word „responsibility,“ Tony, finding himself in debt and with his back against the wall, decides to reach out to his older brother, Mario, for yet another in a string of loans, fabricating that the money is needed for Alvin who has taken ill. The plot takes full-swing when Mario and his wife decide to pay Tony and Alvin a visit. In the tradition of It's A Wonderful Life, Mr. Deeds Goes To Washington, Pocket Full of Miracles, director Frank Capra weaves a comic tale filled with heart, laughs and love ... and introduced the classic standard „High Hopes“ to the world.

Comedy, Movies 1959 104min.

Sandra Dee, Juanita Moore, Susan Kohner, Rochelle Hudson, Ned Sparks, Robert Alda, Claudette Colbert, Warren William, Lana Turner, Alan Hale, John Gavin, Baby Jane Holzer, Henry Armetta, Louise Beavers - Dir. Douglas Sirk, John M. Stahl

Based on the 1933 best-selling novel, *Imitation of Life* is one of the most beloved and respected stories of all-time. This emotionally charged drama chronicles the lives of two widows and their troubled daughters as they struggle to find true happiness in a world plagued by racism. The *Imitation of Life 2-Movie Collection* includes both versions of the film, the original 1934 Best Picture nominee starring Claudette Colbert and the 1959 masterpiece starring Lana Turner. With storylines tackling racism, romance, family, success and tragedy, *Imitation of Life* is a powerful story that still resonates with audiences today.

In Your Eyes

Neuankündigungen DVD & Blu-ray Disc USA

Zoe Kazan, Steve Howey, Nikki Reed, Richard Riehle, Steve Harris, Mark Feuerstein, Liz Stauber, Cress Williams, Jennifer Grey

Written and executive produced by Joss Whedon, In Your Eyes is a romance with a supernatural twist. Rebecca (Zoe Kazan), a lonely housewife in New Hampshire, suddenly discovers that she shares a strange connection with Dylan (Michael Stahl-David), a struggling ex-con in New Mexico... they can see through one another's eyes and experience sensations felt by the other. Though they've never met, the two share a unique, unparalleled intimacy by being in each other's heads and begin a long-distance relationship unlike any other. Filled with Whedon's signature humor and quirk, the film is an original story of opposites attracting that sacrifices neither its sci-fi nor romantic sensibilities.

Island Of The Living Dead

Gaetano Russo, Yvette Yzon - Dir. Bruno Mattei

Italian horror maestro Bruno Mattei - director of such infamous gut-munchers as Mondo Cannibal, Hell Of The Living Dead and In The Land Of The Cannibals - made his triumphant return to the zombie genre with his penultimate gorefest: When a boneheaded group of treasure hunters are shipwrecked near a deserted island, they'll instead discover an undead nightmare of flesh chomping, skull blasting, absurd plotting, perplexing flamenco, and old-school levels of graphic zombie carnage. Yvette Yzon (Zombies: The Beginning), Gaetano Russo (Caged Women) and Jim Gaines (The One-Armed Executioner) star in this beloved Mattei jaw-dropper from the screenwriter of Fulci's A Cat In The Brain, now presented uncut and uncensored for the first time ever in America!

Jaws 3-Movie Collection

Just when you thought it was safe to go back in the water... all 3 sequels from one of the most successful blockbusters of all time are featured in the Jaws 3-Movie Collection. Years after being terrorized by a great white shark, the vacationers on Amity Island begin disappearing again in an all-too-familiar

fashion and seek the help of Police Chief Brody (Roy Scheider) in Jaws 2. In Jaws 3, tourists marvel at the new „Undersea Kingdom“, a maze of underwater glass tunnels that allow visitors to get up closer to marine life than ever before, until they get an unexpected visit from a very angry shark. Finally, in Jaws: The Revenge, Brody's wife seeks refuge in the Bahamas only to find herself reliving the horrors of her past and decides to take matters into her own hands. This time, it's personal!

Life Partners

Leighton Meester, Adam Brody, Gillian Jacobs, Gabourey Sidibe, Mark Feuerstein
Straight Paige (Jacobs) and lesbian Sasha (Meester) are codependent best friends in their late 20s who have spent the last ten years acting more like wives than friends: they talk to each other on the toilet; they drive each other to the doctor. And as with any good marriage, they're a perfect yin and yang. Until the night Paige meets Tim (Brody). Despite some superficial drawbacks (questionable facial hair, a penchant for quoting the movies everyone quotes), he's the kind of guy you marry. As Paige and Tim's relationship grows, the bond between Paige and Sasha inevitably shifts. Suddenly without a „partner," Sasha is left to examine her own shortcomings and panic about her impending 30th birthday. Passive-aggressive conflict brews in their friendship until the girls must finally confront the question they've been avoiding: can their friendship survive growing up?
Comedy, Friendships, Gay / Lesbian Interest, Movies, Odd Couples 92min.

Listen Up Philip

Keith Poulson, Josephine De La Baume, Kate Lyn Sheil, Dree Hemingway, Krysten Ritter, Jess Weixler, Elisabeth Moss, Jason Schwartzman, Daniel London, Jonathan Pryce
A complex, intimate, and highly idiosyncratic comedy, Listen Up Philip is a literary look at the triumph of reality over the human spirit. Anger rages in Philip (Jason Schwartzman) as he awaits the publication of his sure-to-succeed second novel. He feels pushed out of his adopted home city by the constant crowds and noise, a deteriorating relationship with his photographer girlfriend Ashley (Elisabeth Moss), and his indifference to promoting his own work. When Philip's idol Ike Zimmerman (Jonathan Pryce) offers his isolated summer home

as a refuge, he finally gets the peace and quiet to focus on his favorite subject - himself.

Longmire: The Complete Third Season

Cassidy Freeman, Katee Sackhoff, Bailey Chase, Robert Taylor, Lou Diamond Phillips
Wyoming Sheriff Walt Longmire is back in the saddle for a third thrilling season. After winning his heated re-election as Absaroka County sheriff vs. his ambitious deputy Branch Connolly, Walt Longmire faces a stampede of problems both personal and professional. With Branch mysteriously shot on „the Rez" by the White Warrior spirit of a dead man and Henry arrested in connection to the murder of Walt's wife's killer, Longmire finds himself butting heads with tribal police, big money connections and longstanding feuds. Add to this his daughter Cady's pursuit of the truth regarding her mother's killer, his deputy Vic Moretti's already strained marriage now under pressure with another unwelcome return from her Philadelphia past, and the inevitable rural undercurrent of murder, secrets and betrayal and get ready for Big Sky drama at its best. Last season, Walt and his deputies each braved a storm and did it nobly. But for every storm, there is an aftermath.

Massacre Mafia Style (Blu-ray + DVD Combo) (Blu-ray)

Lorenzo Dardado, Cara Salerno, Vic Caesar, Duke Mitchell, Buck Flower - Dir. Duke Mitchell

YOU'RE IN, OR YOU'RE IN THE WAY! Italian-American actor and nightclub singer Duke Mitchell wrote, produced, directed and starred in this homemade answer to The Godfather, self-financed with earnings from his career as the self-proclaimed „Mr. Palm Springs.“ Previously known for his Martin and Lewis act with Sammy Petrillo as seen in Bela

Lugosi Meets A Brooklyn Gorilla, Duke plays the ruthless son of a Mafia kingpin who blasts his way through Hollywood on a bloody crime spree. Promising „more guts, more action, more dynamite“ than the Mario Puzo gangster classic, Massacre Mafia Style delivers an onslaught of low-budget mayhem unlike anything you've ever seen. Grindhouse Releasing proudly presents the definitive release of the most violent movie ever made!

Matlock: The Complete Series

Kene Holliday, Julie Sommars, Nancy Stafford, Michael Durrell, Linda Purl, Andy Griffith

The one-and-only Andy Griffith stars in Matlock: The Complete Series. Both in the courtroom and out, no one matches the quick wit, Southern charm and killer instincts of legendary attorney Ben Matlock. For the first time on DVD, this collection of all 178 episodes showcases the mysteries that made Matlock a television classic. Helping the masterful lawyer solve his most intriguing cases over the years are a crew of clever colleagues, including daughter Leanne (Brynn Thayer), Conrad McMasters (Clarence Gilyard, Jr.), P.I. Cliff Lewis (Daniel Roebuck) and P.I. Jerri Stone (Carol Huston). Over nine seasons, riveting story lines and A-list guest stars prove that Matlock can captivate juries and audiences alike.

Olive Kitteridge (Blu-ray)

Rosemarie DeWitt, Frances McDormand, Donna Mitchell, Ann Dowd, Peter Mullan, Martha Wainwright, Richard Jenkins

Academy Award winner Frances McDormand (Fargo, North Country) and Academy Award nominee Richard Jenkins (The Visitor, HBO's Six Feet Under) star in the HBO miniseries drama Olive Kitteridge, a film by Academy Award-nominated director Lisa Cholodenko (The Kids Are All Right, Laurel Canyon). Based on Elizabeth Strout's Pulitzer Prize-winning novel of the same name and written by Emmy-winner Jane Anderson (HBO's The Positively True Adventures of the Alleged Texas Cheerleader-Murdering Mom and Normal), this four-part drama tells the story of a seemingly placid New England town wrought with illicit affairs, crime and tragedy, told through the lens of Olive (McDormand), whose wicked wit and harsh demeanor mask a warm but troubled heart and staunch moral center. Executive produced by Academy Award winners Tom Hanks and Frances McDormand, and Emmy-winners Jane Anderson and Gary Goetzman.

On The Town (Blu-ray)

Frank Sinatra, Alice Pearce, Florence Bates, Jules Munshin, Betty Garrett, Ann Miller, Gene Kelly - Dir. Gene Kelly, Stanley Donen

New York, New York, it's a wonderful town - especially when sailors Gene Kelly, Frank Sinatra and Jules Munshin have a 24-hour shore leave to see the sights... and when those sights include Ann Miller, Betty Garrett and Vera-Ellen. Co-directed by Kelly and Stanley Donen, based on the Broadway hit and set to an Academy Award-winning adaptation score, On the Town changed the landscape of movie musicals, opening filmmakers' eyes to what could be done on location. And when brilliant location and studio production numbers are blended, it could be - as here - ebullient, up-and-at-'em perfection. The Bronx is up and the Battery's down, but no one can be down after going On the Town.

The Pet

Cult favorite The Pet is a shocking dramatization, based on actual events, by director D. Stevens. The film follows a young woman who, in an emotional and financial crisis, succumbs to the charm of an aristocratic benefactor. Their relationship develops from her desire to be loved and his desire to overcome the loss of his beloved setter, a loyal and devoted pet. She agrees for a considerable sum of money to become his human pet, to sleep in a cage, never wear cloths, and to be led on a leash for a period of six-months. His desire to showcase his beautiful new pet, and to have her market value appraised, prompts him to place her on the Global Slave market.

Pork Chop Hill

James Edwards, Carl Benton Reid, George Peppard, Bob Steele, Gregory Peck, Harry Guardino, Rip Torn - Dir. Lewis Milestone

As the Korean War rages, efforts being led to recapture Pork Chop Hill are thwarted at every turn. While leading his infantry forward to gain control of the hill, Lieutenant Joe Clemons (Gregory Peck) finds himself standing at a crossroad: with only twenty-five soldiers remaining out of an original one-hundred and thirty-five man unit, he is faced with abandoning the mission (a mission that his superiors are unwilling to concede) or face what may well be certain death.

Pork Chop Hill directed by Lewis Milestone (1962's Mutiny On The Bounty), co-stars George Peppard (The Carpetbaggers), Rip Torn (Men in Black) and Woody Strode (Once Upon A Time In The West).

Action, Drama, Korean War, Movies, War 1959 97min.

Quiero Amarte (Loving You Is All I Want)

Flavio Medina, Alejandra Barros, Jean Paul Leroux, Luz Maria Jerez, Karyme Lozano, Yolanda Ventura, Diana Bracho, Otto Sirgo, Jose Elias Moreno, Cristian de la Fuente

Mauro Montesinos is the owner of the coffee plantation called El Paraso. Said property he inherited from his dead wife, Elena Carmona, with whom he precreated a daughter, Juliana. As time goes by, he falls in love again with Florencia Martnez, the young owner of some coffee lands next to el Paraso. However, the love between Mauro and Florencia is impossible because when they are about to marry, Mauro discovers that Lucrecia, an old friend of his, is pregnant with his child. Mauro and Florencia must separate despite their big love.

R100 (Blu-ray + Digital HD) (Blu-ray)

In this audaciously kinky, meta-comedic thriller, a lonely father with a secret taste for S&M (Nao Ohmori, best known for his titular turn in Takashi Miike's Ichi the Killer) hires a boutique dominatrix agency that specializes in guerrilla acts of public degradation. Although the rough treatment and humiliation Takafumi Katayama receives from these leather-clad women-in cafes and on the street-drive him to ecstatic pleasure, he soon finds himself fin over his head during a surprise house call by one of the mistresses. After a freak and fatal accident, Takafumi is forced into action with a slew of vengeful dominatrices chasing him down. With the help of his son, he'll have to devise a plan to take on the relentless femmes fatales, who each possess a unique S&M talent by which to exact painful revenge.

Rambo: First Blood (Blu-ray + UltraViolet) (Blu-ray)

Sylvester Stallone, Richard Crenna, Brian Dennehy - Dir. Ted Kotcheff

He never fought a battle he couldn't win - except the conflict raging within his own soul. Academy Award-nominee Sylvester Stallone stars as war hero John Rambo. An ex-Green Beret haunted by memories of Vietnam, he was once the perfect killing machine. Now he's searching for peace, but finds instead an over-zealous, small-town sheriff who's spoiling for a fight. All hell breaks loose when an unjustly imprisoned Rambo escapes and becomes the target of a massive manhunt. Now he must use all his cunning, combat skills and weapons training to stay alive and outwit his pursuers. Co-starring Brian Dennehy and Richard Crenna, First Blood is an explosive action-thriller that will keep you on the edge of your seat until the final, powerful frame.

The Red Road: The Complete First Season

Allie Gonino, Jason Momoa, Martin Henderson, Tamara Tunie, Julianne Nicholson, Tom Sizemore

The Red Road is a hard-hitting drama that revolves around a local cop (Martin Henderson of Devil's Knot and The Ring) struggling to keep his family together while simultaneously policing two clashing communities: the small town where he grew up and the neighboring mountains, home of a Native American tribe. After a terrible tragedy and cover up occurs involving the cop's wife (Julianne Nicholson of August: Osage County and Boardwalk Empire), an unholy alliance is forged between the cop and Phillip Kopus (Jason Momoa of Wolves and Game of Thrones), a dangerous member of the tribe that will come back to haunt all involved.

Revelation: The End Of Days

What if the apocalyptic prophecies of the Book of Revelation were to unfold today? That's the terrifying question posed in this thrilling new film from History. When the Wailing Wall comes down in a series of bomb attacks that rock Jerusalem, the event kick-starts seven years of torment that test the limits of mankind. Monster storms ravage the coasts, a horrible virus kills millions, and children mysteriously vanish into thin air. Humanity's only salvation lies in the hands of a TV reporter and his cameraman who embark on an epic journey to decode the secrets of Revelation and identify the Antichrist. If they survive, they stand a chance of witnessing the most extraordinary event of all: The Second Coming of Christ.

Robin And The 7 Hoods (Blu-ray)

Harry Swoger, Hank Henry, Barbara Rush, Jack La Rue, Allen Jenkins, Joseph Ruskin, Victor Buono, Bing Crosby, Peter Falk, Dean Martin, Frank Sinatra - Dir. Gordon Douglas
Robin and the 7 Hoods mirthfully gives the Robin Hood legend a Depression-era, mibtown Chicago setting. There, North Side boss Robbo (Frank Sinatra) hopes to get a leg up in his power struggle with rival racketeer Guy Gisborne (Peter Falk). Robbo sets himself up as a latter-day Robin Hood with philanthropic fronts enabling him to scam the rich, take his cut and then give to the poor. Dean Martin, Sammy Davis, Jr., Bing Crosby and Barbara Rush join in the giddy, gangsterish fun. And the jazzy Sammy Cahn/James Van Heusen score (including Sinatra's classic „My Kind of Town“) is the perfect match for this all-star cast. Chicago will be your kind of town, when you share the music and merriment of Robin and the 7 Hoods.

RPG

Rutger Hauer - Dir. Darin Scott
In a future not too far away, Steve Battier, an elderly, terminally ill multi-millionaire, accepts the offer of a company - RPG - that in exchange for a high monetary sum, provides a very select group of clientele the chance to be young again. For 10 hours, 10 millionaires from around the world, men and women of fame and power, are transferred to attractive and healthy younger bodies, to live in a world of temporary rejuvenation, in a game of real thrills, where every hour someone must die. After returning to the body of a man of 23 years, enjoying the pleasures of sex, and experiencing the adrenaline of violence and power over life and death, Steve is willing to do anything to stay young forever... But what we may have experienced is not always what appears to be.

St. Vincent

Melissa McCarthy, Naomi Watts, Bill Murray
Maggie (McCarthy), a single mother, moves into a new home in Brooklyn with her 12-year old son, Oliver (Lieberher). Forced to work long hours, she has no choice but to leave Oliver in the care of their new neighbor, Vincent (Murray), a retired curmudgeon with a penchant for alcohol and gambling. An odd friendship soon blossoms between the improbable pair. Together with a pregnant stripper named Daka (Watts), Vincent brings Oliver along on all the stops that make up his daily routine — the race track, a strip club, and the local dive bar. Vincent helps Oliver grow to become a man, while Oliver begins to see in Vincent something that no one else is able to: a misunderstood man with a good heart.

Scott And Bailey: Season Three

Suranne Jones, Amelia Bullmore, Lesley Sharp
Suranne Jones and Lesley Sharp return in Sally Wainwright's crime drama exploring the personal and professional lives of two female detectives. Honest, powerful and true to life, Scott & Bailey is a refreshing take on crime drama. Rachel Bailey and Janet Scott are detectives with Manchester Metropolitan Police's prestigious Murder Investigation Team. Rachel is energetic, impulsive, and bold, while Janet is subtle, reliable and a diplomatic thinker with a wry sense of humor, which

makes her the perfect foil for Rachel. After the murder of Rachel's ex-boyfriend Nick Savage in Series 2, Series 3 reveals how Rachel finally managed to prove she was innocent and keep her job.

Star Trek: The Original Series - Captain Kirk's Boldest Missions

Nichelle Nichols, James Doohan, DeForest Kelley, George Takei, Walter Koenig, William Shatner, Leonard Nimoy

Captain James Tiberius Kirk (William Shatner) steps squarely into the spotlight in this thrilling Star Trek collection that features his greatest interstellar adventures! And the commander of the starship U.S.S. Enterprise finds a galaxy full of intriguing missions as he and his crew are destined to go „where no man has gone before.“ From an encounter with the mysterious Balok in „The Corbomite Maneuver“ and attempting to rescue survivors from a planet-killing machine from another galaxy in „The Doomsday Machine“ to the critically acclaimed, Hugo Award-winning „The City on the Edge of Forever,“ this collection of eight thrill-packed, heart-pounding adventures from the original Star Trek series will have you joining Captain Kirk and the Enterprise crew as they soar off on exciting quests and unforgettable encounters.

Starred Up

Ben Mendelsohn, Rupert Friend, Gershwyne Eustache Jr, Gilly Gilchrist, Raphael Sowole, David Ajala, Anthony Welsh, Ashley Chin, Sam Spruell, Peter Ferdinando, Tommy McDonnell, David Avery - Dir. David Mackenzie

Nineteen-year-old Eric (Jack O'Connell, star of Unbroken), arrogant and ultra-violent, is prematurely transferred to the same adult prison facility as his estranged father (Ben Mendelsohn, The Dark Knight Rises). As his explosive temper quickly finds him enemies in both prison authorities and fellow inmates - and his already volatile relationship with his father is pushed past breaking point - Eric is approached by a volunteer psychotherapist (Rupert Friend, Homeland), who runs an anger management group for prisoners. Torn between gang politics, prison corruption, and a glimmer of something better, Eric finds himself in a fight for his own life, unsure if his own father is there to protect him or join in punishing him. Written by prison system therapist Jonathan Asser, Starred Up is a merciless, uncompromising portrayal of a dehumanizing life behind bars, and the most accomplished film of David Mackenzie's career; as father and son, Mendelsohn and O'Connell give extraordinary performances, charting a path that resembles Greek tragedy.

Subconscious (DVD + UltraViolet)

Aleisha Force, Dominick Mancino, Tom Stedham, Tim Abell - Dir. Georgia Hilton
In 1943, the Navy submarine USS Lionfish was inexplicably shut down; its commander, Tony Sterling, gone without a trace. Seventy years later, Sterling's grandson, professor Peter Williams, is recruited by a top-secret government agency to investigate. Aboard the Lionfish, Peter and his team uncover clues to the sub's cryptic past - and are plunged into a terrifying supernatural journey that will take them across the dark abyss of time, with history hanging in the balance.

The Theory Of Everything

Felicity Jones, Eddie Redmayne

Starring Eddie Redmayne (*Les Misérables*) and Felicity Jones (*The Amazing Spider-Man 2*), this is the extraordinary story of one of the world's greatest living minds, the renowned astrophysicist Stephen Hawking, who falls deeply in love with fellow Cambridge student Jane Wilde. Once a healthy, active young man, Hawking received an earth-shattering diagnosis at 21 years of age. With Jane fighting tirelessly by his side, Stephen embarks on his most ambitious scientific work, studying the very thing he now has precious little of - time. Together, they defy impossible odds, breaking new ground in medicine and science, and achieving more than they could ever have dreamed. The film is based on the memoir *Travelling to Infinity: My Life with Stephen*, by Jane Hawking, and is directed by Academy Award winner James Marsh (*Man on Wire*).

Top Five

Anders Holm, Hayley Marie Norman, Ben
Cole, J.B. Smoove, Cedric The Entertainer,
Gabrielle Union, Rosario Dawson, Romany
Malco, Chris Rock - Dir. Chris Rock

Pulsing with the rhythm of his greatest stand-up, Chris Rock's *Top Five* takes things to the next level, reveling in the high and the low, and blending a star-studded comedic romp with an irresistible romance. *Top Five* digs under the surface of show business, politics, rap, and the exigencies of being black and famous today - holding it all up to the light in the way only Chris Rock can. Mingling echoes of Woody Allen and Dick Gregory with the energy of Kanye West and Jay Z, *Top Five* is an original and radically new kind of American movie. Written, directed by, and starring Chris Rock, *Top Five* tells the story of New York City comedian-turned-film star Andre Allen, whose unexpected encounter with a journalist (Rosario Dawson) forces him to confront the comedy career - and the past - that he's left behind.

Universal Soldier (Blu-ray + UltraViolet) (Blu-ray)

Ally Walker, Dolph Lundgren, Jerry Orbach
- Dir. Roland Emmerich

Soldiers Luc Deveraux (Jean-Claude Van Damme) and Sgt. Andrew Scott (Dolph Lundgren) killed each other in Vietnam. But their demise proves to be just the beginning for the U.S. government, which brings both men back to life decades later for a secret anti-terrorism program. Known as „Unisols,“ the genetically enhanced soldiers are now unstoppable killing machines without feelings or free will. But when Deveraux's memory of his old life starts to resurface, he escapes from the program to find his way home, spurring Sgt. Scott to engage him on a superhuman chase across the country...leading to the ultimate clash.

Vanish

Three would-be kidnappers get more than they bargained for when they abduct the daughter of a drug cartel kingpin in VANish, an explosive action ride where nothing and no one are what they seem. Hoping to score a hefty ransom for the safe return of his daughter, three amateur thugs kidnap Emma Rodriguez from the home of her father, drug kingpin Carlos Rodriguez, and force her to record a video of herself pleading for her life. But what they don't know is that Emma is all but estranged from her notorious father, and the murderous blood that made Carlos a name to fear in the underworld also runs through her veins. As time ticks away and the unlucky threesome find themselves in more and more danger in the form of the police, crime bosses, and Carlos himself, they must find a way to keep their once-perfect plan in order before all hell breaks loose. Featuring standout performances and a story that puts a unique new spin on the action thriller, VANish is a high-octane trip through a no-man's-land where trouble lurks behind every turn of its twisting and twisted plot.

The Yards (Blu-ray + UltraViolet) (Blu-ray)

Joaquin Phoenix, Charlize Theron, Mark Wahlberg - Dir. James Gray
Hot stars Mark Wahlberg (The Fighter), Joaquin Phoenix (I'm Still Here) and Charlize Theron (Hancock) power this riveting crime thriller. Released from prison after taking the fall for a group of his friends, Leo Handler (Wahlberg) just wants to get his life back on track. But when he takes a job with his powerfully influential Uncle Frank (James Caan) and reconnects with his old friend Willie (Phoenix), Leo finds himself unwittingly drawn into a world of sabotage, high-stakes payoffs and even murder. Then, he discovers a secret that makes him the target of the city's most ruthless family - his own.

Music

Nas: Time Is Illmatic

Twenty years after the release of Nas's groundbreaking debut album 'Illmatic,' Nas: Time Is Illmatic takes us into the heart of his creative process. Returning to his childhood home in Queensbridge, Nas shares stories of his upbringing, his influences - from the music of his jazz musician father Olu Dara to the burgeoning hip-hop scene in New York City - and the obstacles he faced before his major label signing at age 20. Featuring interviews with his 'Illmatic' producers (Large Professor, Pete Rock, Q-Tip, L.E.S., and DJ Premier) and musical peers (including Pharrell Williams and Alicia Keys), Nas: Time Is Illmatic is a thrilling account of Nas's evolution from a young street poet to a visionary MC.

Art And Craft

Mark Landis has been called one of the most prolific art forgers in US history. His impressive body of work spans thirty years, covering a wide range of painting styles and periods that includes 15th Century Icons, Picasso, and even Walt Disney. And while the copies could fetch impressive sums on the open market, Landis isn't in it for money. Posing as a philanthropic donor, a grieving executor of a family member's will, and most recently as a Jesuit priest, Landis has given away hundreds of works over the years to a staggering list of institutions across the United States. But after duping Matthew Leininger, a tenacious registrar who ultimately discovers the decades-long ruse and sets out to expose his philanthropic escapades to the art world, Landis must confront his own legacy and a chorus of museum professionals clamoring for him to stop. Art And Craft starts out as a cat-and-mouse art caper, rooted in questions of authorship and authenticity — but what emerges is an intimate story of obsession and the universal need for community, appreciation, and purpose.

The Dickumentary: A Short History Of The Penis

Everything you've always wanted to know about the penis, but were afraid to find out. The Dickumentary tells the story of the penis - from its evolution as a biological structure millions of years ago in prehistoric fish to today. Cultures have worshipped it and circumcised it. Men have sought ways to make it larger. Across 14 countries, featuring interviews with more than 40 experts, The Dickumentary tries to answer some of the greatest questions of our time, like: What happened to Jesus' foreskin? Why do Hindus worship Shiva's lingam? Does size really matter? The Dickumentary is an epic journey through a subject that doesn't get talked about nearly enough in polite society.

In The Land Of The Head Hunters

Legendary photographer Edward S. Curtis devoted his life to documenting the world of Native Americans in firm belief that the information he gathered „must be collected at once or the opportunity will be lost.“ In 1914, he created one of the first feature length dramas ever made - a masterpiece filmed with and starring members of the Kwakwaka'wakw (Kwakiutl) tribe of British Columbia. Curtis' haunting melodrama, set before Europeans arrived on the North Pacific Coast, tells the story of a warrior's spiritual journey, of love won and lost, and of a battle between tribes to save the warrior's bride. The film's attention to historic detail and Curtis' legendary eye for composition make *In The Land Of The Head Hunters* one of the most beautiful films of the silent era and a stunning evocation of a culture famed for its incredible artistic heritage. Aspects of the film were based on the Kwakwaka'wakw's oral traditions and it accurately portrays rituals, including the potlatch, which were strictly prohibited by Canadian law until 1951. Motana, the son of a great chief, must gain power from the spirit forces thr

Sex(ed): The Movie

How did you first learn about sex? Maybe it was a book with colorful illustrations, a talk with Mom or Dad, a corny classroom film, or just a random encounter with a dirty magazine. *Sex(ed): The Movie* offers a revealing, occasionally awkward, and often hilarious look at how Americans have learned about sex from the early 1900s to the present. Using clips from an astounding array of sex ed films, this entertaining documentary captures what it was like for the kids - confusion, shock, embarrassment - and as well for those doing the educating (often with moral agendas front and center). *Sex(ed)* ultimately shows us that educating kids about sex is not just about conveying the facts of biology and the dangers of STD; what we learn (and how we learn it) affects our identity, our relationships, and our ability to be intimate throughout our lives.

Spanish Lake

A controversial documentary on 'white flight' in the area of Spanish Lake, Missouri, a post-World War II suburb five miles from Ferguson, Missouri. Due to racism, housing developments, and governmental policies, Spanish Lake experienced a white exodus in the 1990s, resulting in rapid economic decline and population turnover. In the aftermath of the Mike Brown shooting and Ferguson riots, Spanish Lake is a shocking and timely film on America's growing political divide, racial tension, and rise of anti-government sentiment.

Watchers Of The Sky

With his provocative question, „why is the killing of a million a lesser crime than the killing of an individual?“ Raphael Lemkin changed the course of history. An extraordinary testament to one man's perseverance, the Sundance award-winning film *Watchers of the Sky* examines the life and legacy of the Polish-Jewish lawyer and linguist who coined the term genocide. Before Lemkin, the notion of accountability for war crimes was virtually non-existent. After experiencing the barbarity of the Holocaust firsthand, he devoted his life to convincing the international community that there must be legal retribution for mass atrocities targeted at minorities. An impassioned visionary, Lemkin confronted world apathy in a tireless battle for justice, setting the stage for the Nuremberg trials and the creation of the International Criminal Court. Inspired by Samantha Power's Pulitzer Prize-winning book *A Problem From Hell*, this multi-faceted documentary interweaves Raphael Lemkin's struggle with the courageous efforts of four individuals keeping his legacy alive: Luis
