DIGITAL EDITION

Nr. 349 - Juni 2015

editorial

**Hallo Laserdisc- und DVD-Fans,
liebe Filmfreunde!**

Der Juni ist zwar schon fast vorbei, doch wollten wir es uns nicht nehmen lassen, Ihnen noch schnell eine Juni-Ausgabe unseres Newsletters zukommen zu lassen. Der hätte ja eigentlich schon viel früher produziert werden sollen, doch hat uns der Terminkalender einen kleinen Strich durch die Rechnung gemacht: noch nie standen so viele Kino-Events im Planer wie in den vergangenen Wochen. Will heißen: unsere Videoproduktion läuft auf Hochtouren! Und das ist auch gut so, wollen wir doch schließlich unseren Youtube-Kanal mit Nachschub versorgen. Damit aber nicht genug: inzwischen klopfen verstärkt Kinobetreiber, Filmverleiher und auch DVD-Labels bei uns an, um Videos in Auftrag zu geben. Ein Wunsch, dem wir nur allzu gerne nachkommen – es geht nichts über kreatives Arbeiten! Insbesondere freuen wir uns, dass es wieder einmal eines der beliebtesten Videos in unserem Youtube-Kanal als Bonus-Material auf eine kommende DVD-Veröffentlichung geschafft hat. Auf persönlichen Wunsch von Regisseur Marcel Wehn wird unser Premierenvideo zu seinem beeindruckenden Dokumentarfilm **EIN HELLS ANGEL UNTER BRÜDERN** auf der DVD, die Ende Juli veröffentlicht wird, zu finden sein. Merci, Marcel! Übrigens hat genau dieses Video zwischenzeitlich mehr als 26.000 Zugriffe

zu verzeichnen – Tendenz steigend. Momentan stehen wir in Verhandlung mit weiteren Filmemachern sowie DVD-Labels, die das ein oder andere kleine Filmchen aus unserem Youtube-Sortiment auf DVD bzw. Blu-ray bannen wollen. Mehr dazu wenn es spruchreif ist.

Aber was gibt es Neues auf unserem Youtube-Kanal? Das Titelbild dieses Newsletters verrät es schon. Einmal mehr haben wir uns bei der FMX umgeschaut, jenem Fachkongress für visuelle Effekte, der einmal pro Jahr in Stuttgart abgehalten wird. Dort hatten wir das große Vergnügen, nicht nur Sylvain Grain, Produzent des IMAX 3D-Films **D-DAY: NORMANDY 1944** vor die Kamera zu holen,

sondern auch gleich drei der maßgeblich für die visuellen Effekte in **INTERSTELLAR** verantwortlichen Profis: Paul Franklin, Ian Hunter und Oliver James. Entstanden sind dabei zwei Videos: "**D-DAY: NORMANDY 1944 – Producer Sylvain Grain at FMX 2015**", in dem der Produzent über die Arbeit an dem aufwändig produzierten 3D-Film erzählt, sowie "**INTERSTELLAR – The Men behind INTERSTELLAR'S Visual Effects**", in dem die drei VFX-Spezialisten nicht nur über ihre Arbeit an **INTERSTELLAR** berichten, sondern auch interessante Details zur Arbeit mit Christopher Nolan erzählen und einmütig dem IMAX-Format huldigen. Beide Videos gibt es natürlich in der englischen Originalfassung zu sehen. Reinschauen lohnt sich!

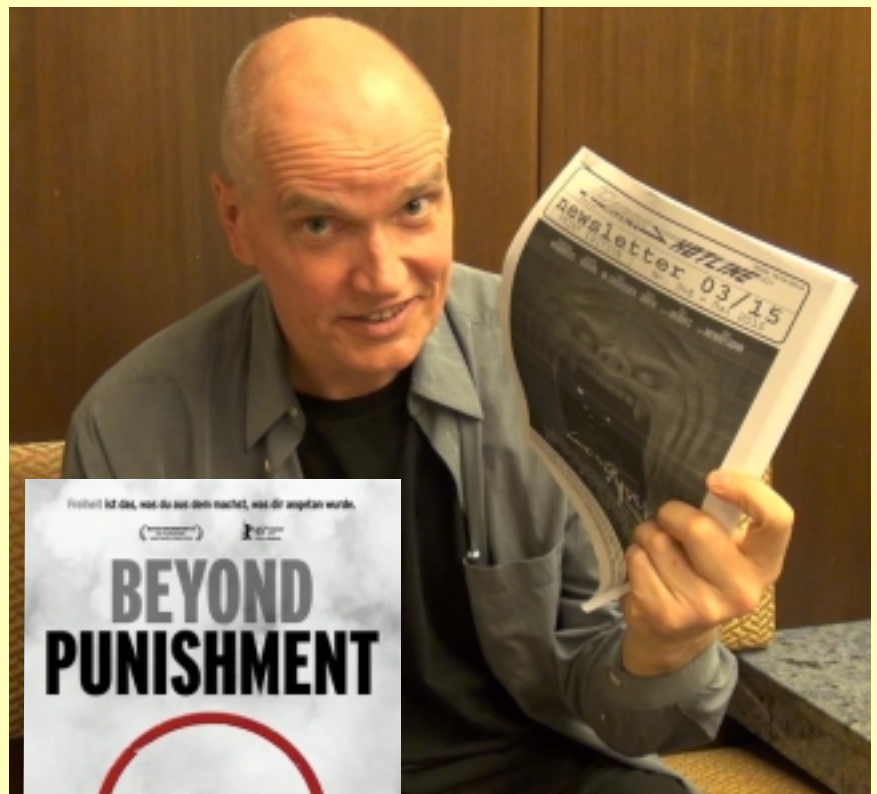

Daneben haben wir gleich drei weitere Videos zu Stuttgarter Kinopremieren hochgeladen. **DAS ZIMMERMÄDCHEN LYNN** mit Hauptdarstellerin Vicky Krieps und Regisseur Ingo Haeb, **BEYOND PUNISHMENT** mit Regisseur und Autor Hubertus Siegert sowie **VICTORIA** mit Regisseur Sebastian Schipper, der unlängst mit deutschen Filmpreisen geradezu überhäuft wurde. Auch da lohnt sich das Reinschauen.

Im Augenblick arbeiten wir bereits an den nächsten beiden Filmen, die vermutlich Anfang Juli unser Youtube-Kabinett ergänzen werden. Mehr dazu dann im nächsten Newsletter. Und wer jetzt glaubt, dass wir vor lauter Videos zu produzieren, DVDs zu verkaufen und Newsletter zu erstellen zu gar nichts anderem mehr kommen, dem sei versichert, dass wir unsere 4-tägige Fahrradtour entlang der Donau von Ulm bis Regensburg in vollen Zügen genossen haben – auch wenn wir gegen Wind und Wetter ankämpfen mussten. Sollten Sie auch mal machen. Es lohnt sich!

Forever Young

Romantischer Liebesfilm trifft auf abgewichste Teenie-Komödie. Ich nenne das Dienstagskino.

FÜR IMMER ADALINE (1:2.35, DD 5.1 + Atmos, Auro 11.1)

OT: The Age Of Adaline

Verleih: Universum Film (Walt Disney)

Land/Jahr: USA 2014

Regie: Lee Toland Krieger

Darsteller: Blake Lively, Michiel

Huisman, Kathy Baker, Harrison Ford, Ellen Bustyn

Kinostart: 09.07.2015

Seit die damals 29jährige Adaline 1935 einen schweren Autounfall hatte, altert sie nicht mehr. Ein Umstand, den sie streng geheim hält, um nicht Opfer wissenschaftlicher Untersuchungen zu werden. Nur ihre Tochter ist in das Geheimnis eingeweiht. Alle zehn Jahre legt sich Adaline eine neue Identität zu, damit ihr Geheimnis bewahrt bleibt. Auch Liebesbeziehungen geht sie deshalb aus dem Weg. Das ändert sich jedoch, als sie in der Gegenwart dem charismatischen Ellis begegnet, der sie im Sturm erobert. Als der unwissende Ellis schließlich die junge Frau, die er als Jenny kennen und lieben lernte, seinen Eltern vorstellt, droht ihr jahrzehntelang wohlgehütetes Geheimnis ans Licht zu kommen: Ellis' Vater erkennt Adaline... Die Stimme aus dem Off erklärt uns vollkommen nüchtern und wissenschaftlich wohl begründet, was da genau mit der Heldin passiert, als sie 1935 ihr Auto in den Abgrund steuert. Man fühlt sich leicht an Rod Serlings **TWILIGHT ZONE** erinnert, doch schafft dieser Off-Kommentar gleichzeitig eine große Distanz zwischen Film und Publikum. So dauert es dann auch ein ganzes Weilchen, bis man sich in diese romantische Geschichte hineinfindet. Ab diesem Punkt gewinnt das Drama und lässt uns als Zuschauer mit der Protagonistin (sehr sympathisch verkörpert von Blake Lively) auch mental mitleiden. Wie geht man mit dem nicht Altern können um, welche Konsequenzen ergeben sich daraus? Sehr deutlich schildert Lee Toland Kriegers Film dies an der Bezie-

hung von Adaline zu ihrer Tochter, die im Gegensatz zu ihr natürlich altert und zur Greisin wird, während Adaline weiterhin das Äußere einer 29jährigen hat. Gut besetzt sind auch die beiden männlichen Hauptrollen: Michiel Huisman als charismatischer Ellis Jones und Harrison Ford als sein alter Vater – damit endlich wieder eine Rolle, die Ford angesichts seines Alters auch ausfüllen kann! Am Ende allerdings lässt uns das Drehbuch etwas im Stich. Da hat Adaline zwar ihre große Liebe in Ellis gefunden, dass er jedoch der Sohn ihrer einstigen großen Liebe ist, wird einfach unter den Tisch gekehrt. Hier handelt es schließlich um einen ziemlichen Konflikt, der nicht aufgelöst wird. Alles andere ist leider ziemlich vorhersehbar. Damit dürfte **FÜR IMMER ADALINE** zwar nicht alle Fans märchenhaft-romantischer Liebesfilme zufriedenstellen, doch die Mehrheit wird's mögen.

ABSCHUSSFAHRT – VIER IST EINER ZU VOLL

(1:2.35, 5.1)

Verleih: Constantin

Land/Jahr: Deutschland 2015

Regie: Tim Trachte

Darsteller: Tilman Pörzgen, Chris Tall, Max von der Groeben

Kinostart: 21.05.2015

Paul, Benny und Max gelten als Außenseiter in ihrer Schulklasse. Das soll sich auf der Klassenfahrt nach Prag ein für alle Mal ändern, beschließt das Trio. Und so schleichen sich die Drei zusammen mit dem etwas autistischen Magnus nachts aus dem Hotel, um im angesagtesten Club der Stadt Frauen aufzureißen. Dass das Quartett stattdessen jedoch im heruntergekommensten Puff landet, hätte niemand ahnen können... Tim Trachtes zeitgenössische Pennäler-Komödie gehört zu jener Gattung von Filmversuchen, bei denen das einzig Spannende ist, wie lange es dauert, bis im Film zum ersten Mal der Mageninhalt über den Mund entleert wird. Und hier hat der Film gute Chancen, bei den Top 5 dabei zu sein. Nach gefühlten acht Minuten wird die erste Kotztüte im Reisebus gefüllt. Was dann folgt ist auch nicht viel besser. Da wird

das wunderschöne Prag optisch zu einer abgewrackten Ostblockstadt degradiert, in der es nur wortkarge Kriminelle, leichte Mädels und Ziegenficker gibt! Das soll der Zuschauer natürlich extrem lustig finden, doch wird das nicht allen gelingen. Es ist oft schon mehr als peinlich, was sich das Drehbuch hier für die pubertierenden Jungs einfallen lässt. Könnte durchaus sein, dass so etwas bei männlichen Zuschauern mitten in der Pubertät als Lachkatalysator wirken könnte, älteren Filmfans sei dringend vom Konsum des Films abgeraten.

Eine Agentin mit vielen Pfunden

Ein Eisenbahnfreak stellt sich seiner Vergangenheit und eine mollige Büro-maus wird zur Superagentin. Ein interessanter Donnerstag.

DIE LIEBE SEINES LEBENS (1:2.35, 5.1)

OT: The Railway Man

Verleih: Koch Media (Studiocanal)

Land/Jahr: Australien, Großbritannien 2013

Regie: Jonathan Teplitzky

Darsteller: Colin Firth, Nicole Kidman, Jeremy Irvine

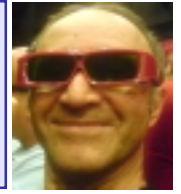

Kinostart: 25.06.2015

1980: Kriegsveteran Eric Lomax, ein passionierter Eisenbahnfan, lernt bei einer Zugfahrt die Krankenschwester Patti kennen und verliebt sich Hals über Kopf in die warmherzige Frau. Seine Gefühle blieben nicht unerwidert und so heiratet er seine Patti schon nach kurzer Zeit. Bald jedoch muss Patti feststellen, dass Eric offenbar schwere psychische Kriegswunden aus seiner Zeit als Gefangener in einem japanischen Straflager während des Zweiten Weltkriegs davongetragen hat. Vergebens versucht sie ihm zu helfen. Erst die schicksalhafte Entscheidung eines Kriegskameraden bewegt ihn dazu, sich seiner Vergangenheit ein für alle Mal zu stellen... Was im Original schlicht und ergreifend "Der Eisenbahnmann" lautet, wurde vom deutschen Filmverleih mit **DIE LIEBE SEINES LEBENS** betitelt. Und genau deswegen könnte der Film in Deutsch-

land eine Bruchlandung erleben. Denn anders als der deutsche Titel vermuten lässt, handelt es sich bei dem auf einer wahren Geschichte beruhenden Film nicht etwa um eine Romanze, sondern um harte Kost. Die Romanze, auf die der deutsche Titel anspielt, findet eigentlich nur in der Nebenhandlung statt. Und so bleibt selbst Nicole Kidman in diesem Film nur eine Nebendarstellerin. Ihre Rolle ist es zwar, die Eric Lomax dazu anstößt, sich seinen Dämonen zu stellen, doch eben auch nicht mehr. Die tragende Figur in diesem Film ist ganz klar Colin Firth als jener Eisenbahnfreak, dem während des Zweiten Weltkrieges in japanischer Gefangenschaft Schlimmes widerfahren ist und ihn bis 1980 nicht zur Ruhe kommen lässt. Jonathan Teplitzkys Film weckt Erinnerungen an **DIE BRÜCKE AM KWAI**. Und das nicht nur, weil jene Brücke, vor der wir Lomax zum ersten Mal sehen, jener Brücke aus David Leans Film ziemlich gleicht sieht. Auch die Szenerie des japanischen Straflagers mit all ihren Folterungen erinnern an den **KWAI**-Film. Allerdings wundert man sich schon ein wenig, wenn endlich enthüllt wird, was Lomax so Schlimmes erleiden musste, dass er nicht darüber sprechen kann. Da bauscht der Film etwas zuviel auf und hinterlässt gerade deswegen wohl auch keine besonders nachhaltige Wirkung.

SPY – SUSAN COOPER UNDER-COVER (1:2.35, DD 5.1 + 7.1 + Atmos)

OT: Spy
Verleih: Fox
Land/Jahr: USA 2015
Regie: Paul Feig
Darsteller: Melissa McCarthy, Jude Law, Jason Statham
Kinostart: 04.06.2015

Bekanntlich steckt hinter jedem erfolgreichen Mann eine Frau, die ihm den Rücken freihält. Im Fall von Susan Cooper und Bradley Fine stimmt das sogar im wahrsten Sinne des Wortes. Denn während Bradley im Auftrag des CIA an vorderster Front gegen böse Buben kämpft, gibt Susan ihm von der Leitstelle im Untergeschoss des CIA aus mit Hilfe modernster Technik exakte Anweisungen, wo er den nächsten

Gangster abwehren muss. Dabei träumt Susan schon lange davon, selbst einmal als Agentin im Feld eingesetzt zu werden. Einziges Problem: ihr äußeres Erscheinungsbild ist alles andere als jenes einer selbstbewussten, raffinierten und attraktiven Agentin! Das Schicksal jedoch sieht das ganz anders. Und so wird Susan tatsächlich als Agentin eingesetzt... Was an dieser Komödie von **BRAUTALARM**-Regisseur Paul Feig wirklich gefällt, ist der Stil des Films. Denn hier wird voller Ehrfurcht den James-Bond-Filmen gehuldigt – sei es mit der Filmmusik, den exotischen Locations oder den attraktiven Menschen, die selbige bevölkern. Als Kontrast dazu darf die üppig-mollige Melissa McCarthy in der Rolle der Susan Cooper den Laden einmal so richtig aufmischen. Und das gelingt in der Mehrzahl der Fälle richtig gut. Wenn sich die korpulente Agentin mit ihrer superschlanken Gegnerin mittels Bratpfannen und Schneidemessern in der Küche eines Restaurants ein Duell auf Leben und Tod liefert, dann darf herzlich gelacht werden. Weit weniger lustig allerdings ist die Brutalität, mit der die Agentenkomödie durchgezogen ist. Köstlich dagegen Jason Statham als Macho-Agent, der auch mal bei seinem Überraschungsauftritt mit seinem Jackenärmel an der Türklinke hängen bleibt und sich damit selbst austrickst. Fazit: brauchbare Persiflage, die gut unterhält.

Voller Symbole

Japanisches Arthaus-Kino verabschiedete mich ins Wochenende

STILL THE WATER (1:2.35, 5.1)

OT: Futatsume No Mado
Verleih: Film Kino Text (Film-agentinnen)
Land/Jahr: Japan, Spanien, Frankreich 2014
Regie: Naomi Kawase
Darsteller: Makiko Watanabe, Hideo Sakaki, Miyuki Matsuda
Kinostart: 30.07.2015

Seit der Trennung seiner Eltern lebt der introvertierte Kaito mit seiner Mutter auf einer japanischen Insel. Dass sich

seine Eltern getrennt haben, hat er noch immer nicht verarbeitet. Seine Freundin Kyoko muss sich mit dem nahenden Tod ihrer Mutter, einer Schamanin, auseinandersetzen... Leben, Liebe, Tod und Wiedergeburt sind die Themenkomplexe, die die japanische Filmemacherin Naomi Kawase in ihrem Coming-of-Age Drama verarbeitet. Dabei bedient sie sich einer intensiven Symbolsprache, die einerseits viel Raum für Interpretationen lässt, andererseits aber auch recht anstrengend ist. Aber so ist das nun einmal im asiatischen Kino: statt bestimmte Dinge direkt anzusprechen wird kunstvoll verklausuliert.

Der junge Mann und das Meer

Zum Wochenauftritt gab es heute optisch faszinierendes Arthaus-Kino.

ATLANTIC. (1:2.35, 5.1)

OT: Atlantic.
Verleih: Neue Visionen
Land/Jahr: Niederlande, Belgien, Deutschland, Marokko 2014
Regie: Jan-Willem van Ewijk
Darsteller: Fettah Lamara, Thekla Reuten, Mohamed Majid
Kinostart: 25.06.2015

Fettah lebt zusammen mit seinem Vater an der marokkanischen Küste. Die beiden halten sich mit Fischen gerade so über Wasser. Richtiges Geld gibt es von den Touristen, die zum Windsurfen kommen und eine Unterkunft brauchen. Fettah, selbst begeisterter Surfer, hat im Laufe der Jahre viele Freundschaften mit den Touristen geschlossen. Doch sind sie erst einmal wieder weg, bleibt für ihn nur eine Leere zurück. Eine Leere, die weder seine in ihn verliebte Cousine noch die kleine Wisal, für die er väterliche Gefühle hegt, wirklich füllen können. Als sein Freund aus Holland die blonde Alexandra zum Surfen mitbringt, verliebt sich der einfühlsame Fettah in die junge Frau. Als sie wieder in ihre Heimat reist, fasst Fettah einen Entschluss: mit seinem Surfbrett will er ihr über die offene See nach Europa folgen... Spektakulärer wurde das Meer schon lange nicht mehr für einen Film eingefangen. Kameramann Jasper

Wolfs Bilder sind atemberaubend und poetisch zugleich und offenbaren speziell aus der Vogelperspektive grandiose Muster, wenn sich beispielsweise die Wellen am Strand verlaufen. Die Kraft der Bilder setzt gleichzeitig eine tiefe Sehnsucht frei, jene Sehnsucht, die Fettah antreibt, sein Dorf zu verlassen und seiner Liebe nach Europa zu folgen. Immer wieder hören wir Fettahs Stimme aus dem Off. Eine Stimme, die mit sich selbst hadert, ob er denn das Richtige getan hat oder nicht. Der Film wird dabei auf zwei Zeitebenen erzählt: jene die uns die Vorgeschichte zu Fettahs Entscheidung zeigt und jene, die ihn bei der Durchführung seines Vorhabens als Surfer gegen die gnadenlose See ankämpfend präsentiert. Genau hier spielt der Film seine stärksten Momente aus und erinnert an **DER ALTE MANN UND DAS MEER** oder **ALL IS LOST**. Wird Fettah es am Ende schaffen, nach Europa zu surfen? Eine Frage, die der Film im Grunde genommen offen lässt. Oder vielleicht auch nicht? Hier kann sich der Zuschauer seine eigenen Gedanken dazu machen. Fettah Lamara spielt die Rolle des Fettah faszinierend authentisch – was möglicherweise dem Umstand geschuldet ist, dass der mehrfach ausgezeichnete marokkanische Windsurfer und Restaurantbesitzer nur ein Laiendarsteller ist. Vieles spricht dafür, dass auch die anderen Marokkaner keine

professionellen Schauspieler sind, sondern Laiendarsteller, die ihre Sache allerdings ausgezeichnet machen. Mit Thekla Reuten in der Rolle der Alexandra schließlich hat Regisseur und Drehbuchautor Jan-Willem van Ewijk dann doch noch einen Profi in seinem Cast. Sie legt ihre Rolle sehr zurückhaltend, fast schüchtern an und hat auch nicht viel zu sagen. Doch man kann sehr gut nachvollziehen, welche Sehnsucht sie bei Fettah auslöst. Grandiose Bilder, gute Darsteller, packende Geschichte.

Zukunft und Vergangenheit

Erst bildgewaltiges Sci-Fi, dann ergreifende Doku. Tag Zwei der Pressewoche.

A WORLD BEYOND (1:1.9 (IMAX), 1:2.20, DD 5.1 + 7.1 + Atmos)

OT: Tomorrowland

Verleih: Walt Disney

Land/Jahr: USA 2015

Regie: Brad Bird

Darsteller: George Clooney, Hugh Laurie, Britt Robertson

Kinostart: 21.05.2015

Casey, ein aufgewecktes Teenager-Mädchen, kommt in den Besitz eines Ansteck-Pins, der sie durch bloßes Berühren in eine andere Dimension katapultiert. Dort begegnet sie Frank, einem desillusionierten Wissenschaftler, der einst als Wunderkind in diese mysteriöse Welt kam um sich für ein besseres Leben einzusetzen. Längst schon hat der undurchsichtige Wissenschaftler David Nix das Ende der Welt angekündigt. Gemeinsam mit Frank macht sich Casey daran, zu retten was noch zu retten ist... Einst realisierte er Animationsfilme wie **DIE UNGLAUBLICHEN** oder **RATATOUILLE**, doch spätestens seit **MISSION IMPOSSIBLE – PHANTOM PROTOKOLL** darf man bei Brad Bird auch mit Live-Action-Filmen gerechnet werden. Und doch ist seine Animationsvergangenheit an ihm haften geblieben. So scheint es jedenfalls, wenn man die Bilderfluten sowie die überbordenden Ideen in **A WORLD BEYOND** zum ersten Mal sieht. Was da auf den Betrachter einströmt hat das

Tempo eines Animationsfilms. Die visuellen Effekte sind hier genauso erstklassig wie die dynamische Tonspur, die jeden Subwoofer im Kinosaal aufspürt und aus dem Tiefschlaf rüttelt. Wer die Möglichkeit hat, den Film in einem Dolby Atmos Kino zu erleben, sollte nicht darauf verzichten. Auch die Bildqualität überzeugt, insbesondere in einer 4K-Vorführung oder sogar noch besser: in "Dolby Vision" in ausgewählten "Dolby Cinemas". Die musikalische Untermalung aus der Feder von Michael Giacchino orientiert sich sehr stark an den bombastischen Scores eines John Williams und so meint man immer wieder einmal gewisse Klänge aus **STAR WARS** zu erhaschen. Dass in einer Sequenz dann tatsächlich das originale **STAR WARS** Thema ertönt, ist damit nur konsequent. Dass in eben jener Szene auch noch viele andere Elemente aus **STAR WARS** zu sehen sind, soll vermutlich dem Betrachter unmissverständlich klar machen, dass das gesamte **STAR WARS** Imperium inzwischen zum Disney-Konzern gehört, also jenem Konzern, der **A WORLD BEYOND** in die Kinos bringt. Nach 130 Minuten Spielzeit (die zugegebenermaßen wie im Flug vergehen) bleibt dann aber am Ende des Films doch ein "Gschmäckle", wie man im Schwäbischen zu sagen pflegt. Irgendwie wird man das Gefühl nicht los, dass wir es im Film mit einer Sekte zu tun haben, die mit den Intelligenten eine Art subtiles Brainwashing durchführt, um eigene Interessen durchzusetzen. Damit darf die Botschaft dieses Films als recht zweifelhaft eingestuft werden.

sogar Familien. Doch Anfang der 1960er Jahre wurden die Koreaner wieder zurück in die Heimat beordert. Viele von ihnen mussten ihre frisch gegründeten Familien für immer zurücklassen. Die in Südkorea geborene Dokumentarfilmerin Cho Sung-Hyung (**FULL METAL VILLAGE**) ist einigen solcher Schicksale nachgegangen. In Interviews lässt sie die deutschen Frauen – jetzt allesamt im Rentenalter – davon erzählen, wie alles begann, wie man sich kennenlernte, wo man sich traf. Auch die inzwischen erwachsenen Kinder, die ihre Väter noch nie gesehen haben, erzählen der Filmemacherin, wie sie als Kinder mit dieser Situation umgehen. Einige haben sich in einem Verein organisiert und versuchen über Universitätsarchive etwas über die Väter zu erfahren. Informationen direkt aus Nordkorea gibt es so gut wie keine und wenn doch: stimmen diese auch? Der teilweise recht ergreifende Dokumentarfilm überzeugt nicht nur inhaltlich, sondern auch formal. So werden beispielsweise immer wieder animierte Zeichnungen eingesetzt, um die Vergangenheit zu visualisieren. Videoaufnahmen (teilweise heimlich gefilmt) der Nordkorea-Reise von dreien der Kinder ergänzen den Film und ermöglichen so einen Blick auf ein Land, das sich vom Rest der Welt abschottet und das für die unschönen Schicksale vieler Familien in Deutschland verantwortlich ist.

Der Präsident in der Kühltruhe

Die letzte Pressevorführung in dieser Woche bescherte mir einen abenteuerlichen Action-Film.

BIG GAME (1:2.35, 5.1)

OT: Big Game

Verleih: Ascot Elite (24 Bilder)

Land/Jahr: Finnland, Deutschland, Großbritannien 2014

Regie: Jalmari Helander

Darsteller: Samuel L. Jackson, Onni Tommila, Ray Stevenson

Kinostart: 18.06.2015

Als das Flugzeug des amerikanischen Präsidenten von Terroristen über finnischem Waldgebiet abgeschossen wird und er sich mit einer Kapsel retten

kann, ist seine einzige Überlebenschance ein 13jähriger Junge, der auf Wunsch seines Vaters dort im Wald auf sich alleine gestellt ein großer Jäger und damit zum Mann werden soll. Für den Präsidenten und seinen jungen Gefährten beginnt jetzt ein Kampf auf Leben und Tod... Wenn bereits zu Filmbeginn der bombastische Klangkörper des Bratislava Symphony Orchestras die Tonspur des Films ganz für sich einnimmt und damit die Felsen und Gebirgsschluchten Finnlands (dargestellt von den Alpen!) zu etwas Großem und Erhabenem werden lässt, kann man sich nicht des Eindrucks erwehren, dass hier ein wenig übertrieben wird. Dieser Eindruck wird im Laufe des Films dann auch noch zementiert: Regisseur Jalmari Helander ist einer der klotzt und nicht kleckert! Allerdings wird er mit diesem Film sein Portfolio auch nicht gerade mit Ruhm bekleckern. Denn **BIG GAME** gehört zu jenen Filmen, die vor allem in den 1980er Jahren haufenweise die Regale in den Videotheken füllten: Trash. Das ist freilich nichts Verwerfliches. Ganz im Gegenteil – Trash kann ganz wunderbar sein. Insbesondere in guter Gesellschaft sowie einem Kasten Bier. Was man jedoch Helander hier vorwerfen kann ist die Tatsache, dass er alles offenbar ernst meint! In einem auf Trash angelegten Film hätte der kleine Junge am Ende aus Versehen den Präsidenten mit Pfeil und Bogen getötet und das gesamte Publikum hätte sich vor Freude auf die Schenkel geklatscht. Das passiert hier leider nicht. Helander zieht sein Ding durch. Mit allem, was er für wenig Geld haben konnte (der mit EUR 500.000 bezifferte Film ist der bislang teuerste Film Finnlands!): ein B-Film Star (Samuel L. Jackson), ein untalentierter Jungstar (Onni Tommila), ein auf Alan Rickman getrimmter Psychopath mit Migrationshintergrund (Mehmet Kurtulus) und jede Menge Feuerwerk. Die Geschichte selbst könnte dabei nicht hanebüchener sein (z.B. stürzen der Präsident und sein kleiner Begleiter gemeinsam in einer Kühltruhe aus großer Höhe in den Abgrund, ohne sich dabei etwas zu tun) und man würde es kaum glauben, hätte man es nicht mit eigenen Augen gesehen. Trotz sei-

ner 90 Minuten Spielzeit fühlt sich das Machwerk wie zweieinhalb Stunden an. Mein Tipp: meiden Sie diesen Film – es ist vergeudete Lebenszeit.

Unter dem Bett

Ein minimalistisches (Thriller)Drama stand heute auf meinem Filmfahrplan

DAS ZIMMERMÄDCHEN LYNN

(1:2.35, 5.1)

Verleih: Movienet

Land/Jahr: Deutschland 2014

Regie: Ingo Haeb

Darsteller: Vicky Krieps, Lena

Lauzemis, Steffen Münster

Kinostart: 28.05.2015

Lynn arbeitet als Putzkraft in einem Hotel. Privat hat die junge Frau offensichtlich viele Probleme, von denen ihr Putzfimmel noch das geringste ist. Und sie hat eine heimliche Obsession: nicht nur schlüpft sie gerne in die Kleider der Hotelgäste und durchforscht deren persönliches Hab und Gut, sie legt sich auch unter deren Betten und lauscht. Dabei lernt sie das Callgirl Chiara kennen und ist so fasziniert von ihr, dass sie schließlich Kontakt mit ihr aufnimmt... Liebe erfährt die junge Frau in Ingo Haeb's Film anfangs nicht. Der Sex mit ihrem Chef ist rein mechanischer Natur, Umarmungen von ihrer Mutter gibt es nicht. Einem Psychiater erzählt sie von ihren bizarren Träumen. Vicky Krieps spielt sie, jene junge Frau, die sich irgendwann verloren hat. Und sie spielt sie so vorzüglich, dass es großen Spaß macht, ihr beim Lauschen zuzuhören und ihr beim Zuschauen zuzuschauen. Erst die Begegnung mit Chiara bringt Zärtlichkeit und Liebe in ihr Leben. Ingo Haeb hat sein minimalistisches Kammerspiel nach einem Roman von Markus Orth's inszeniert – und das trotz der meist begrenzten Räume in ausladendem CinemaScope (Kamera: Sophie Maintigneux). "Das Schöne am Putzen ist, dass es immer wieder dreckig wird" hören wir Lynn aus dem Off Sprechen. Ablende. Endtitel.

Verleih: Arsenal

Land/Jahr: Frankreich 2014

Regie: David Oelhoffen

Darsteller: Viggo Mortensen, Reda

Kateb, Antoine Laurent

Kinostart: 09.07.2015

Algerien 1954. Der Franzose Daru unterrichtet algerische Schulkinder in einer kleinen Schule. Eines Tages wird ein Gefangener in seine Obhut gegeben mit dem Befehl, diesen an die Polizeibehörde in der nächsten Stadt auszuliefern. Der Bauer Mohamed wird beschuldigt, seinen Cousin ermordet zu haben. Anfangs weigert sich Daru den Befehl auszuführen. Erst als ihm Mohamed erklärt, warum er an die Polizei übergeben werden will, macht er sich mit ihm auf den gefährvollen Weg. Ein Weg, auf dem die beiden Männer zusammenwachsen.

Das nach einer Vorlage von Marcel Camus entstandene Drama hat Regisseur David Oelhoffen in der grandiosen Landschaft Algeriens inszeniert und daraus einen Neuzeit-Western gemacht. Der Film über eine ungewöhnliche Männerfreundschaft zu Zeiten des Algerienkrieges ist mit Viggo Mortensen in der Rolle des Lehrers und Reda Kateb in der Rolle des Mörders gut besetzt. Für Freunde der Originalfassung sei noch verraten, dass Mortensen exzellentes Französisch von sich gibt!

GEFÜHLT MITTE ZWANZIG (1:1.85, DD 5.1)

OT: While We're Young

Verleih: SquareOne/Universum (DCM)

Land/Jahr: USA 2014

Regie: Noah Baumbach

Darsteller: Ben Stiller, Naomi Watts,

Adam Driver, Amanda Seyfried

Kinostart: 30.07.2015

Die Srebnicks – Er Dokumentarfilmer, Sie Produzentin und Tochter eines bekannten Filmemachers – sind eigentlich glücklich verheiratet, kinderlos und bereits in den Mittvierzigern. Alle ihre Freunde um sie herum jedoch haben schon Kinder und damit einen neuen Lebensinhalt gefunden. Ein Lebensinhalt, von dem die Srebnicks ausgeschlossen werden. Da lernen die beiden zufällig Jamie und Darby kennen, ein Hipster-Pärchen Mitte Zwanzig: er Filmemacher mit Ambitionen, sie Eiscreme-Designerin. Man freundet sich an und die Srebnicks erfahren dadurch plötzlich neuen Schwung in ihrem Leben. Die beiden fühlen sich plötzlich wieder wie Mitte Zwanzig! Doch die Uhr lässt sich nicht einfach so wieder zurückdrehen. Eine Erfahrung, die die Mittvierziger bald schon machen werden... Scharfsinnig und mit gewitzten Dialogen präsentiert Regisseur Noah Baumbach diese herzerfrischende Komödie über das Älterwerden. Oder besser: über die Weigerung erwachsen zu werden. Ben Stiller und Naomi Watts spielen die Srebnicks, jene Mittvierziger also, die technisch auf dem neuesten Stand sind. Ohne Smartphone oder CDs läuft da gar nichts mehr. Ihr

Gegenpol wird von Adam Driver und Amanda Seyfried dargestellt, das Mit-zwanziger-Paar, das längst schon wieder zu den Wurzeln zurückgekehrt ist: keine Tablets oder derlei Kram, dafür jede Menge Schallplatten. Und die Nummer 1 Hits aus den guten Jahren der Srebnicks sind bei Jamie und Darby der letzte Schrei. Mit seinem neuen Film etabliert sich Baumbach einmal mehr als Woody Allen der nächsten (um das Wort neu zu vermeiden) Generation. Seine feinen Beobachtungen montiert er geschickt mit passenden Vivaldi-Stücken zu einem Dialogfilm, der vor allem der älteren Zuschauer- generation jede Menge Identifikationspotenzial bietet. Man lernt viel über sich selbst und wird dabei innerlich schmunzeln. Der Film empfiehlt sich als kleine vergnügliche Therapie für kinderlose Paare.

In Prittwitz, einem Kaff am Schnittpunkt von Thüringen, Sachsen und Sachsen-Anhalt, wird der farbige Autor Sebastian Klein von Neonazis entführt. Nach einem Schlag auf den Kopf plappert er alles nach, was die ihm vorsagen – in Talk Shows, Diskussionsrunden und überhaupt. Ganz Deutschland ist platt: ein Migrant der gegen Migranten redet! Gleichzeitig ist seine stets eifersüchtige und hochschwangere Freundin auf der Suche nach ihm. Gemeinsam mit einem stillgelegten Polizisten. Derweil schmiedet Sven, Anführer der Nazis, Pläne zum Einmarsch in Polen – die einzige Möglichkeit, bei Nazibraut Doreen zu punkten. Schon bald herrscht blankes Chaos... Was mit einer grandiosen Eröffnungssequenz (bestehend aus nur einer Einstellung) beginnt und in einen furiosen, höchst

einfallreichen Titelvorspann mündet, verläuft sich leider spätestens zur Hälfte des Films in ein nerviges Kasperltheater. Zwar gibt es immer wieder teils sehr lustige Einfälle und insbesondere geistreiche Wortspiele, doch hat man als Zuschauer irgendwann die Nase voll von all den grenzdebilen Nazis. Dietrich Brüggemann, als Regisseur und Drehbuchautor sehr geschätzt für Filme wie **3 ZIMMER/KÜCHE/BAD** oder **KREUZWEG**, überspannt hier dieses Mal einfach den Bogen. Inszeniert ist die "braune Sosse" indes wie von Brüggemann nicht anders zu erwarten sehr souverän und auch mit großem Aufwand (u.a. gibt es einen Panzer und etliche Kanoneneinschläge). Allerdings wollen die vielen Toten, die es im Verlauf des Films gibt, nicht so ganz in das satirische Konzept passen.

Nachdem das Dach der Kirche endgültig das Zeitliche gesegnet hat, stehen die Ober- und Unterrieslinger vor einem Riesenproblem: woher das Geld für ein neues Dach nehmen, wenn doch Pfarrer Schäuble die Rücklagen komplett versoffen hat! Die Rettung naht in Form eines Wettbewerbs für Musikkapellen: wer gewinnt, erhält 50.000 Euro! Die Sache hat natürlich einen Haken: für den Wettbewerb muss man nach Hamburg reisen. Und mehr noch – erst einmal müssen sich die beiden Dorfkapellen miteinander vertragen... Veränderung will niemand. Und damit sich der Erfolg von **DIE KIRCHE BLEIBT IM DORF** auch ein zweites Mal einstellt, sorgt das Drehbuch gleich zu Beginn des Films dafür, dass wieder alles in seine gewohnten Bahnen zu-

rückkehrt. Das Happy End des ersten Kinofilms wird also kurzerhand außer Kraft gesetzt, damit sich die Unterrieslinger und die Oberrieslinger wieder spinnefeind sind. Mal ganz ehrlich: etwas Originelleres hätte sich die Drehbuchautorin Ulrike Grote, die auch wieder selbst Regie führt, schon einfacher lassen können. Jetzt also dürfen sich die verfeindeten Lager wieder die üblichen schwäbischen Schimpfworte gegenseitig an den Kopf werfen – und nur darauf scheint es ja wohl anzukommen. Auch wenn das Schwäbisch im Film hin und wieder etwas gekünstelt wirkt, so fällt das nicht mehr so sehr ins Gewicht wie vor zwei Jahren. Hier wäre also jetzt eine Verbesserung zu konstatieren. Doch Teil 2 hat noch etwas vollkommen Neues zu bieten: musikalische Einlagen! Die sind dann auch ganz hübsch in Szene gesetzt. So beispielsweise dann, wenn der Wiederaufbau der maroden Kirche im Rhythmus zur Musik geschieht und die verschiedenen handwerklichen Geräusche quasi die Percussion dafür liefern. Neu auch Tante Ruth, die sich als Alt-Hippie alles andere als politisch korrekt verhält und wenigstens den ein oder anderen Schmunzler generiert. Ansonsten wurde die Besetzung aus Teil 1 übernommen – mit all ihren Haken und Kanten. So richtig lustig ist das leider alles nicht sondern wirkt irgendwie gekünstelt. Die Streitigkeiten zwischen den Dorfbewohnern gehen schon nach kurzer Zeit richtig auf die Nerven. Schade eigentlich, dass das Drehbuch den Konflikt zwischen Schwaben und Hamburger Fischköpfen nicht wirklich betont. Denn da hätte man ganz sicher ein paar wirklich nette Pointen einbauen können. Wohl gemerkt: dem Erfolg des Films wird das alles keinen Abbruch tun. Erschreckend.

Anorexie und Herzgebreche

Großkampftag: ein Triple Feature hielt mich heute mal wieder auf Trab

AM GRÜNEN RAND DER WELT

(1:2.35, DD 5.1)

OT: Far From The Madding Crowd

Verleih: Fox

Land/Jahr: USA, Großbritannien 2015

Regie: Thomas Vinterberg

Darsteller: Carey Mulligan, Matthias Schoenaerts, Michael Sheen, Tom Sturridge

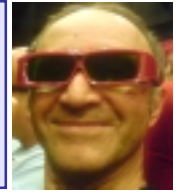

Kinostart: 16.07.2015

England im Jahre 1870. Bathsheba Everdene, als Waise auf einer Farm aufgewachsen, ist eine selbstbewusste, freiheitsliebende, unabhängige und durchsetzungsstarke junge Frau, die keinen Mann braucht um glücklich zu sein. Als ihr Onkel stirbt, wird sie zur Alleinerbin seiner Ländereien, die sie weiter bewirtschaftet und dabei auch selbst kräftig mit zupackt. Ihre Schönheit und ihr Temperament lockt gleich zwei Männer an, die ihr Glück versuchen: der Farmer William Boldwood und der Schäfer Gabriel Oak. Doch die emanzipierte Bathsheba gibt keinem ihr Ja-Wort. Da taucht der Soldat Francis Troy auf und erobert sie im Sturm. Doch der unberechenbare Troy hütet ein Geheimnis... Mit **AM GRÜNEN RAND DER WELT** präsentiert Regisseur Thomas Vinterberg die Wiederverfilmung von Thomas Hardys Roman, der u.a. 1967 bereits unter dem deutschen Titel **DIE HERRIN VON THORNHILL** von John Schlesinger verfilmt wurde. Was damals 168 Minuten bestes Roadshow-Kino war (natürlich im 70mm-Format mit Ouvertüre und Pause!), dauert heuer gerade einmal 119 Minuten. Trotzdem vermag Vinterbergs Inszenierung zu punkten. Das liegt vor allem an den grandiosen Bildern, mit denen die dänische Kamerafrau Charlotte Bruus Christensen die CinemaScope-Bildwand füllt und damit die liebevolle englische Landschaft in den Fokus rückt. Passend dazu gibt es sinfonische Filmmusik aus der Feder von Craig Armstrong. Mit Matthias Schoenaerts (Oak), Michael Sheen (Boldwood) und Tom Sturridge (Troy) bietet der Film eine vorzügliche Besetzung für die drei Männer, die um Bathsheba Everdene balzen. Diese wird von Carey Mulligan gespielt, einer Darstellerin also, die nicht unbedingt ein Schönheitsideal verkörpert, sondern eher eine Frau, der man durchaus zutraut, auch mal richtig zuzupacken. Also eigentlich perfekt passend für ihre Rolle. In Puncto Schönheit freilich

wird sie von Julie Christie, die die Rolle der Bathsheba in der Schlesinger-Verfilmung spielt, in den Schatten gestellt. Wer auf romantische Liebesgeschichten steht, den Kitsch einer Rosamunde Pilcher aber meiden möchte, dem sei Thomas Vinterbergs Film wärmstens empfohlen.

SEHT MICH VERSCHWINDEN (1:1.78, 5.1)

OT: FEMMEfille - Die Geschichte der Isabelle Caro

Verleih: farbfilm

Land/Jahr: Deutschland 2014

Regie: Kiki Allgeier

Kinostart: 02.07.2015

Der Fotograf Oliviero Toscani hat aus ihr eine Berühmtheit gemacht: über Nacht avancierte Isabelle Caro zum abschreckenden Beispiel dafür, wie die Modelwelt junge Frauen zerstört. Caro litt an Magersucht. Sie starb im Jahre 2010. Jetzt hat sich die Filmemacherin Kiki Allgeier daran gemacht, das Material, das sie im Laufe von drei Jahren mit dem Model aufgenommen hat, zu einer Dokumentation zusammenzustellen, die Caros Leben porträtiert und versucht zu ergründen, was zu ihrer Magersucht führte. Die Bilder, die sie zeigt, machen dabei sehr betroffen und sind alles andere als angenehm. Allerdings erweist sich die Dokumentation als relativ lückenhaft, vieles bleibt im Dunkeln. Der negative Einfluss der Modebranche auf Caro wird eigentlich nur angedeutet, der Film entwickelt sich zu einem Lobgesang auf Isabelle Caro, die ihre zweifelhafte Berühmtheit offensichtlich extrem genoss. Ein zwiespältiger, unausgegorener Film.

RICO, OSKAR UND DAS HERZGEBRECHE (1:2.35, 5.1)

Verleih: Fox

Land/Jahr: Deutschland 2015

Regie: Wolfgang Groos

Darsteller: Anton Petzold, Juri Winkler, Karoline Herfurth

Kinostart: 11.06.2015

Rico und Oskar, die beiden Berliner Jungs und beste Freunde, geraten in ein neues spannendes Abenteuer, als sie bemerken, dass Ricos Mutter offen-

bar erpresst wird. Gemeinsam machen sie sich auf die Suche nach den Drahtziehern. Dass Rico keine besonders gute Orientierung und Rico immer Angst vor allem Möglichen hat, macht die Sache natürlich nicht unbedingt einfach. Ganz nebenbei scheint es auch noch zwischen Ricos Mutti und ihrem Schwarm, einem Polizisten, zu knirschen. Was für ein Herzgebrecche! - Der zweite Film mit den kleinen Detektiven Rico und Oskar knüpft direkt dort an, wo der erste Kinofilm endete. An der Besetzung hat sich nichts verändert, weder bei den Kinderdarstellern noch bei den Erwachsenen. Hat sich wirklich nichts verändert? Doch: der kleinwüchsige Oskar hat seinen Sturzhelm gegen eine übergroße Sonnenbrille ausgetauscht! Damit fühlt er sich "inkognito" und versucht sich somit den Promi-Jägern zu entziehen. So einfach ist das aber nicht, wenn in Ricos Wohnhaus ziemlich nervige Zwillingsschwester haust – eine von den wirklich netten kleinen Einfällen, mit denen der neue Film aufwartet. Und es gibt noch etwas Neues: Moritz Bleibtreu ergänzt den Cast als schmieriger Kleinkrimineller und Besitzer des Nachtclubs, in dem Ricos Mami arbeitet. Bleibtreu macht seine Sache köstlich gut – mit Stottern und Pferdeschwanz. Kleinen Zuschauern werden die neuen Abenteuer der beiden Freunde ganz bestimmt gefallen. Am Schluss gibt es dann auch noch pädagogisch Wertvolles: Rico erfährt etwas über seinen Vater, das alles andere als schön ist und klar macht, dass nicht jede Ehe ein Hort der Glückseligkeit ist. Wer nach diesem Film noch immer Lust auf mehr hat, der darf sich auf den dritten "Rico und Oskar"-Film freuen, der im nächsten Jahr ins Kino kommt.

Wie wird man seine Kinder los?

Was alles passieren kann, wenn man seine Kinder nur als Karrierebremse sieht, wurde uns in der heutigen Pressevorführung vor Augen geführt

MAMA GEGEN PAPA – WER HIER VERLIERT, GEWINNT (1:2.35, 5.1)

OT: Papa Ou Maman

Verleih: Splendid (Tobis)

Land/Jahr: Frankreich, Belgien 2015

Regie: Martin Bourboulon

Darsteller: Marina Foïs, Laurent Lafitte, Alexandre Desrousseaux

Kinostart: 09.07.2015

Florence, erfolgreiche Ingenieurin, und Vincent, ebenso erfolgreicher Gynäkologe, sind sich einig: sie wollen sich scheiden lassen. Ihr größtes Problem: wie sollen sie das ihren drei Kindern beibringen? Während sie nach wie vor den richtigen Moment abpassen wollen, stehen beide kurz davor, die Karriereleiter weiter zu erklimmen. Dabei jedoch würden die Kinder ja nur stören. Also versucht jeder den anderen davon zu überzeugen, dass der andere die Kinder nehmen soll. Denkste! Die beiden Scheidungskandidaten erkennen bald schon, dass sie mit härteren Bandagen gegen das Sorgerecht kämpfen müssen. Dabei scheint jedes Mittel recht... Die Grundidee dieser französischen Komödie erscheint am Anfang eigentlich recht originell. Da streiten sich die beiden Elternteile nicht wie üblich um das Sorgerecht für ihre Kinder, sondern darum, dieses Sorgerecht möglichst aberkannt zu bekommen. Da lassen sich bestimmt ein paar witzige Situationen daraus ableiten. Doch das Drehbuch in Martin Bourboulon driftet zur Mitte des Films leider ab und macht die armen Kinder zu den Leidtragenden. Das würde ja immerhin der Wahrheit bei solchen Scheidungsfällen entsprechen, doch im vorliegenden Film müssen die Kinder auch körperlich leiden! Und das ist dann eine recht grenzwertige Unterhaltungsform, die aber immerhin nur 85 Minuten dauert und damit noch erträglich bleibt. Kleiner Tipp: wer Hamster mag, der wird diesen Film mögen – auch wenn die kleinen Nager nicht gerade politisch korrekt behandelt werden.

MAD MAX: FURY ROAD (1:2.35, 3D,
DD 5.1 + 7.1 + Atmos)

OT: Mad Max: Fury Road

Verleih: Warner

Land/Jahr: Australien, USA 2015

Regie: Dr. George Miller

Darsteller: Tom Hardy, Charlize Theron,
Nicholas Hoult

Kinostart: 14.05.2015

In einer postapokalyptischen Welt haben Immortan Joe und seine brutalen Gefährten das Sagen. Sie herrschen über die Massen, indem sie den Zugang zu Wasser und Essen kontrollieren. Als Joes Verbündete, Imperator Furiosa, einen Tanklastzug nicht an dessen vorbestimmten Ort bringt, sondern stattdessen auszubrechen versucht, machen sie Jagd auf Furiosa. Was sie noch nicht wissen: die stahlharte Amazone hat Joes wertvollsten Besitz an Bord: junge Frauen, die als Gebärmaschinen erhalten müssen. Während der gnadenlosen Jagd stößt ein wortkarger Einzelgänger zu Furiosas Lastzug hinzu: Max. Anfangs noch misstrauisch ihm gegenüber merkt sie jedoch schon bald, dass sie voll und ganz auf seine Hilfe angewiesen ist... 30 Jahre ist es her, dass George Miller seine **MAD MAX** Trilogie mit **MAD MAX JENSEITS DER DONNERKUPPEL** zu ihrem furiosen Ende führte. Im zarten Alter von 70 Jahren widmet sich Miller wieder der Filmfigur, die ihn berühmt gemacht hat. Tom Hardy schlüpft jetzt in jene Rolle, die Mel Gibson damals bekannt gemacht hat: die des schweigsamen Einzelgängers Max, der zwischen den Dämonen der Vergangenheit und dem gnadenlosen Überlebenskampf in einer postapokalyptischen Welt hin und hergerissen wird. Die Story des Reboots könnte dabei nicht einfacher sein: man fahre von A nach B und danach wieder von B nach A. Aber Story ist in einem Film wie diesem eigentlich nur Luxus, den niemand braucht. Hier dreht sich alle nur um drei Dinge: Action, Action und noch mehr Action! Und die ist in diesem Film wahrhaftig adrenalintreibend! Die starken Bilder von Chefkameramann John Seale und die Montage von Cutterin Margaret Sixel sorgen dafür, dass man als Zuschauer

atemlos im Kinosaal sitzt. Zumindest wenn man das Glück hat, den Film in einem IMAX-Kino zu konsumieren. Auf das 3D hätte man allerdings getrost verzichten können. Denn außer Bildverdunkelung und Farbverfälschung, bedingt durch die 3D-Brille, bringt die dritte Dimension nichts. Mit seinen 121 Minuten Spielzeit ist der Film dann doch etwas "over the top". 85 Minuten hätten auch ausgereicht, um Schweißperlen auf die Stirn der Zuschauer zu zaubern. Besonders beeindruckend ist Charlize Theron, mit Kurzhaarfrisur und Tank Top kaum wiederzuerkennen. In der Rolle der Tanklastzugfahrerin Furiosa erinnert sie ein wenig an Sarah Connor, jener starken Frauenfigur in **TERMINATOR 2: TAG DER ABRECHNUNG**, die dort von Linda Hamilton verkörpert wird. Zart Besaiteten sei allerdings vom Besuch des Films abgeraten, da dieser extrem von Gewalt dominiert wird. Einer Art von Gewalt übrigens, die vor 20 Jahren nicht schon ab 16 Jahren freigegeben worden wäre und es ganz sicher auf den Index geschafft hätte.

Der Nährboden für Horror wird gedüngt
Mit einem netten Horrorthriller starteten wir heute in den Juni.

ICH SEH ICH SEH (1:2.35, 5.1)

Verleih: Koch Media (Neue Visionen)

Land/Jahr: Österreich 2014

Regie: Veronika Franz, Severin Fiala

Darsteller: Susanne Wuest, Lukas

Schwarz, Elias Schwarz

Kinostart: 02.07.2015

Die Zwillingenbrüder Lukas und Elias genießen die Sommerferien mit Abenteuer spielen rund um die abgelegene elterliche Luxusvilla. Die Unbeschwertheit ihrer Spiele wird jäh gestört, als ihre Mutter nach einem schweren Unfall mit komplett bandagiertem Kopf aus dem Krankenhaus in die Villa zurückkehrt. Einen Vater gibt es nicht. Den Zwillingen fällt es schwer, in der bandagierten und extrem strengen Frau ihre Mutter wiederzuerkennen. Ganz allmählich stellt sich bei den beiden die Gewissheit ein, dass eine andere Frau jetzt die Kontrolle

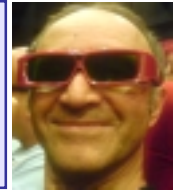

übernommen hat. Sie schmieden einen Plan, mit dem sie der Unbekannten die Wahrheit entlocken wollen... Sphärische, Unheil verkündende Klänge liegen auf der Tonspur, während Lukas und Elias in einem großen, hochgewachsenen Maisfeld spielen. Die Kamera folgt Elias oder begleitet ihn parallel. Stille. Die Kamera nimmt Lukas' Gesicht ins Visier und rückt ihm immer näher auf die Pelle. Da platzt Lukas in die Szene. Eine Schrecksekunde, die gleich zu Beginn des Films die düstere, unheimliche Atmosphäre heraufbeschwört, welche die folgenden 90 Minuten prägt. Dabei fängt der Film ganz kuschelig an: da ist ein Ausschnitt aus einem alten Farbfilm zu sehen, in dem eine Mutter mit ihren Kindern gemeinsam das Abendlied "Guten Abend, gute Nacht" vorträgt. Auch der Schluss des Films gibt sich wieder kuschelig: "Siehst Du wieviel Sternlein stehen..." wird jetzt gesungen. Doch für das, was dazwischen passiert, bedarf es schon starker Nerven. Veronika Franz und Severin Fiala inszenieren ihr menschliches Drama als waschechten Horrorfilm und bedienen sich dabei gekonnt gängiger Muster – allerdings ohne diese jemals ins Langweilige abdriften zu lassen. Viel abgesehen haben die beiden hierfür von ihrem Landsmann Michael Haneke. So zeigt uns die Kamera manchmal atmosphärische Schnitt-

bilder, während es auf der Tonspur zur Sache geht. Nichts kann den Horror der eigenen Phantasie überbieten! Franz und Fiala machen auch nicht den Fehler, den so viele ihrer amerikanischen Kollegen machen, die oft ganz unvermittelt zu Gewaltszenen übergehen, sondern bereiten solche Szenen von langer Hand vor, führen ihr Publikum behutsam dort hin. Die Wirkung erweist sich damit als wesentlich stärker – so stark sogar, dass man am liebsten die Augen schließen und die Ohren zuhalten möchte, um dem Terror zu entfliehen. Zart Besaitete seien vorgewarnt: **ICH SEH ICH SEH** tut weh. Als besonders effektiv erweist sich das Produktionsdesign dieses minimalistisch-intensiven Thrillers. Die Jalousien in der Luxusvilla sind immer geschlossen, an den Wänden hängen übergroße, unscharfe Schattenbilder, die Mutter läuft mit bandagiertem Kopf durch das Haus. Wohlfühlfaktor gleich Null. Perfekter Nährboden für den schleichend beginnenden Familien-Horror. Der Filmtitel spielt laut Aussage des Regie-Duos übrigens auf das bekannte Kinderspiel "Ich sehe etwas was Du nicht siehst" an und damit auf die unterschiedliche Sichtweise der Welt, die ein jeder hat. Mehr sei hier jetzt aber nicht verraten. Alpträume garantiert.

Nazijagd im Paradies

Das Alter schützt vor Dummheit nicht – ganz im Gegenteil. Der heutige Film macht es deutlich

SEÑOR KAPLAN (1:2.35, 5.1)

OT: Mr. Kaplan

Verleih: Neue Visionen

Land/Jahr: Uruguay, Spanien, Deutschland 2014

Regie: Álvaro Brechner

Darsteller: Héctor Noguera, Néstor

Guzzini, Rolf Becker

Kinostart: 16.07.2015

Er ist schon 76 Jahre alt und hat noch immer keine Heldentat vollbracht: Jacob Kaplan führt gemeinsam mit seiner Familie ein langweiliges Rentner-Dasein in einer jüdischen Gemeinde in Montevideo. Das die Zeiten nicht mehr

besser werden und die Welt wohl bald ohne ihn auskommen muss, ist Kaplan wohl bewusst. Als er erfährt, dass sich angeblich ein alter Nazi am Strand von Uruguays heruntreibt, sieht er seine große Chance gekommen, vor seinem Abtreten die Welt ein bisschen besser zu machen. Gemeinsam mit dem Ex-Politizisten Wilson, der sich gerade in einer schweren Lebenskrise befindet, schmiedet er einen Plan, um den vermeintlichen Feind an Israel auszuliefern... Der deutsche Nebentitel "Ein Rentner räumt auf" trägt hier etwas zu dick auf. Denn Álvaro Brechners Tragikomödie ist eigentlich ein Film über das Älterwerden und weniger einer über einen Amok laufenden Rentner. Was die Komödie damit nicht schlecht macht – ganz das Gegenteil ist der Fall. Getragen wird sie von einem wunderbaren Ensemble, in dem insbesondere Héctor Noguera als Kaplan sowie Néstor Guzzini als treudoofen Wilson brillieren. Ihre Figuren wirken nicht gekünstelt, sondern überaus sympathisch. Die beiden geben ein herrliches Duo im Stil von Don Quichotte und Sancho Panza ab. Sinnbildlich zeigt eine Szene, in der Kaplan beim Augenarzt ist und mit einem Auge nur noch ganz verschwommen Umrisse erkennen kann, dass mit fortschreitendem Alter auch die Wahrnehmung immer verzerrter wird. So wird Kaplan am Ende des Films eine Überraschung erleben, mit der er nicht gerechnet hätte. Und er wird lernen, dass er die Welt eigentlich schon seit langer Zeit ein bisschen besser gemacht hat.

Das Leben als Geschenk

Die letzte Pressevorführung in dieser Woche bescherte mir 100 köstliche Minuten

ABOUT A GIRL (1:2.35, 5.1)

Verleih: NFP (Tobis)

Land/Jahr: Spielfilm, Deutschland 2014

Regie: Mark Monheim

Darsteller: Jasna Fritzi Bauer, Heike

Makatsch, Aurel Manthei

Kinostart: 06.08.2015

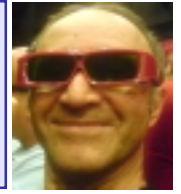

Charleen ist anders. Nicht nur steht sie unbeweglich im strömenden Regen und

hofft, dass himmlische Musik ihre düsteren Gedanken stoppen würde, auch jobbt sie nebenbei als Praktikantin bei einem kauzigen Bestatter (sagt sie beim Gehen "Bis morgen", erwidert er "Weiß man's?"). Schuld an allem ist ihr Vater, der die damals Sechsjährige mit ihrer Mutter hat sitzen lassen. Jetzt, mit 15 ³/₄ Jahren, beschließt die Schülerin, ihrem Leben ein Ende zu setzen. Einfach so. Um es mal auszuprobieren. Ein Handyanruf jedoch vereitelt ihren Suizidversuch. Fortan muss Charleen zu einem Psychologen in Behandlung. Das passt dem rebellischen Mädchen ganz und gar nicht. Doch im Wartezimmer trifft sie Linus, den Klassenstreber, den sie gar nicht leiden kann. Denkt sie zumindest... In seinem Debütfilm wartet Regisseur Mark Monheim nicht nur mit frechen Dialogen und morbiden Humor auf, sondern auch mit einem überzeugenden Cast, allen voran die sympathische Jasna Fritzi Bauer, die einmal mehr ihr großes Talent unter Beweis stellt. Man könnte sogar sagen, dass sie mit der Rolle der Charleen ihre Figur aus **EIN TICK ANDERS** fortführt. An Bauers Seite läuft u.a. Heike Makatsch in der Rolle der Mutter zu Hochform auf. Aber auch die anderen Mitglieder der Patchwork-Familie erweisen sich als handverlesen. Simon Schwarz als Charleens Biologie-Lehrer und neuer Freund ihrer Mutter mimt den etwas unterwürfigen Vegetarier, dessen Namen sich keiner merken kann. Aurel Manthei schließlich in der Rolle von Charleens Vater, der seine Gefühle am besten musikalisch ausdrücken kann. Punkten kann auch Sandro Lohmann als Charleens Klassenkamerad Linus, der sowohl etwas Nerdiges als auch etwas Verletzliches in sich trägt. Inszenatorisch wartet der Film immer wieder mit Überraschungen auf, speziell dann, wenn er das Publikum an Charleens morbiden Tagträumen teilhaben lässt. Denn schwarzer Humor macht das Leben einfach erträglicher. "Das Leben ist ein Geschenk", sagt die Oma einmal zu Charleen – eine Erkenntnis, die das Teenager-Mädchen im Laufe des Films selber machen wird. Mit grandiosen Dialogen wie "Was würdest Du machen, wenn das Leben unendlich wäre?" – "Gar nichts mehr."

Wolfram Hannemanns

Film-Blog

wird der Film zu einem originellen Plädoyer für die Liebe und das Leben, unterlegt mit sorgfältig ausgewählten Songs. Damit das Gefühl auch nicht zu kurz kommt. **ABOUT A GIRL** macht Spaß und unterhält großartig.

Dubiose Machenschaften

Die Pressewoche wurde heute mit einem Genrefilm aus Deutschland eröffnet

BOY7 (1:2.35, 5.1)

Verleih: Koch Media (24 Bilder)

Land/Jahr: Deutschland 2015

Regie: Özgür Yildirim

Darsteller: David Kross, Emilia Schüle,

Liv Lisa Fries

Kinostart: 20.08.2015

Ohne Gedächtnis kommt Sam in einem U-Bahn-Tunnel wieder zu sich. Er weiß weder, wer er ist noch wie er hierher kam. Was er allerdings ziemlich schnell merkt: er ist das Ziel einer Fahndung! Auf der Flucht vor seine Häschern findet er ein Tagebuch – offenbar von ihm selbst verfasst! Darin beschreibt Sam, wie er dazu verurteilt wurde, mehrere Wochen in einer Resozialisierungsanstalt zu verbringen. Schon bald bemerkt er, dass in dem hermetisch abgeriegelten Anwesen seltsame Dinge vor sich gehen. Wurde sein Vorgänger etwa ermordet? Sam ist entschlossen gemeinsam mit der ebenfalls inhaftierten Lara die ganze Geschichte aufzudecken. Damit aber schweben beide plötzlich in Lebensgefahr... Eines muss man dem Film von Özgür Yildirim neidlos anerkennen: der Mann versteht zumindest in technischer Hinsicht sein Handwerk. Die CinemaScope-Bilder in Schiefelage, teils verzerrte Optik, ein treibender Techno-Score und eine ausgefeilte Tonspur überzeugen. Das so etwas dazu noch aus Deutschland kommt macht Hoffnung, dass es um den deutschen Genrefilm vielleicht gar nicht so schlecht steht wie oft angenommen. Leider aber gibt es wie bei jeder Sache einen Haken: das Drehbuch! Keine Ahnung, ob es bereits an der Romanvorlage von Mirjam Mous liegt oder erst beim Drehbuchschreiben entstanden ist: es werden zu betont

übliche Klischees bedient. Klischees, die das Zielpublikum für Thriller wie **BOY7** eigentlich schon lange hinter sich gelassen haben, weil es mittlerweile wesentlich Besseres gibt. Ungereimtheiten und Logikfehler sowie platte Charaktere zieren den ganzen Film. Wieder einmal Operation gelungen, Patient tot. Schade.

Panahi inszeniert sich selbst

Kinofilme auf persisch gibt es nicht allzu oft in der Pressevorführung zu sehen. Heute allerdings war es mal wieder soweit

TAXI TEHERAN (1:1.85, 5.1)

OT: Taxi

Verleih: Weltkino

Land/Jahr: Iran 2015

Regie: Jafar Panahi

Darsteller: Jafar Panahi, Hana Saeidi

Kinostart: 23.07.2015

Jafar Panahis gesellschaftskritische Komödie ist ein waschechter Guerilla-Film. Denn in seiner Heimat Iran wurde gerade wegen seiner kritischen Betrachtungen über den renommierten Regisseur im Jahre 2010 ein 20jähriges Berufsverbot verhängt. Das freilich hält Panahi nicht davon ab, weiter Filme zu drehen. So entstand **TAXI TEHERAN** quasi im Untergrund, aufgenommen mit Mini-Kameras in einem Taxi, an dessen Steuer der Filmemacher höchstpersönlich sitzt. Nach Fertigstellung wurde der Film außer Landes geschmuggelt und dieses Jahr im Wettbewerb der Berliner Filmfestspiele aufgeführt, wo er auch sogleich den "Goldenen Bären" abräumte. In knapp 90 Minuten steigen die unterschiedlichsten Menschen in sein Taxi: u.a. ein bekennender Straßenräuber, ein kleinwüchsiger Raubkopierer, des Regisseurs kleine Nichte. In den Gesprächen, die sich während der Fahrt durch Teherans Straßen entwickeln, erhält der Zuschauer einen tiefen Einblick in die politische Situation des Landes, wo beispielsweise amerikanische Filme nur als Schmuggelware zu erhalten sind. Panahis vorlaute Nichte rezitiert die ziemlich bizarren Regeln, die es zu beachten gilt, wenn man einen "zeig-

baren" Film machen möchte. Auf diese Art und Weise führt uns der Regisseur seine eigene Situation vor Augen. Aber ist der Film nun tatsächlich so gut, dass er den "Goldenen Bären" verdient? Eigentlich nicht. Doch die Entscheidung dafür war natürlich politisch motiviert und sollte Signalwirkung gen Iran haben. Und dazu kann man nur sagen: richtig so.

Musikkarriere und Kriegsspiele

Während ich im dunklen Kinosaal das erste Doppel der Woche goutierte, machte draußen in der Welt die Kune vom Tode Christopher Lees die Runde. RIP Graf Dracula!

BECKS LETZTER SOMMER (1:2.35, 5.1)

Verleih: Wild Bunch

Land/Jahr: Deutschland 2015

Regie: Frieder Wittich

Darsteller: Christian Ulmen, Nahuel

Pérez Biscayart, Eugene Joel Boateng

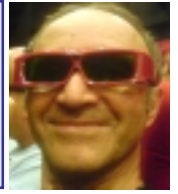

Kinostart: 23.07.2015

Der depressiv angehauchte Robert Beck arbeitet als Musiklehrer in Berlin. Als er eines Tages das musikalische Talent des Klassenaußenseiters Rauli erkennt, fängt er wieder Feuer und erinnert sich an seine frühere Musikkarriere. Er will dem Jungen zum Erfolg verhelfen. Gleichzeitig lernt er die hübsche Lara kennen und lieben und muss hin und wieder auch seinem alten Musiker-Kumpel Charlie unter die Arme greifen. Doch das Glück hält nicht lange an und dunkle Wolken ziehen am Horizont auf... In einen Film mit Christian Ulmen gehe zumindest ich immer mit sehr gemischten Gefühlen. Denn allzu oft driften seine Figuren in das Klamottige ab. So war ich dieses Mal positiv überrascht. Denn die Rolle des Lehrers Beck ist eine durchaus ernsthafte Rolle. Zwar immer wieder auch mal witzig, aber nie klamottig. Gemäß den zwei Seiten einer Schallplatte (und davon hat Lehrer Beck eine ganze Menge!) ist der Film in Seite A und Seite B eingeteilt. Seite A beginnt für die Beteiligten ziemlich verheissungsvoll, es herrscht Aufbruchstimmung, Depressionen werden hinweggepusht. Doch

Wolfram Hannemanns

Film-Blog

gegen Ende der ersten Seite herrscht wieder blankes Chaos. Zeit für Seite B, einem Road-Trip, auf dem Beck, Rauli und Charlie lernen, was wirklich im Leben zählt. Unterlegt wird der Film mit einem oft ebenso fetzigen wie melancholischen Soundtrack, der vor allem in tontechnisch gut bestückten Kinos großen Spaß bereitet.

LIEBE AUF DEN ERSTEN SCHLAG

(1:1.85, 5.1)

OT: Combattants

Verleih: Tiberius Film (24 Bilder)

Land/Jahr: Frankreich 2014

Regie: Thomas Cailley

Darsteller: Adèle Haenel, Kévin Azaïs, Antoine Laurent

Kinostart: 02.07.2015

Arnaud soll zusammen mit seinem Bruder in die Stapfen ihres verstorbenen Vaters treten und Gartenhäuser bauen. Als er jedoch die auf knallhart machende Madeleine trifft, ist er von dem Mädchen so sehr fasziniert, dass er ihr folgt und sich schließlich für ein Vorbereitungstraining für das Militär einschreibt. Im inszenierten Überlebenskampf kommen sich die beiden schließlich näher... Die Negativpunkte gleich vorweg: sterile deutsche Synchronfassung und nervtötender 80er-Jahre Synthi-Score. Damit lässt sich heute leider keine Medaille mehr gewinnen. Das aber ist umso ärgerlicher, da die von Ablehnung in Liebe umschlagende Beziehung der beiden Protagonisten Adèle Haenel und Kévin Azaïs sehr sympathisch dargestellt wird. Daher nur bedingt zu empfehlen.

Klassenkampf und Exorzismus

Mit einem ziemlich konträren Double Feature endete die Pressewoche für mich

DER SOMMER MIT MAMA (1:2.35, 5.1)

OT: Que Horas Ela Volta?

Verleih: Pandora

Land/Jahr: Brasilien 2015

Regie: Anna Muylaert

Darsteller: Regina Casé, Lourenço Mutarelli, Michel Joelsas, Camila Márdila

Kinostart: 20.08.2015

Val lebt und arbeitet seit vielen Jahren als Haushälterin bei einer wohlhabenden Familie in São Paulo. Der Sprössling der Familie ist ihr ganzer Stolz. Dabei hat Val ein eigenes Kind, ihre Tochter Jessica. Die aber lebt weit weg bei einer Tante und Val hat schon seit zehn Jahren nichts mehr von ihr gehört. Umso überraschter ist sie, als Jessica eines Tages anruft und ihr sagt, dass sie nach São Paulo kommen wird, um sich dort an der Uni für ein Studium zu qualifizieren. Val arrangiert, dass ihre Tochter auch im Haus ihrer Arbeitgeber leben darf. Doch damit fangen die Probleme an. Denn wie selbstverständlich fordert Jessica die Privilegien, die Vals Arbeitgeber für sich in Anspruch nehmen, auch für sich selbst ein und bringt damit das Machtgefüge kräftig ins Wanken... Mit subtilem Humor und einer grandiosen Regina Casé in der Rolle der Val zeichnet der Film ein präzises Gesellschaftsbild Brasiliens. Während Val das etablierte Klassensystem niemals in Frage stellt, ist es für die selbstbewusste Jessica keine Frage, dass auch ihr ein erfülltes Leben und Wohlstand zusteht. Anna Muylaerts Film bietet einige köstliche Szenen, die dieses Klassensystem schonungslos vor Augen führen: da wird beispielsweise die junge Jessica vom Herrn des Hauses (der natürlich ein Auge auf die Hübsche geworfen hat!) wie ein Gast behandelt, während er gleichzeitig ihre Mutter das Essen servieren lässt. Höchst amüsant beobachten wir hier das hektische Gefuchtel, das Val mit ihren Armen anstellt, um ihrer Kollegin wortlos das Missfallen über das Verhalten ihrer Tochter zu signalisieren. Die alte und die neue Welt prallen hier aufeinander und es macht Spaß dabei zuzusehen.

Um die Touristenattraktion "Jurassic World" noch attraktiver zu machen und die Aktionäre zufrieden zu stellen, haben die Wissenschaftler in geheimer Mission einen neuen Dino-Hybriden, genannt Indominus Rex, entwickelt. Natürlich größer und weitaus gefährlicher als der T-Rex, um den "Wow!"-Faktor zu bedienen. Als sich die Bestie aus ihrem Gehege befreit, geraten zwei Kinder in tödliche Gefahr. Ein Fall für Tausendsassa Owen Grady... Mit **JURASSIC WORLD** präsentiert Executive Producer Steven Spielberg wieder klinisch reines Familienunterhaltungskino. Mit zwei Kindern in der Hauptrolle sowie jede Menge Erwachsener wird das Zielpublikum zu 100 Prozent abgedeckt. Dass jedoch klinisch rein nicht gleichbedeutend sein muss mit öde und langweilig, das beweist **JURASSIC WORLD** in hervorragender Weise. Regisseur Colin Trevorrow weiß genau, wie man packendes Action-Kino fulminant umsetzt. Dabei ist es dann weniger das Zwischenmenschliche, auf das es ankommt, sondern die speziell in IMAX-Kinos immersiv wirkenden Bilder von Kameramann John Schwartzman. Gemeinsam mit Trevorrow hat er ein neues Bildformat geschaffen, das etwas breiter als kaschiertes Breitwand und

schmäler als CinemaScope ist. Das ist sehr schön gerade für IMAX-Screens, da jetzt fast die gesamte Leinwand mit Bild gefüllt wird, führt aber leider bei normalen Kinos dazu, dass jetzt plötzlich oben und unten schwarze Balken auftauchen. Aber diese Thematik mit allen Vor- und Nachteilen soll an dieser Stelle nicht weiter vertieft werden.

Kennern der früheren **JURASSIC PARK**-Filme werden mit Sicherheit viele Parallelen zum Originalfilm auffallen, fast so, als wäre **JURASSIC WORLD** ein Reboot des ersten Films. Allerdings muss man sich dabei vor Augen halten, dass der Originalfilm nunmehr 22 Jahre auf dem Buckel hat und inzwischen die nächste Generation von Kinogängern herangewachsen ist. Und an genau die richtet sich der neue Film. Die visuellen Effekte, die damals als bahnbrechend galten, werden jetzt von der neuen Technik bei Weitem übertroffen. Um es in einem Wort zu sagen: spektakulär! Für kleinere Zuschauer (der Film ist in Deutschland ab 12 Jahren freigegeben, d.h. Eltern dürfen ihre 6jährigen Sprösslinge mitnehmen!) dürften ein paar der Szenen zu heftig sein, auch wenn der Familientauglichkeit zuliebe kein Blut fließt. Das hält natürlich die bösen T-Rex-Klone nicht davon ab, Wärter und Besucher der Insel mit Haut und Haaren zu verspeisen. Das Drehbuch weist auch ein paar Schwächen auf. Beispielsweise wird die anstehende Scheidung der Eltern unserer kleinen Protagonisten angesprochen, am Ende des Films aber nicht aufgelöst. Das Thema bleibt damit irgendwo in der Luft hängen. Nährboden für eine weitere Fortsetzung wird selbstverständlich auch gleich mit angelegt. Neben den visuellen Effekten besonders beeindruckend ist die dynamische Tonspur des Films, die alle Register zieht, um das dreidimensionale Bild um eine weitere Dimension zu ergänzen. Die Subwoofer im IMAX-Kino jedenfalls hatten ganz schön viel Arbeit! Ein weiterer Pluspunkt in Trevorrow's Film ist die Filmmusik von Michael Giacchino, die hin und wieder Gebrauch macht von John Williams' Hauptthema aus **JURASSIC PARK**, aber dennoch ein imposantes Eigenleben entwickelt, welches die Bilder un-

terstützt. Lange Rede, kurzer Sinn: wer spektakuläres Event-Kino mag, der ist in **JURASSIC WORLD** gut aufgehoben.

Fahrstunden mit Amy

Gemischtes Doppel: ein Spielfilm und eine Dokumentation hielten mich heute vom Arbeiten ab.

LEARNING TO DRIVE – FAHRSTUNDEN FÜRS LEBEN (1:1.85, 5.1)

OT: Learning To Drive

Verleih: Alamode

Land/Jahr: USA 2014

Regie: Isabel Coixet

Darsteller: Patricia Clarkson, Sir Ben Kingsley, Grace Gummer

Kinostart: 06.08.2015

Wendy ist wie vor den Kopf gestoßen: nach 21 Ehejahren verlässt sie ihr Mann wegen einer jüngeren Frau. Um ihre Tochter besuchen zu können, die im weit entfernten Vermont studieren will, beschließt Wendy, endlich den Führerschein zu machen. So trifft sie auf Darwan, ein Sikh mit Turban und Vollbart, der vor vielen Jahren schon die amerikanische Staatsbürgerschaft erhielt und sich als Taxifahrer und Fahrlehrer über Wasser hält. Der lebenskluge Mann hilft Wendy nicht nur bei der Bewältigung der praktischen Fahrübungen, sondern auch ihrer anderen Probleme. Doch davon hat Darwan selbst genügend: seine Schwester in Indien hat ihm die Frau fürs Leben ausgesucht... Fahrstunden als Lebenshilfe – die Idee ist nicht ganz neu, wurde sie doch bereits vor ein paar Jahren in **HAPPY-GO-LUCKY** erfolgreich thematisiert. Jetzt schlüpft Sir Ben Kingsley, seit seiner grandiosen Darstellung in **GANDHI** als perfekter Inder bewährt, in die Rolle des Fahrlehrers. Eine Rolle, die der Schauspieler bestens ausfüllen kann. Neben ihm wirkt seine Partnerin Patricia Clarkson als scheidungsgestresste Literaturkritikerin fast schon ein wenig blass. Die Geschichte, in der die vielen Fahrregeln immer wieder als Metaphern

für das richtige Leben eingesetzt werden, ist nett erzählt. Zwar vollkommen unspektakulär, dafür aber umso glaubhafter. Immerhin gibt sich der Film am Ende nicht die Blöße, in amerikanisches Kitschkino abzudriften, sondern entlässt beide Figuren in eigenständige Leben. Ein Film für das etwas reifere Publikum.

AMY – THE GIRL BEHIND THE NAME

(1:1.85, 5.1)

OT: Amy

Verleih: Prokino (24 Bilder)

Land/Jahr: Großbritannien 2015

Regie: Asif Kapadia

Darsteller: Amy Winehouse

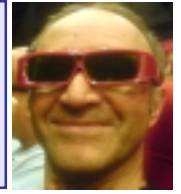

Kinostart: 16.07.2015

Am 23. Juli 2011 starb die Sängerin, die Jazz-Legende Tony Bennett auf eine Stufe mit Ella Fitzgerald erhob, an den Folgen exzessiven Alkoholkonsums: Amy Winehouse wurde nur 27 Jahre alt. Jetzt, vier Jahre nach ihrem Tod, hat sich der durch seinen Dokumentarfilm **SENNA** bekannt gewordene Regisseur Asif Kapadia daran gemacht, das ebenso märchenhafte wie tragische Leben der Sängerin aufzuarbeiten. Anhand von teils sehr persönlichem Bild- und Filmmaterial aus dem Freundeskreis von Amy ist ein aufwühlendes Porträt einer zerbrechlichen jungen Frau entstanden, die eigentlich nie von Berufs wegen singen wollte. Sie schrieb und komponierte ihre Songs anfangs nur, weil es ihr Freude machte. Doch je mehr sie damit Erfolg hatte und dadurch zwangsläufig immer stärker ins Rampenlicht gedrängt wurde, desto stärker wurde ihr Wunsch, damit aufzuhören, weil sie spürte, dass sie mit ihrer Berühmtheit nicht klar kommen würde. Niemand jedoch vernahm die Warnsignale, die sie schon frühzeitig aussendete. Durch ihren damaligen Freund lernte sie Drogen aller Art kennen – und lieben! "Ohne Drogen ist das Leben einfach nur langweilig" hört man Amy auf der Tonspur des Films von sich geben. Damit ist klar, dass jedwede Entziehungskur schon von vornherein zum Scheitern verurteilt war. Mit 128 Minuten ist der gut gestaltete Dokumentarfilm zwar etwas zu lang geraten, dürfte damit aber ihrer großen Fan-

gemeinde sehr entgegenkommen. Die vielen Interviewpassagen mit Freunden und Arbeitskollegen der Frau mit der überwältigenden Stimme, die meist nur aus dem Off zu hören sind, werden ergänzt durch beeindruckende Konzertpassagen.

Neues aus Absurdistan

Der letzte Film vor meiner großen Fahrradtour konfrontierte mich mit den Abgründen der dänischen Seele

MEN & CHICKEN (1:2.35, DD 5.1 + Atmos)

OT: Mænd & Høns

Verleih: DCM

Land/Jahr: Dänemark, Deutschland 2014

Regie: Anders Thomas Jensen

Darsteller: Mads Mikkelsen, David

Dencik, Nikolaj Lie Kaas

Kinostart: 02.07.2015

Gabriel und Elias sind zwei Brüder, für die die Bezeichnung "seltsam" eine starke Untertreibung ist. Gabriel wird ständig von Brechreizen heimgesucht, Elias muss ständig zwanghaft masturbieren. Als ihr Vater stirbt, erfahren die beiden mittels einer Videobotschaft, dass er gar nicht ihr biologischer Vater ist und sie adoptiert wurden. Die Brüder finden schnell heraus, dass ihr wahrer Vater inzwischen 100 Jahre alt ist und auf einer einsamen Insel lebt. Sie beschließen ihn aufzusuchen. Kaum angekommen werden sie von drei recht aggressiven Sonderlingen in Empfang genommen, die sich als ihre Brüder herausstellen. Die leben zusammen mit allerlei vierbeinigen Freunden in einem stillgelegten Sanatorium, das ein Geheimnis birgt. Langsam aber sicher kommen Gabriel und Elias ihrer wahren Herkunft näher... Anders Thomas Jensen gilt als einer der renommiertesten Drehbuchautoren und Filmemachern Dänemarks, was er mit Filmen wie **ADAMS ÄPFEL** oder **DÄNISCHE DELIKATESSEN** hinlänglich bewiesen hat. Für **MEN & CHICKEN** hat er nun einmal mehr den Regiestuhl besetzt und auch gleich noch das Drehbuch geliefert. Was dabei herausgekommen ist, dürfte nicht nur sein

bislang skurrilstes Werk sein, sondern sein makaberstes dazu. Will heißen: der rabenschwarze Humor ist von solcher Art, dass einem das Lachen im Halse stecken bleibt. Es ist fast so, als würde **TEXAS CHAINSAW MASSACRE** auf **ADAMS ÄPFEL** treffen. Nicht wegen der Brutalität (die zwar durchaus vorhanden ist, aber eher belustigend wirkt), sondern aufgrund der Location, in der Jensen seinen Film ansiedelt: ein stillgelegtes Sanatorium auf einer abgelegenen, kaum bewohnten Insel. Angesichts der extrem merkwürdigen Charaktere, die in diesem Sanatorium mit einem Heer von Tieren zusammenzuleben scheinen, ahnt man als Zuschauer schon recht früh, wo hier die Wurzel allen Übels liegen könnte. Aber man möchte es dann eigentlich doch lieber nicht so genau wissen. **MEN & CHICKEN** ist bei aller Absurdität ein ziemlich verstörender, aber genauso brillanter Film, der sich vor allem dank seiner grandiosen Darsteller (kaum wiederzuerkennen: Mads Mikkelsen mit Hasenscharte!) ins Gedächtnis brennt.

Old School Comedy

Wenn Lachen gesund ist, dann war der heutige Film meiner Gesundheit sehr zuträglich

BROADWAY THERAPY (1:1.85, 5.1)

OT: She's Funny That Way

Verleih: Wild Bunch (Central)

Land/Jahr: USA, Deutschland 2014

Regie: Peter Bogdanovich

Darsteller: Owen Wilson, Imogen

Poots, Jennifer Aniston, Rhys Ifans,

Kathryn Hahn, Lucy Punch, Tatum

O'Neal, Will Forte, Cybill Shepherd,

Joanna Lumley, Ahna O'Reilly, Jake

Hoffman, Richard Lewis, Austin

Pendleton, John Robinson, Poppy

Delevingne, George Morfogen

Kinostart: 20.08.2015

Izzy, Escort-Girl mit Schauspielambitionen, findet in einem ihrer Kunden, dem Broadway-Regisseur Arnold, einen Gönner, der ihr einen großen Batzen Geld gibt, damit sie ihre Hollywood-Karriere starten kann. Als sie ausgerechnet bei ihm für eine Rolle

vorspricht, ist das dem Schürzenjäger gar nicht recht, gehört doch auch seine Frau zum Ensemble. Die aber ist begeistert von Izzy, die dann auch noch mit dem Autor des Stückes anbandelt, der sich als Freund ihrer Psychotherapeutin herausstellt. Jetzt ist Ärger vorprogrammiert... Nach 12jähriger Abstinenz vom Regiestuhl meldet sich Peter Bogdanovich mit einer spritzigen Komödie im Kino zurück. **BROADWAY THERAPY** versteht sich als Hommage auf die Screwball-Komödien eines Ernst Lubitsch, eines Billy Wilder oder auch eines Woody Allen. Mit einem spiefreudigen Ensemble inszeniert Bogdanovich quasi ein Theater im Theater, das vor Verwicklungen und Zufällen nur so strotzt und sämtliche Protagonisten in peinlich-witzige Situationen bringt. Etwas störend indes ist die Rahmenhandlung, in der Imogen Poots alias Izzy ein Interview gibt und damit ihre Lebensgeschichte erzählt, die sodann als Rückblick bebildert wird. Bogdanovichs Film empfiehlt sich für alle, die vom Hollywood'schen Effekt-Bombast die Schnauze voll haben und sich nach etwas ruhigerem, dafür aber sehr unterhaltsamem Fahrwasser sehnen.

Vom Wilden Westen zur Arche Noah

Das einzige Double Feature in dieser Woche hatte gar biblische Ausmaße

SLOW WEST (1:1.66, DD 5.1)

OT: Slow West

Verleih: Prokino (Fox)

Land/Jahr: USA, Neuseeland 2014

Regie: John Maclean

Darsteller: Michael Fassbender, Kodi

Smit-McPhee, Caren Pistorius, Ben

Mendelsohn

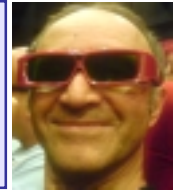

Kinostart: 30.07.2015

Gegen Ende des 19. Jahrhunderts irrt der 16jährige Schotte Jay Cavendish durch den Wilden Westen, um seine große Liebe Rose zu finden. Unterwegs nimmt ihn der harte Bursche Silas Selleck unter seine Fittiche, um ihm zu helfen. Was Jay allerdings nicht weiß: der Typ ist Kopfgeldjäger und auf Rose und ihren Vater sind 2000 Dollar Kopfgeld ausgesetzt! So führt ihn Jay un-

wissend zu seiner Beute – gefolgt von der Gang, die mit Silas noch eine Rechnung offen hat... John Macleans Film hat alles, was ein Western braucht: harte Burschen, prächtige Landschaften, viele Tote. Und trotzdem ist seine Western ganz anders als alle anderen. Wann kommt schon mal ein 16-jähriger von Schottland in den Wilden Westen, um seine große Liebe wiederzufinden? Jay Cavendish ist ein waschechtes Greenhorn, das auf sich alleine gestellt in der rauen Wildnis eigentlich nicht überlebensfähig ist. Geschweige denn sich gegen Kopfgeldjäger und Indianerschlächter zu behaupten. Kodi Smit-McPhee spielt diesen Naivling mit romantischer Ader perfekt. Michael Fassbender mimt den Kopfgeldjäger, der sich des Jünglings annimmt und irgendwann plötzlich so etwas wie väterliche Gefühle entdeckt, ebenso überzeugend. Mit ironischem Ton erzählt Maclean seine Geschichte einer ungewöhnlichen Männerfreundschaft und mit unerwartetem Ende. Kameramann Robbie Ryan findet faszinierende Bilder für diese Geschichte, die in Neuseeland gedreht wurde, und kadriert sie im ungewöhnlichen 1:1.66 Aspect Ratio. Ein Western eben, der sich auch hier nicht in die gängigen Muster eingliedern lässt. Angenehm seine Lauflänge: in nur 84 Minuten wird die ganze Story erzählt, ohne dass man etwas vermissen würde.

OOOPS! DIE ARCHE IST WEG (1:1.85, 3D, DD 5.1)

Verleih: Senator

Land/Jahr: Deutschland, Irland, Belgien, Luxemburg 2015

Regie: Toby Genkel

Kinostart: 30.07.2015

Kurz vor der Sintflut: alle Tiere strömen in die Arche Noah. Wirklich alle? Die Nestrier Finny und sein Papa stehen leider nicht auf der Passagierliste, das Grymp-Mädchen Leah und ihre Mutter hingegen schon. Durch etwas Kreativität schaffen es die Nestrier dennoch, auf die Arche zu kommen. Just in dem Moment, als die Flutwelle die Arche

hinweghebt, turnen Finny und Leah auf dem Gerüst vor der Arche – und sehen die Arche gerade noch wegschwimmen! Die Beiden beschließen in ihrer Not, der Arche so weit wie möglich zu folgen, um wieder an Bord zu kommen. Für die Kleinen beginnt das größte Abenteuer ihres Lebens... Mit seinem Film beweist Toby Genkel, dass computeranimierte Filme nicht immer nur aus Hollywood kommen müssen, sondern auch in Europa realisiert werden können. Zugegeben: die Perfektion einer Pixar-Produktion ist hier nicht unbedingt zu sehen (die Nestrier sehen beispielsweise aus wie Stofftiere), doch es zählt alleine der gute Wille. Der hauptsächlich für kleine Kinder gedachte Film behandelt Themen wie Freundschaft und das Finden des eigenen Platzes in der Welt gepaart mit jeder Menge Action. Den jungen Zuschauern wird's gefallen (was an der Reaktion der vielen Kinder in der heutigen Pressevorführung abzulesen war). Für Erwachsene bietet der Film eine köstliche Figur: ein Schimpanse als Page oder Diener an Bord der Arche mit herrlich snobistischem Tonfall. Negativ hingegen fällt die 3D-Technik auf: sie bietet nahezu keine plastische Wirkung, so dass man sich unweigerlich fragt, warum die überhaupt eingesetzt wurde. Dafür machen die Synchronsprecher einen hervorragenden Job. Hier ist insbesondere Christian Ulmen zu erwähnen, der Finny seine Stimme leiht.

Von Einem, der sterben will

Mit einer Art "Harold und Maude"-Geschichte ging die Pressewoche in die letzte Runde

COCONUT HERO (1:2.35, 5.1)

Verleih: Majestic (Fox)

Land/Jahr: Deutschland, Kanada 2015

Regie: Florian Cossen, Elena von Saucken

Darsteller: Alex Ozerov, Bea Santos, Krista Bridges, Sebastian Schipper, Udo Kier

Kinostart: 13.08.2015

Mike ist erst 16 Jahre alt, hat das Leben aber bereits satt. Mit dem Gewehr seines verschwundenen Vaters will er seinem Außenseiterdasein ein Ende bereiten. Doch der Schuss geht daneben und Mike erwacht putzmunter im Krankenhaus. Doch Mike hat Glück im Unglück: bei den Untersuchungen entdecken die Ärzte einen Tumor in seinem Kopf. Wenn er den nicht operieren lässt, führt das schnurstracks ins Grab. Prima, denkt sich der Teenager, und verschweigt seinen Zustand seiner Mutter. Stattdessen nimmt er bereitwillig an der verordneten Bewegungstherapie teil – ist ja nur eine Frage der Zeit, bis ihn der Tod ereilt. Allerdings hat Mike die Rechnung ohne Miranda gemacht, jenes fesche junge Mädchen, das die Therapiegruppe leitet. Denn plötzlich sieht Mike sein Leben aus einem ganz anderen Blickwinkel... Der Film von Florian Cossen (Regie) und Elena von Saucken (Drehbuch) hat genau das, was eine gute Independent-Produktion ausmacht: eine interessante Geschichte mit ein paar netten Twists, sympathische Charaktere, ein guter Soundtrack und eindrucksvolle Fotografie. Damit beweist das Filmemacher-Duo, dass ihr Erstlingswerk **DAS LIED IN MIR** keine Eintagsfliege war. Besonders schön in Szene gesetzt sind dabei ein paar musikalische Einlagen, beispielsweise wenn Mike auf seinem Fahrrad von einer ganzen Gruppe von Radfahrern begleitet und genau im Takt der Musik choreographiert wird; oder wenn Mike Teil der Bewegungstherapie wird und die Szene vollkommen in der Musik aufgeht. **COCONUT HERO** ist komisch, schwarzhumorig, einfühlsam, tragisch. Ein Geheimtipp für Filmfans, die mehr vom Kino erwarten als nur VFX-Feuerwerk und Sound-Bombast. Zu hoffen bleibt, dass die großartigen Bilder von Kameramann Brendan Steacy mit einem ordentlichen DCP um Quantensprünge besser aussehen werden als jene, die uns in der heutigen Pressevorführung von einer Blu-ray angeboten wurden.

Nobunagun: Complete Series (Blu-ray + DVD) (Blu-ray)

Sio Ogura is a shy misfit who'd rather talk about tanks than gossip about girl stuff. She's plagued by reoccurring dreams of ancient battle scenes, and her only friend is a kindhearted popular girl named Asao. But Sio's life takes an explosive turn when a school field trip is interrupted by an outbreak of Evolutionary Invaders: hideous alien creatures hell-bent on nuking the planet. During a daring attempt to rescue Asao, Sio discovers that she's an E-Gene Holder: the reincarnation of a historical figure capable of summoning special weaponry. Possessed by the spirit of legendary warrior Oda Nobunaga, Sio joins forces with the reincarnated versions of Jack the Ripper, Galileo, and Geronimo for a high octane alien shooting spree. Survival is a longshot, but in the battle to save humanity, Sio's the girl with the biggest gun!

3 Hearts

A touching and tense drama about destiny, connections, and passion, 3 Hearts presents a headily romantic look at a classic love triangle. One night in provincial France, Marc (Benot Poelvoorde) meets Sylvie (Charlotte Gainsbourg) after missing his train back to Paris. Instantly and intensely drawn to one another, they wander through the streets until morning in rare, almost choreographed, harmony. A thwarted plan for a second meeting sends each in a separate direction - Sylvie reunites with her ex and leaves France; Marc falls in love and marries. What neither knows is that Marc's new bride is Sylvie's sister, Sophie (Chiara Mastroianni). Upon Sylvie's return to France, the spark between her and Marc is reignited in ways that will forever alter the relationships between sister to sister and husband to wife.

Freeman - Dir. Richard Loncraine

5 Flights Up tells the story of one eventful weekend in the life of Ruth (Keaton) and Alex (Freeman), an aging New York couple who have finally decided to sell their East Village apartment of 40 years. They fear that they are getting too old to climb the stairs, and Ruth's realtor niece has convinced them that they can make a small fortune on the sale. Alex, an artist, and Ruth, a former schoolteacher, are enticed by the prospect of suddenly having more money than they ever dreamt possible. But as they prepare for the open house, the couple's beloved little dog gets sick and has to be taken to an animal hospital, and New York City suddenly goes on high alert when a truck gets stuck in the Midtown tunnel and the driver flees the scene. Over the course of one hectic weekend, Ruth and Alex are swept along as every shift in the breaking tanker story makes the real estate market spike and trough. As the bids fly, Ruth and Alex reflect upon on all the memories that they have shared in their home during the course of 40 happy and fulfilling years together, and they realize that sometimes happiness can't be mea

Always Watching: A Marble Hornets Story

Alexandra Breckenridge, Jake McDorman, Chris Marquette, Doug Jones, Alexandra Holden - Dir. James Moran

On the hunt for an intriguing news story, a small-town news team follows a crew inspecting repossessed houses. Inside a particularly strange house, the news team discovers a box of video tapes inside a locked closet. Sensing a story, they decide to take them back to their studio. From the tapes, they learn that the family who had lived in the house was not pushed out by the banks, but fled the house in fear for their lives. Trying to decode the story, the crew keeps seeing a faceless figure dressed in a dark suit appear in the footage that causes the videotape to scramble. Their fear mounts when this figure, The Operator as he is deemed, starts to appear in their real lives, standing quietly and always watching them. Tortured and terrorized, the three crew members must track down the mystery of The Operator before it's too late.

When Andre Gregory and Wallace Shawn - theater directors, writers, actors, and longtime friends - sat down for a stimulating meal in 1981's *My Dinner with Andr*, they not only ended up with one of cinema's unlikeliest iconic scenarios but launched a film collaboration that would continue to pay creative dividends for decades. The subsequent projects they made together for the screen - 1994's *Vanya on 42nd Street*, a passionate read-through of Anton Chekhov's *Uncle Vanya*, and 2014's striking Henrik Ibsen interpretation *A Master Builder* - are penetrating works that exist on the edge of theater and film, and that both emerged out of many years of rehearsals with loyal troupes of actors. Gregory and Shawn's unique contributions to the cinematic landscape are shape-shifting, challenging, and entertaining works about the process of creation.

Angel Baby

Jacqueline McKenzie, John Lynch, Colin Friels - Dir. Michael Rymer

In this unusual romantic drama from Australia, Harry (John Lynch, *Hardware*, *Cal*, *In the Name of The Father*) and Kate (Jacqueline McKenzie, *Romper Stomper*, *Deep Blue Sea*) are both patients at a psychiatric care facility. While in therapy, the two meet and fall in love, in spite of their troubled pasts. Despite the potential complications they might foresee with the relationship, Harry's main sources of support, his brother Morris (Colin Friels, *Darkman*, *Ground Zero*) and Morris's wife Louise (Deborra-Lee Furness, *Shame*), are more concerned with Harry's stability and happiness than anything else, and they soon give him their blessing to marry Kate. However, it soon becomes obvious that love does not conquer all as Kate becomes pregnant, and her doctors try to persuade her to take a dramatic course of action. *Angel Baby* won seven Australian Academy Awards, including Best Picture, Best Actor, and Best Actress.

Atlantis: Season Two - Part 2

Aiysha Hart, Robert Emms, Jack Donnelly,
Mark Addy

The unmissable series returns and the time has come for Jason to fulfill his destiny - or Atlantis will be lost beneath the waves forever. A year has passed and much has changed. With Minos dead, Ariadne is Queen and finds herself at war with her old adversary: Pasiphae. The kingdom stands on the brink of collapse and the struggle for power is both bloody and brutal. With the future looking bleak, Ariadne turns to her most trusted friends for support and so Jason, Hercules and Pythagoras are thrust to the very heart of politics and power in the city. As the battle for the throne intensifies loyalties are tested to the limit and the responsibilities of duty become increasingly unforgiving. These difficult times require hard choices for all as secrets and lies become the currency of choice and no one is immune to betrayal. Strikingly cinematic with ambitious production values and an impressive international cast, Series 2 merges the myths and legends of classical Greek literature to create a unique and intriguing blend of high fantasy drama and gripping action adventure.

Auschwitz

Friedhelm Gartner, Maximilian Gartner, Steffen Mennekes, Arved Birnbaum, Uwe Boll - Dir. Uwe Boll

Filmmaker Uwe Boll's *Auschwitz* is a daring docu-drama depicting the atrocities of the Holocaust set inside of the most notorious of concentration camps. Combining archival footage, dramatic reenactments and current on-camera interviews, the film attempts to provide the viewer with an understanding of the „how“ and „why“ of such genocide. Bookended with an introduction by the provocative director and interviews with a number of high school teens quizzed on their knowledge of Auschwitz and the Holocaust, Boll provides a sobering perspective on a powerful, compelling and tragic piece of world history.

Therapy is deadly serious in the thriller Beyond Remedy. When a group of medical students are invited to participate in an alternative therapy study on phobias - each student must face their fear head on in order to be cured - who would have imagined that death is lurking just around the corner. A killer, targeting the students, has tailored each of the killings to a specific phobia with spectacularly terrifying results. Beyond Remedy, director Gerhard Hross' (Possession) slasher-thriller brings together a group of talented actors that include Rick Yune (The Fast and The Furious, Die Another Day), Daniel Krauss (Two Lives, Rabbit Without Ears), and David Gant (Braveheart Gandhi).

The Big Chill: The Criterion Collection

Meg Tilly, Mary Kay Place, Kevin Kline, Jeff Goldblum, Glenn Close, William Hurt, JoBeth Williams, Tom Berenger - Dir. Lawrence Kasdan
After the shocking suicide of their friend, a group of thirtysomethings reunite for his funeral and end up spending the weekend together, reminiscing about their shared past as children of the sixties and confronting the uncertainty of their lives as adults of the eighties. Poignant and warmly humorous in equal measure, this baby boomer milestone made a star of writer-director Lawrence Kasdan and is perhaps the decade's defining ensemble film, featuring memorable performances by Tom Berenger, Glenn Close, Jeff Goldblum, William Hurt, Kevin Kline, Mary Kay Place, Meg Tilly, and JoBeth Williams. And with its playlist of sixties rock and R&B hits, The Big Chill all but invented the consummately curated soundtrack.

Big In Japan

Big In Japan is a rock 'n roll road movie based loosely on actual events and told with rollicking humor and catchy tunes. Things are looking bleak for the members of the Seattle-based rock band Tennis Pro. So when an opportunity arises to take their act on the road to Japan, they can't refuse. Director John Jeffcoat (Outsourced) captures the intersection of music, film and two cultures to reveal simple, oftentimes hilarious, universal truths.

Black & White: The Dawn Of Assault

They're the last hope to save Harbour City... if they don't kill each other first. When a maverick cop and a gangster headed for retirement team up, sparks will fly and heads will roll in Black & White: The Dawn of Assault! A big-screen prequel to the popular television series from Taiwan, The Dawn of Assault puts its own spin on the classic buddy cop formula with this outrageous actioner filled to the brim with over-the-top stunts, government conspiracies, and weapons of mass destruction. Suspended detective Wu finds himself back in the thick of things when he crosses paths with Triad member Xu, who's looking to unload a stash of hot diamonds. When Xu's deal turns into a shoot-out and the diamonds go missing, the cop and the criminal reluctantly join forces to retrieve them. Before long they find themselves not only to be the hunters, but the hunted as their mission escalates into something bigger and more dangerous than they'd ever expected!

Criminal Minds: The Complete Seasons 1-10

Matthew Gubler, Kirsten Vangsness, A.J. Cook, Shemar Moore, Paget Brewster, Thomas Gibson, Mandy Patinkin, Joe Mantegna
Criminal Minds revolves around an elite team of FBI profilers who analyze the country's most twisted criminal minds, anticipating their next moves before they strike again. The Behavioral Analysis Unit's most prominent agent is David Rossi (Joe Mantegna), a founding member of the BAU, who returns to help the team solve new cases, while pursuing some unfinished business of his own. Each member brings his or her own area of expertise to the table as they pinpoint predators' motivations and identify their emotional triggers in the attempt to stop them.

Criminal Minds: The Tenth Season

Matthew Gubler, Kirsten Vangsness, Anna Gunn, A.J. Cook, Shemar Moore, Thomas Gibson, Jennifer Love Hewitt, Gary Sinise, Joe Mantegna

To solve the most twisted crimes, the FBI's Behavioral Analysis Unit (BAU) explores the darkest places - inside the depths of Criminal Minds. And in the 24 episodes of Season 10, the cases cut dangerously close to home. Seasoned undercover, FBI Agent Kate Callahan (Jennifer Love Hewitt) joins the elite team led by Supervisory Special Agent Aaron Hotchner (Thomas Gibson) as they pursue a serial killer who hacks his victims beyond all recognition. Experienced profiler David Rossi (Joe Mantegna) is dogged by mysterious woman from his past, while Dr. Spencer Reid (Matthew Gray Gubler) grapples with the death of a mentor. Derek Morgan (Shemar Moore) and Jennifer „JJ“ Jareau (A.J. Cook) take on a cases that evoke grim memories from their personal histories, while technical analyst Penelope Garcia (Kirsten Vangsness) heads to death row to confront a perp from her past.

Regardless of the risks, the brilliant thinkers of the BAU fearlessly uncover the darkest secrets in order to unlock the most unpredictable solutions.

Emancipation

Michael Schwager, Roland Avenard, Anna Gorgen, Frances Heller

An uncommon story of love and resilience, *eMANcipation* tackles its delicate subject (a singular group of men who inhabit a shelter for abused men) with both honesty and sensitivity. The men who share a common bond of domestic abuse include: Dominik (Urs Stapfl), a mathematician; Horst (Hans-Ulrich Laux), an unemployed truck driver; Gregor (Roland Avenard), a novelist; and Lukas (Peer Alexander Hauck), a piano teacher. The women they love (and may also fear) include Angela (Frances Heller), a 23-year-old pregnant housewife; and Belinda (Anna Gorgen), a lawyer. Director Philipp Muller-Dorn (director of the web-series *Charlottenburg Cuisine* and the feature film *Between Your Legs*) takes a daring and provocative look inside the world that very few men, out of embarrassment or retaliation, speak of: domestic abuse by their partner. In the dramatic film *eMANcipation*, Muller-Dorn has opened a door for a conversation that has been long overdue.

The Encore Of Tony Duran

Gene Pietragallo, Cody Kasch, Nikki Ziering, William Katt, Elliott Gould

A personal and financial failure, *Tony Duran* (Gene Pietragallo) long ago abandoned his dreams of singing. But in the Great Recession, even his day job is gone. Desperate, Tony is ready to sink to crime to pay a few bills, but he botches even that, and is victimized by the sinister drug chemist, Art (William Katt). At Tony's darkest hour his friend Jerry (Elliott Gould) is there to save him. Jerry, a retired comic actor, forces Tony to face his own demons and embark on total personal transformation. Jerry makes Tony sing again. Tony must come to terms with his son, Mike (Cody Kasch). Can Mike ever believe in his father's redemption after so many disappointments? Because his life is in such shambles, Tony disqualifies himself from love. He dreams of approaching a local waitress, Leah (Nikki Ziering), but only after hitting bottom and with nothing left to lose does he gather the courage to speak. . . The *Encore of Tony Duran* reminds us that it is never too late - to sing, to find love, to make peace... or to grasp any dream, great or small.

Every Secret Thing

Danielle Macdonald, Nate Parker, Common, Dakota Fanning, Elizabeth Banks, Diane Lane - Dir. Amy Berg

In a small upstate New York town, two 11-year-old girls from opposite sides of the tracks are convicted of murdering an infant and sentenced to juvenile detention facilities. But when a toddler goes missing seven years later, Detective Nancy Porter (Elizabeth Banks) begins to suspect recently released Ronnie (Dakota Fanning) and Alice (Danielle Macdonald). As the investigation deepens, Porter may discover that the truth can hide the most shocking secrets of all. Academy Award nominee Diane Lane and Academy Award winner Common (Selma) co-star in this „grim, gritty and gripping“ (Screen Daily) drama that marks the directing debut of Oscar nominated documentary filmmaker Amy Berg (West of Memphis, Deliver Us From Evil), with a screenplay by Nicole Holofcener (Enough Said) from the bestselling novel by Laura Lippman.

Evil Eye / The Girl Who Knew Too Much (Double Feature)

Luigi Bonos , Milo Quesada, Dante Dipaolo, Leticia Roman, Valentina Cortese, John Saxon - Dir. Mario Bava

While vacationing in Italy, a young woman with a passion for crime fiction (Leticia Roman) witnesses a brutal murder. With the help of a handsome young doctor (John Saxon), she launches her own investigation and uncovers a series of crimes known as the Alphabet Murders, only to realize that she may be next on the killer's list. This Kino Classics edition includes both the original Italian-language version (*The Girl Who Knew Too Much*) as well as the American cut (*Evil Eye*, featuring a score by Les Baxter and alternate footage). The last of Bava's features to be shot in black-and-white, *Evil Eye* is considered one of the earliest gialli, and opened the door for Bava to indulge in a more violent and provocative flavor of films.

Welcome to Nova Springs, a rock and roll metropolis chock-full of rising stars. Here you'll meet Jessie Cake, a charismatic glam metal frontman and his groupie girlfriend, Chloe. After unearthing a mysterious LP in the abandoned estate of legendary 80s superstar David Crystal, these young lovers unleash a bloodthirsty spirit...the infamous Killer of the Woods. Even worse is the flesh-and-blood maniac *Naughty Rocky Boy*, the skulking back-alley killer whose weapon of choice is a musical instrument! As the bodies pile up in Nova Springs, it's up to Jessie, Chloe, and rock'n'roll priest Father Zappa (Italian heavy-metal pioneer Pino Scotto) to set things right. It's *Lords Of Salem* by way of *Rock And Roll High School*, with a side of spaghetti!

Gangs Of Wasseypur (Blu-ray)

Manoj Bajpayee, Nawazuddin Siddiqui, Jaideep Ahlawat - Dir. Anurag Kashyap

From Guneet Monga, the producer of The Lunchbox, the most successful foreign-language movie of 2014 to date in the U.S., Gangs Of Wasseypur is director/writer/producer Anurag Kashyap's ambitious and extraordinary blood-and-bullets fueled crime saga that charts seventy years in the lives - and spectacular deaths - of two mafia-like families fighting for control of the coal-mining town of Wasseypur, India. Inspired by the real-life exploits of local gangs and beginning with the bandit-like career of Shahid Khan (Jaideep Ahlawat) in the 1940s, the film follows the ruthless rise of his son Sardar (a brilliant Manoj Bajpayee) and his offspring, the surreally-named Danish, Perpendicular and Definitive Khans and their numerous wives and girlfriends. Gangs Of Wasseypur mirrors the tumultuous and explosive growth of modern India with ferocious cinematic intensity. As with Al Pacino's Michael Corleone in The Godfather, it's the least likely of Sardar's children - the perpetually stoned Faizal (Nawazuddin Siddiqui) - who rises to the top ranks of the Khan crime family, vowing brutal revenge on their longtime nemes

Gett: The Trial Of Vivian Amsalem

An Israeli woman (Ronit Elkabetz) seeking to finalize a divorce from her estranged husband finds herself effectively put on trial by her country's religious marriage laws, in this powerhouse courtroom drama from sibling directors Shlomi and Ronit Elkabetz. In Israel, there is neither civil marriage nor civil divorce; only Orthodox rabbis can legalize a union or its dissolution, which is only possible with the husbands full consent. Trapped in a loveless marriage, Viviane Amsalem has been applying for a divorce for three years but her religiously devout husband Elisha (Simon Abkarian of Casino Royale and Persepolis), continually refuses. His cold intransigence, Viviane's determination to fight for her freedom, and the ambiguous role of the rabbinical judges shape a procedure where tragedy vies with absurdity and everything is brought out into the open for judgment.

The Killers: The Criterion Collection

Claude Akins, Clu Gulager, Angie Dickinson, Norman Fell, John Cassavetes, Ronald Reagan, Lee Marvin - Dir. Don Siegel

Ernest Hemingway's simple but gripping short tale „The Killers“ is a model of economical storytelling. Two directors adapted it into unforgettably virile features: Robert Siodmak (Criss Cross), in a 1946 film that helped define the noir style and launch the acting careers of Burt Lancaster (Sweet Smell of Success) and Ava Gardner (On the Beach); and Don Siegel (Dirty Harry), in a brutal 1964 version, starring Lee Marvin (Point Blank), Angie Dickinson (Rio Bravo), and John Cassavetes (Rosemary's Baby), that was intended for television but deemed too violent for home audiences and released theatrically instead. The first is poetic and shadowy, the second direct and harsh as daylight, but both get at the heart of Hemingway's existential classic.

Rinko Kikuchi - Dir. David Zellner

From indie film mavericks David & Nathan Zellner (Kid-Thing, Goliath) comes the „hypnotically original“ (Entertainment Weekly) and „quietly magnificent“ (The Guardian) Sundance sensation inspired by a shocking „true“ story: Academy Award nominee Rinko Kikuchi (Babel, Pacific Rim) is „stunning“ (Indiewire) as Kumiko, a sad and lonely Tokyo office assistant who finds a battered VHS tape of a popular film she's mistaken for a documentary, becomes convinced that the movie's buried suitcase of cash is real. But when Kumiko heads to frozen North Dakota to locate her fortune, she'll discover that the line between reality and obsession may be the most elusive treasure of all. „Part road movie, part treasure hunt, it's an emotionally charged gem,“ says WeGotThisCovered.com. „This is a film that dares to dream, and dares you to dream with it!“

The Last Survivors

Booboo Stewart, Nicole Fox, Jon Gries, Leo Lee, Michael Welch, Rena Owen, Michael Masee, Barbara Crampton

At the edge of an expansive barren valley, all that remains of The Wallace Farm for Wayward Youth is a few hollowed-out husks of buildings. Seventeen-year-old Kendal (Haley Lu Richardson) can barely recall when the Oregon valley was still lush. It's been a decade since the last rainfall, and society at large has dried up and blown away. Kendal and the few others that remain barely scrape by while dreaming of escape. When a greedy water baron lays claim to what little of the precious resource remains underground, Kendal must decide whether to run and hide or bravely fight for the few cherished people and things she has left. Co-starring Booboo Stewart (*The Twilight Saga*), Max Charles (*The Amazing Spider-Man, Mr. Peabody & Sherman*) and genre veteran Barbara Crampton (*You're Next, Re-Animator*), *The Last Survivors* is a suspenseful look at a futuristic world where only the most resourceful survive.

The Legend Of Longwood

Anabel Sweeney, Sean Mahon, Lorcan Bonner, Lucy Morton, Fiona Glascott, Thekla Reuten, Lorcan Cranitch, Miriam Margolyes - Dir. Lisa Mulcahy

Crumbling castles, frightening spirits, beautiful horses and a plucky, fearless heroine all come together in this magical „quest“ film, set in the starkly beautiful landscapes of rural Ireland. Mickey Miller is a thoroughly modern 12-year-old New Yorker who has little enthusiasm for her mother's plan to take her and her little brother to start a new life Longwood, a windswept town in Ireland. Their arrival in Longwood, however, coincides with the return of the Black Knight, a legendary ruler whose appearances always mean that something evil is going to happen. Realizing that she is directly linked to the story of the Black Knight, Mickey and her new friend Sean (along with Silver, the wildest, most untamable horse in the stalls of a nearby castle) set out to redeem the knight. But first she must save a precious herd of white horses and thwart the plans of a greedy, ambitious woman: a mighty handful even for the bravest girl!

Limelight: The Criterion Collection

Norman Lloyd, Sydney Chaplin, Buster Keaton, Nigel Bruce, Charlie Chaplin, Claire Bloom - Dir. Charlie Chaplin

Charlie Chaplin's masterful drama about the twilight of a former vaudeville star is among the writer-director's most touching films. Chaplin plays Calvero, a once beloved musical-comedy performer, now a washed-up alcoholic who lives in a small London flat. A glimmer of hope arrives when he meets a beautiful but melancholy ballerina (Richard III's Claire Bloom) who lives downstairs. An elegant mix of the comic and the tragic, this poignant film also features Buster Keaton (The General) in an extended cameo, marking the only time the two silent comedy icons appeared together on-screen. Made at a time when Chaplin was under attack by the American press and far right, Limelight was barely distributed in the United States upon its initial release, but it is now considered one of his essential and most personal works.

Mystery Science Theater 3000: XXXIII

Choose your own MST3K Adventure! You purchase the latest collection of episodes from the beloved TV series Mystery Science Theater 3000. Now you are forced to endure four of cinema's crimes against humanity. If you think you can take on low rent gangsters and seedy nightclubs, choose Disc One. If you want to go head to head with a recently thawed, angry and massive tarantula, choose Disc Two. If you think you can reform a bunch of 1950s juvenile delinquents, choose Disc Three. And if an old television pilot that somehow wandered into a movie theater doesn't unnerve you, choose Disc Four. Or choose to enjoy all of these adventures, because your sherpas are some of the funniest people and robots ever created. The plots meander, the characters mystify you, and the filmmaking upsets you. But you laugh all the way through, so any way you turn, you've made the right choice.

An official selection of the 2014 Los Angeles Film Festival, this HBO Films presentation is a fascinating portrait of one man's descent into the delusions of a fractured mind. Told with incisive imagery, energy and humor, Nightingale is a compassionate depiction of isolation in the midst of a world ruled by social media. David Oyelowo gives a spellbinding,

roller-coaster ride of a performance as Peter, the sole character in the film, a war veteran who lives in a nondescript ranch home with his mother, and shares an ongoing monologue with himself, and the audience, via his laptop computer's video recorder.

Old Fashioned

A romantic-drama, Old Fashioned centers on Clay Walsh, a former frat boy who gives up his reckless carousing and now runs an antique shop in a small Midwestern college town. There, he has become notorious for his lofty and outdated theories on love and romance as well as for his devout belief in God. When Amber Hewson, a free-spirited young woman with a restless soul, drifts into the area and rents the apartment above his shop, she finds herself surprisingly drawn to his strong faith and noble ideas, which are new and intriguing to her. And Clay, though he tries to fight and deny it, simply cannot resist being attracted to her spontaneous and passionate embrace of life. Ultimately, Clay must step out from behind his relational theories and Amber must overcome her own fears and deep wounds as the two of them, together, attempt the impossible: an „old-fashioned“ and God-honoring courtship in contemporary America.

One Step Beyond

Created by Merwin Gerard, One Step Beyond presents storylines that defy understanding as well as an exploration of the unknown and supernatural. The original series ran for three seasons on ABC from January 1959 to July 1961.

Produced a year before Twilight Zone, this series sparked the growing interest in paranormal suspense in the late 1950's. The primary difference between the two shows was the effort One Step Beyond made to discover and present „real“ stories of supernatural events and recreate them for each episode - all said to be based on true events. Ultimately, solutions to the mysteries were never found, leaving viewers bewildered as to the scope of their reality.

Planet USA

Pierre Geisensetter, Janina Flieger, Wolfgang Bahro, Elma Alijagic - Dir. Flo Lackner
Planet Earth. U.S.A. The natural oil resources are running out; the hatred between the East and West has spread like a plague all over the world and the planet is on the brink of World War III. Major George Conrad (David Hofer), an obsessive war veteran and a patriotic zealot, is on a top-secret mission to save the world. By order of the former President of the United States, Conrad will lead an elite commando unit into action. Their destination: The moon. Their orders: Drill for oil. Two filthy rich sheik brothers have formed an alliance with the Americans and are financing the mission. After all, a pipeline from the moon to Earth will cost a lot of money... but none of the parties is who they seem to be and just as the mission is reaching completion, everything spins out of control in Planet USA.

Playing It Cool

Aubrey Plaza, Ashley Tisdale, Michelle Monaghan, Topher Grace, Chris Evans, Patrick Warburton, Giovanni Ribisi, Luke Wilson

Chris Evans stars as a disillusioned writer with a big imagination that consists mostly of hot women yielding to his every desire. He's indifferent to the whole concept of true love until he meets her (Michelle Monaghan), a breathtaking young woman who shakes all his previous beliefs. His buddies, all fellow writers, give him way too much advice, mostly along the lines of getting lucky before getting in too deep. The one thing they don't tell him is to lie through his teeth, which he ends up doing just so he can spend time with her. When the truth comes out, all hell breaks loose and he ends up as the star in his own tragedy.

Set Fire To The Stars

Celyn Jones, Kelly Reilly, Kevin Eldon,
Steven Mackintosh, Shirley Henderson,
Richard Brake, Elijah Wood - Dir. Andy
Goddard

Based on true events, Elijah Wood stars as John Malcolm Brinnin, the New York academic who brought Dylan Thomas to America. Actor/co-writer Celyn Jones plays the volatile celebrity poet - tormented by anonymity, alcohol and the abyss - who scandalized the Manhattan literati of the Fifties and challenged Brinnin's hero worship of his work. In the face of the Welsh poet's wilder excesses in the Big Apple - angel, beast and madman - John has no choice but to hijack Dylan to a private retreat to get him ready for America. The days and nights that follow will change his life forever. Part literary biopic and - shot in cut-glass black-and-white - part love-letter to the American B-movies of the Forties and Fifties, Andy Goddard's debut feature is both a character driven chamber piece and a cautionary tale about the fly trap of meeting your heroes.

Singularity Principle

William B. Davis, John Diehl

Singularity Principle is a feature length science-fiction film about the consequences of renegade experiments into Parallel Universes. Co-written and directed (with Austin Hines) by physicist Dr. David Deranian, the film pays particular attention to accurate scientific detail and uses the fascinating science of parallel universes to bring audiences a story that will both illuminate and entertain. The story starts off with the disappearance of noted scientist Professor Jack Brenner (John Diehl) during a fateful parallel universe experiment. Jack's protege, Dr. Peter Tanning (Michael Denis) is being interrogated by Dr. Lawrence Cason (William B. Davis) of a clandestine Black-Ops Agency to learn about the experiment and to find out what happened to Jack Brenner. Lawrence makes it clear that he wants to know everything about the experiment, including how parallel universes can be manipulated.

The Sisterhood Of Night

Kara Hayward, Georgie Henley, Kal Penn,
Laura Fraser

Based on the short story by Pulitzer Prize-winning author Steven Millhauser, The Sisterhood of Night is a story of friendship and loyalty set against the backdrop of a modern-day Salem witch trial. Shot on location in Kingston, NY, the film chronicles a group of girls who have slipped out of the world of social media into a mysterious world deep in the woods. The tale begins when Emily Parris exposes a secret society of teenage girls. Accusing them of committing sexually deviant acts, Emily's allegations throw their small American town into the national media spotlight. The mystery deepens when each of the accused takes a vow of silence. What follows is a chronicle of three girls' unique and provocative alternative to the loneliness of adolescence, revealing the tragedy and humor of teenage years changed forever by the Internet age.

Tangerines

Set in 1992, during the growing conflict between Georgia and

Abkhazian separatists in the wake of the Soviet Unions dissolution, this compassionate tale focuses on two Estonian immigrant farmers who decide to remain in Georgia long enough to harvest their tangerine crop. When the war comes to their doorsteps, Ivo (played by legendary Estonian actor Lembit Ullsak) takes in two wounded soldiers from opposite sides. The fighters vow to kill each other when they recover, but their extended period of recovery has a humanizing effect that might transcend ethnic divides. Set against a beautiful landscape defiled by war, this poetic film makes an eloquent statement for peace.

The Treatment

The Treatment is an unsettling Belgian murder mystery that gets under your skin and stays there. A nail-biting suspense yarn based on one of a series of best-selling novels by British crime writer Mo Hayder, the film is not an old-fashioned Agatha Christie-type whodunit, but its gritty themes of sexual violence and pedophilia give it a raw, contemporary intensity that places it in the same company as the Girl With the Dragon Tattoo book and film series. Police inspector Nick Cafmeyer is investigating a case where a mother and father have been bound and beaten, and their young son is missing.

An obsessive loner, Cafmeyer discovers that there are other similar cases - tragedies where the parents were forced by a psychopath to harm their own children, who then vanish. For the inspector, this triggers memories of his own brother's abduction as a child, and the possibility that he may still be alive somewhere. Grim and wholly engrossing, The Treatment is a thriller with an edge.

Underdog Kids

Lauren Bowles, Patrick Fabian, Mirelly Taylor, Ellia English, Greg Grunberg, Ted McGinley, Phillip Rhee, Tom Arnold, Max Gail, Beau Bridges - Dir. Phillip Rhee

The Family Action Film From The Creator & Star of the Best Of The Best Movie Franchise! It's a few weeks before the big karate tournament, and the struggling Mid-City Community Center has just lost their instructor. But when former MMA champ Jimmy "The Lightning Bolt" Lee (writer/producer/director/star Phillip Rhee of the Best Of The Best movies) returns to the old neighborhood, he reluctantly agrees to train the misfit kids for their match against the undefeated Beverly Hills team. Can a washed-up fighter and a bunch of urban underdogs now teach their opponents - and each other - about confidence, courage and honor? Mirelly Taylor (Lost), Adam Irigoyen (Shake It Up!), Wizards of Waverly Place), Ryan Potter (Big Hero 6, Supah Ninjas), Cade Sutton (Kirby Buckets), Patrick Fabian (Better Call Saul), Tom Arnold and Beau Bridges co-star in this inspiring, action-packed comedy for the whole family.

The Vampire Diaries: The Complete Sixth Season

Kat Graham, Zach Roerig, Nina Dobrev, Candice Accola, Steven R. McQueen, Michael Trevino, Paul Wesley, Ian Somerhalder

The Vampire Diaries continues for a sixth season with delicious drama to sink your teeth into. Last season, after a passionate summer with Damon, Elena headed to Whitmore College with Caroline, not knowing Bonnie sacrificed her life for Jeremy's. Meanwhile, Stefan and Caroline's friendship deepened as they stood up to the Travelers, a nomadic witch tribe driven to strip Mystic Falls of magic and cast out its supernatural residents. In the shocking season finale, Damon, fearing he would lose his loved ones on the crumbling Other Side, made a huge sacrifice to bring them all back - with catastrophic and heartbreaking results. Season six follows the characters' journey back to each other as they explore the duality of good versus evil inside themselves. Michael

Malarkey joins the cast as Enzo, an old vampire friend from Damon's past, and Matt Davis reprises his role as Alaric Saltzman, recently returned from *The Other Side*.

Season Four of *The Walking Dead* ended with Rick and the group outgunned, outnumbered, and trapped in a train car awaiting a grim fate. Season Five picks up shortly thereafter. What follows is a story that weaves the true motives of the

people of Terminus with the hopeful prospect of a cure in Washington, D.C., the fate of the group's lost comrades, as well as new locales, new conflicts, and new obstacles in keeping the group together and staying alive. Stories will break apart and intersect. The characters will find love and hate. Peace and conflict. Contentment and terror. And, in the quest to find a permanent, safe place to call home, one question will haunt them... After all they've seen, all they've done, all they've sacrificed, lost, and held on to no matter what the cost... Who do they become?

Zombeavers

Peter Gilroy, Hutch Dano, Lexi Atkins, Courtney Palm, Jake Weary, Rachel Melvin, Rex Linn - Dir. Jordan Rubin

They're ferocious, they're furry, they're Zombeavers, the stars of this horror-comedy, directed by Jordan Rubin. When a trio of sexy college girls (Courtney Palm, Rachel Melvin, Lexi Atkins) arrive at a remote cabin for a weekend getaway, their vacation is quickly jeopardized by a hungry bear, a menacing hunter (Rex Linn), and the girls own party-crashing boyfriends (Hutch Dano, Jake Weary, Peter Gilroy). However, these preliminary disturbances are nothing compared to what lurks in the lake by the cabin: the result of a local chemical spill, a horde of bloodthirsty, zombified beavers closes in on the unsuspecting co-eds. It isn't long before the kids are engaged in a life and death struggle with the ferocious Zombeavers, but it turns out that the creatures themselves are only the beginning of their nightmare.

Featuring cameos by Bill Burr and John Mayer, Zombeavers is infectiously funny and terrifying.

Above All Else

Above All Else is an intimate portrait of a group of landowners and activists in East Texas who tried to stop construction of the Keystone XL pipeline, a \$7 billion dollar project slated to carry tar sands oil from Canada to refineries on the Texas Gulf Coast. Risking financial ruin, their personal safety, and the security of their families, these unforgettable people and their stories become an exploration of the human spirit and a window into how social change happens in America.

The Fight For Water: A Farm Worker Struggle

The Fight for Water: A Farm Worker Struggle documents the impact an environmental decision had upon a farming community when their water supply was shut off. An environmental decision, intended to protect an endangered fish species, had unintended consequences upon the community who needed it to farm, have jobs and be able to provide for their families. Because their livelihood was threatened, they staged a march across the California Central Valley to fight for their water. One filmmaker, who happened to live in the impacted part of the valley, set out to film this event and document their struggle; exposing, along the way, a cautionary tale on the impacts of California's on-going water wars and water distribution, and those who are caught in the middle.

I Knew It Was You: Rediscovering John Cazale

Philip Seymour Hoffman, Brett Ratner, Francis Ford Coppola, Sam Rockwell, Olympia Dukakis, Al Pacino, John Cazale, Richard Dreyfuss, Meryl Streep, Steve Buscemi - Dir. Richard Shepard
Admired by actors and directors, adored by friends and lovers, yet unknown to most moviegoers, the venerable stage and screen actor John Cazale appeared in some of the most iconic films of the 1970s: Francis Ford Coppola's The Godfather, The Godfather Part II and The Conversation; Sidney Lumet's Dog Day Afternoon; and Michael Cimino's The Deer Hunter. The critically lauded films collectively earned 40 Oscar nominations, including 14 for Cazale's costars, and raked in millions at the box office. In 1978, just after wrapping The Deer Hunter, Cazale died tragically at age 42, and cinema was robbed of one of its brightest talents. In I Knew It Was You, director Richard Shepard talks with Cazale's costars, friends and admirers - Al Pacino, Meryl Streep, Robert De Niro, Gene Hackman, Francis Ford Coppola, Sidney Lumet, Israel Horowitz, Philip Seymour Hoffman, Sam Rockwell, Steve Buscemi and others - and paints a loving tribute to a talent taken too soon.

If You Build It

From the director of Wordplay and I.O.U.S.A. comes a captivating look at a radically innovative approach to education. If You Build It follows designer-activist Emily Pilloton and Matthew Miller to rural Bertie County, the poorest in North Carolina, where they work with local high school students to help transform both their community and their lives. Living on credit and grant money and fighting a change-resistant school board, Pilloton and Miller lead their students through a year-long, full-scale design and build project that does much more than just teach basic construction skills: it shows ten teenagers the power of design-thinking to re-invent not just their town but their own sense of what's possible. Directed by Patrick Creadon and produced by Christine O'Malley and Neal Baer, If You Build It offers a compelling and hopeful vision for a new kind of classroom in which students learn the tools to design their own futures.

Last Hijack

Last Hijack is a true tale of survival in Somalia told from the pirate's perspective. Combining animation with documentary storytelling, the film takes an innovative hybrid approach to explore how one Somali pirate - Mohamed - came to live such a brutal and dangerous existence. Somalia is the worldwide capital of piracy, and Mohamed is one of Somalia's most experienced pirates. But in his homeland, a failed state, Mohamed is just another middle-aged man trying to make ends meet. Far removed from the glamour and adventure of the pirates of books and movies, Somali pirates face increasing scrutiny and stigmatization both at home and abroad. Now Mohamed is engaged and both his parents and his in-laws pressure him to change his ways before the big wedding day. Mohamed senses that the golden age of piracy may be coming to an end, and with pressure mounting to provide for his loved ones, he must decide whether to risk everything for one last hijack.

Magician: Astonishing Life & Work Of Orson Welles (Blu-ray)

Peter Bogdanovich, Orson Welles - Dir. Chuck Workman

Magician: The Astonishing Life and Work of Orson Welles looks at the remarkable genius of Orson Welles on the eve of his centenary - the enigma of his career as a Hollywood star, a Hollywood director (for some a Hollywood failure), and a crucially important independent filmmaker. Orson Welles's life was magical: a musical prodigy at age 10, a director of *Shakespeare at 14*, a painter at 16, a star of stage and radio at 20, romances with some of the most beautiful women in the world, including Rita Hayworth. His work was similarly extraordinary, most notably *Citizen Kane*, (considered by many to be the most important movie ever made), created by Welles when he was only 25. In the years following *Citizen Kane*, Welles's career continued to change as he made film after film (some never finished, many dismissed) and acted in other projects often to earn money in order to keep making his own films. *Magician* features scenes from almost every existing Welles film, from *Hearts of Age*, (which he made in a day when he was only 18 years old) to rarely-seen clips from his final unfinished works like *The Other of the D*

There was a time when interracial dating was a taboo practice that could lead to physical harm or even death. Today it seems to be of greater acceptance as with celebrity power couples Kanye West and Kim Kardashian or Ice-T and Coco. The Swirl takes a comedic look at this serious topic by digging into the cultural shift in attitudes around interracial relationships. The Swirl unearths the real-life conversations folks are having in the shadows on the subject that has finally been brought to light in this enlightening and entertaining documentary. Speaking to men and women on both sides of the debate, the feature-length documentary delivers honest and hilarious dialogue on interracial dating by comedians such as Esther Ku, Rodney Perry and Reggie Jackson. The film dares viewers to take a hard look at their own perceptions. Through in-depth interviews, expert commentary, comedic conjecture and surprising statistical data, the film covers everything from self hate and racism to the concept of love being colorblind. Victory at Sea is a wonderful overview of World War II. The film is fast-paced with excellent narration featuring Alexander Scourby, and legendary music by Richard Rodgers. A well-produced feature-length version of the TV documentary series with actual footage from the battles described, it's emotional and provides a good look at what our men and those of our allies, and even enemies, faced in WWII. Richard Rodgers,

fresh off of several hit Broadway musicals, was retained to compose the musical score for the series. Rodgers' would contribute twelve „themes“ short piano compositions a minute or two in length while Robert Russell Bennett did the scoring and conducted the NBC Symphony Orchestra on the soundtrack recording sessions. Rodgers' „Beneath „The Southern Cross“ became „No Other Love“ and was a big hit of the time.
